Untamed Glennon Doyle, 2020-03-10 #1 NEW YORK TIMES BESTSELLER • OVER TWO MILLION COPIES SOLD! “Packed with incredible insight about what it means to be a woman today.”—Reese Witherspoon (Reese’s Book Club Pick) In her most

revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others’ expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of City of Girls and Eat Pray Love This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn’t it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on

high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world’s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member’s ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: *There She Is*. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

M Is for Mama Abbie Halberstadt, 2022-02-01 A PUBLISHER'S WEEKLY BESTSELLER *Mama* of ten Abbie Halberstadt helps women humbly and gracefully rise to the high calling of

motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Mamas only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for mamas to grow and thrive. As a daughter of Christ, you have been called to be more than an average mama. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.

[How to Not Die Alone](#) Logan Ury, 2021-02-02 A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just

appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: -What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you

find, build, and keep the relationship of your dreams.

Over It Lolo Jones, 2021-07-20 *Over It* is a high-octane dose of encouragement, storytelling, and hard-won advice from Lolo Jones, three-time Olympian and world champion hurdler and bobsledder. Lolo is perhaps better known today not for all the races she's won but for the millisecond mistake that cost her an Olympic gold medal over a decade ago. With stunning authenticity about her own struggles, longings, and losses, she shows us how to face our challenges head-on and keep working to overcome them. Lolo challenges us to: handle failure while pursuing our dreams; recognize the difference between achieving a goal and experiencing success; turn our most painful moments into the most successful; use thankfulness and faith to develop healthy hindsight; and give and receive forgiveness as the path back to life. Growing up in a broken home, Lolo learned to shoplift at a young age just to eat at night and sometimes slept on the basement floor of the Salvation Army. While her father was in prison, her mother worked multiple jobs, and Lolo realized she needed to be self-motivated, singularly focused, and unwilling to quit if she wanted to succeed. Reflecting on her own challenging spiritual journey, Lolo invites us to rest in God who can make all the difference in overcoming

obstacles with both strength and joy.
