Soccer around the World Charles Parrish, John Nauright, 2014-04-21 Two leading sports authorities explore the culture of soccer around the world, considering the sport as a means to better understand a society's past, present, and future. How popular is soccer worldwide? Here's one indicator: 3.2 billion people—nearly half of the planet's population—tuned in to watch the 2010 World Cup on television. Soccer matches attract a gargantuan number of fans from around the globe due to the popularity of the sport itself but also because of the nationalism it inspires and the entertainment spectacle of the big games. Distinguished authors and sports authorities, Charles Parrish and John Nauright, examine how soccer impacts societies worldwide by shaping national identities, providing common ground for diplomatic issues, and forging economic and social development. This one-volume geographic guide studies the places in which soccer has a major impact, examining each region's teams, major tournaments, key players, and international performance. The authors organize the book geographically by region and country, with entries reviewing the history of the sport and cultural impact on the area. Each profile concludes with fascinating game-based statistics, such as winners of major tournaments and top goal scorers. The book covers 20 countries including England, Brazil, Egypt, the United States, Cameroon, and Korea.

Football Quiz P.D. Sharma, 2004-08

Football Dynamo Marc Bennetts, 2009-03-05 In 1991, the collapse of the USSR seemed to signal the death of the Russian football industry, as the money, the players and the fans left. But now the oligarchs who profited from the post-Soviet turmoil are supporting the nation's football clubs and their dreams of glory, resulting in unprecedented success. Along this journey into the heart of Russian football, Marc Bennetts meets the managers, oligarchs, players, pundits and fans that define the Russian Premier league, now the fastest-growing and most intriguing football league in the world. From Andrei Arshavin and the national team's adventures at Euro 2008 to the symbolism of a club from war-torn Chechnya lifting the Russian FA Cup, Football Dynamo uncovers shocking revelations about corruption, hooliganism and racism, but also the true beauty of the game and the country.

The Guinness Book of Records, 1995

The World Encyclopedia of Soccer Michael L. LaBlanc, Richard Henshaw, 1994 A global view of soccer and its remarkable growth and development in the U.S.

Elite Youth Sport Policy and Management Elsa Kristiansen, Milena M. Parent, Barrie Houlihan, 2016-10-04 Elite youth sport competitions have increased significantly in number in recent years, with the Youth Olympic Games representing the high point of this phenomenon. This book examines the global context within which elite youth sport has emerged and continues to grow. It explores elite youth sport policy across fifteen countries, in Europe, the Americas, Africa and Asia, addressing the questions of how youth talent development is organised and why elite youth sport has become so popular. Taking a comparative global perspective, the book analyses the growth in more systematic approaches to young athlete development and the increasing emphasis on early talent identification. It discusses the attitude of stakeholders (such as NGBs, governments and sponsors) towards elite youth sport, while also considering how young elite athletes' interests are protected and how the growth in elite youth sport affects a sport's development strategy. Written by a team of internationally renowned researchers, *Elite Youth Sport Policy and Management: A comparative analysis* is fascinating reading for all students, scholars, managers, policy-makers and coaches with an interest in youth sport, elite sport development, talent identification and sports policy.

The Sports Hall of Fame Encyclopedia David Blevins, 2012 Provides a comprehensive listing, including biographical information and statistics, of each athlete inducted into one of the major sports halls of fame.

The Global Football League P. Millward, 2011-10-12 This book tackles issues of globalization in the English Premier League and unpicks what this means to fan groups around the world, drawing upon a range of sociological theories to tell the story of the local and global repertoires of action emanating from the popular protests at Liverpool and Manchester United football clubs.

Routledge Handbook of Football Studies John Hughson, Kevin Moore, Ramón Spaaij, Joseph Maguire, 2016-10-04 Football is unquestionably the world's most popular and influential sport. There is no corner of the globe in which the game is not played or followed. More countries are affiliated to FIFA, football's governing body, than to the United Nations. The sport has therefore become an important component of our social, cultural, political and economic life. The Routledge Handbook of Football Studies is a landmark work of reference, going further than any other book in considering the historical and contemporary significance of football around the world. Written by a team of leading sport scholars, the book covers a broad range of disciplines from history, sociology, politics and business, to philosophy, law and media studies. The central section of the book examines key themes and issues in football studies, such as the World Cup and international competition, governance and ownership, fandom and celebrity. The concluding section offers in-depth surveys of the culture and organisation of football in each of the regional confederations, from UEFA to CONCACAF. This book will be fascinating reading for any serious football fan and an essential resource for advanced students or scholars undertaking research in football or sport studies, and any practitioner or policy-maker working in football.

Resources in Education, 1986

Man, Play, and Games Roger Caillois, 2001 According to Roger Caillois, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

Sports Market Place, 2007

Routledge Handbook of the Sociology of Sport Richard Giulianotti, 2015-07-24 The sociology of sport is a core discipline within the academic study of sport. It helps us to understand what sport is and why it matters. Sociological knowledge, implicit or explicit, therefore underpins scholarly enquiry into sport in every aspect. The Routledge Handbook of the Sociology of Sport is a landmark publication that brings together the most important themes, theories and issues within the sociology of sport, tracing the contours of the discipline and surveying the state-of-the-art. Part One explores the main theories and analytical approaches that define contemporary sport sociology and introduces the most important methodological issues confronting researchers working in the social scientific study of sport. Part Two examines the connections and divisions between sociology and cognate disciplines within sport studies, including history, anthropology, economics, leisure and tourism studies, philosophy, politics and psychology. Part Three investigates how the most important social divisions within sport, and in wider society, are addressed in sport sociology, including 'race', gender, class, sexuality and disability.

Part Four explores a wide range of pressing contemporary issues associated with sport, including sport and the body, social problems associated with sport, sport places and settings, and the global aspects of sport. Written by a team of leading international sport scholars, including many of the most well-known, respected and innovative thinkers working in the discipline, the Routledge Handbook of the Sociology of Sport is an essential reference for any student, researcher or professional with an interest in sport.

Sports Market Place Directory Richard Gottlieb,2007

Britannica Book of the Year 2009 Encyclopaedia Britannica, Inc.,2009-03-01 The Britannica Book of the Year 2009 provides a valuable veiwpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations, governments, and economies throughout the world. It is an accurate and comprehensive reference that you will reach for again and again.

A Chronology of the United States Marine Corps United States. Marine Corps,William Marshall Miller,1965

Chelsea FC: The Official Biography Rick Glanvill,2006-07-31 CHELSEA FC: THE OFFICIAL BIOGRAPHY goes to the heart of what gives the club its personality. The author has access to all the key characters, including Mourinho, Abramovich and the star players, plus legendary names of the past. He addresses all the controversies, including: the near suffocation through lack of cash in the 1970s and in 2002; the impact of Abramovich's money; the club and fans' response to racism; how the hooliganism which dogged Chelsea for years has been tackled. On the lighter side, Chelsea is regarded as the country's glamour club, and fashions, good and dreadful, will feature alongside celebrity fans and the worlds of art and music. And then there is the football at the core of it all, creating moments of huge tension and excitement.
