More Than a Game Archie Macpherson,2020-05-03 'This is like a scene from Apocalypse Now' Archie Macpherson examines the story of football's most explosive rivalry - Celtic v Rangers. In this book he centres on the infamous riot at the Old Firm Scottish Cup Final at Hampden on 10 May 1980, at which he was the match commentator, and which resulted in the banning of alcohol in football grounds. He explores his memories of the many clashes between the two clubs over his half-century broadcasting career. This leads him inevitably to the sources of the sectarianism which has characterised this fixture and the West of Scotland. He weaves his experiences, and those of others, into the complex tapestry of social issues and club loyalties and takes us through the wider political context: World War II, the invisible hand of Margaret Thatcher and Scotland's independence referendum. This vitriolic conflict is more than a game. It is a kaleidoscope of bitter dispute, and occasional violence, and Archie Macpherson provides a colourful insight into how it was to live with the Old Firm for over five decades.

The Rough Guide to Cult Football Andy Mitten,2010-09-01 The Ultimate Companion to A Beautiful Game This new Rough Guide is the only soccer book of its kind. It uncovers the most amazing stories and the unlikeliest personalities on Planet Football, both past and present, that help to make soccer the greatest show on earth. We reveal the stories behind the mavericks and cult figures who make up the real heroes of the game - from cultured midfielders to jailbirds, drinkers to straight arrows, local legends to international wanderers. The book showcases an amazing and unusual roll-call of talent that stretches from Ferenc Puskas to Stan Bowles, Eric Cantona to Jose Chilavert and Garrincha to Perry Groves. Throughout, we run our eye over the special clubs - from the New York Cosmos to Berwick Rangers and Estudiantes; managers and football rivalries - from 'El Clásico' to the Faroe Islands derby; and recall extraordinary games from 'The Battle of Highbury' to underdog fixtures where the likes of Northern Ireland, Wimbledon, and Dynamo Kiev overcame the might of Spain, Liverpool, and the Nazis. Post-match analyses of football culture, ephemera, science, and some strange statistics, complete this ultimate fiesta of football fun. Ain't it great to be alive? All you need is the green grass and a ball -Pele

Children Reading Picturebooks Evelyn Arizpe,Morag Styles,2015-11-27 Children Reading Pictures has made a huge impact on teachers, scholars and students all over the world. The original edition of this book described the fascinating range of children's responses to contemporary picturebooks, which proved that they are sophisticated readers of visual texts and are able to make sense of complex images on literal, visual and metaphorical levels. Through this research, the authors found that children are able to understand different viewpoints, analyse moods, messages and emotions, and articulate personal responses to picture books - even when they struggle with the written word. The study of picturebooks and children's responses to them has increased dramatically in the 12 years since the first edition was published. Fully revised with a review of the most recent theories and critical work related to picturebooks and meaning-making, this new edition demonstrates how vital visual literacy is to children's understanding and development. The second edition: Includes three new case studies that address social issues, special needs and metafiction Summarises key finding from research with culturally diverse children Draws upon new research on response to digital picturebooks Provides guidelines for those contemplating research on response to picturebooks This book is essential reading for undergraduate and postgraduate students of children's literature as well as providing important reading for Primary and Early Years teachers, literacy co-ordinators and all those interested in picturebooks.

And She Laughed No More Stephen Foster,THE ESTATE OF STEPHEN FOSTER,2011-09-01 The Premiership is not all glamour, particularly not now Stoke City - the ugly ducklings - are involved...In 2008, Stoke City managed to grind their way into the Promised Land of the Premiership. Under the uncompromising guidance of manager Tony Pulis, they were never going to be pretty to watch. Lifetime Stoke supporter Stephen

Foster describes a club with a chip on its brawny shoulders, whose tactics were built around heroic defiance of superstars earning 150 grand a week - and, of course, Rory Delap's long throw. And She Laughed No More, the sequel to Foster's bestselling She Stood There Laughing, chronicles the blood, sweat, tears and triumphs of an unlikely season when the Potters were rescued from their lower league nightmare and transported to the Theatre of Dreams at Old Trafford (where they lost 5-0).

Domer Dishes: Inside the Lives and Kitchens of Your Fighting Irish Gridiron Greats Lisa Kelly,2021-09 What is Domer Dishes you ask? It's a hybrid of recipes and storytelling. Each ND chef in the cookbook has submitted his favorite recipe. Some of them have included a story about why it's their favorite recipe and who or where it came from. Some have shared their most unforgettable Notre Dame memories. All have shared a little bit of themselves through their best-loved recipes. The cookbook consists of recipes from former Notre Dame football players, coaches, leprechauns, and student managers. And, of course, you'll get one recipe from me. I may not be a very good cook, but there are a couple of things that I do cook well. This is not a fancy cookbook. I took many of the photos myself as we cooked all the dishes (my husband and I cooked most of them, and my chef friend, James Ketara, helped as well). I hope you enjoy the food and the storytelling that I share in this book. I'd love to know which recipes from the cookbook are your favorite! Please share them with me on Instagram and Twitter by tagging your photos with the hashtag #DomerDishes. Well, what are you waiting for? Start cooking! Cheers! And GO IRISH! Jmj Gilroy MacFrancis,2015-12-18 The book is about growing up in an Irish Catholic family in Philadelphia in the fifties. It features the interesting, wonderful characters I remember.

The Football Factory John King,2012-09-30 The Football Factory centres on Tom Johnson, a reasoned 'Chelsea hooligan' who represents a disaffected society operating by brutal rules. We are shown the realities of life - social degradation, unemployment, racism, casual violence, excessive drink and bad sex - and, perhaps more importantly, how they fall into a political context of surveillance, media manipulation and division. Graphic and disturbing, sometimes very funny, and deeply affecting throughout, The Football Factory is a vertiginous rush of adrenaline - the most authentic book yet on the so-called English Disease.
