

For Your Eyes Only

Ian Fleming

For His Eyes Only Lisa Funnell,2015-10-20 The release of Skyfall in 2012 marked the fiftieth anniversary of the James Bond film franchise. It earned over one billion dollars in the worldwide box office and won two Academy Awards. Amid popular and critical acclaim, some have questioned the representation of women in the film. From an aging M to the limited role of the Bond Girl and the characterization of Miss Moneypenny as a defunct field agent, Skyfall develops the legacy of Bond at the expense of women. Since Casino Royale (2006) and its sequels Quantum of Solace (2008) and Skyfall constitute a reboot of the franchise, it is time to question whether there is a place for women in the new world of James Bond and what role they will play in the future of series. This volume answers these questions by examining the role that women have historically played in the franchise, which greatly contributed to the international success of the films. This academic study constitutes the first book-length anthology on femininity and feminism in the Bond series. It covers all twenty-three Eon productions as well as the spoof Casino Royale (1967), considering a range of factors that have shaped the depiction of women in the franchise, including female characterization in Ian Fleming's novels; the vision of producer Albert R. Broccoli and other creative personnel; the influence of feminism; and broader trends in British and American film and television. The volume provides a timely look at women in the Bond franchise and offers new scholarly perspectives on the subject.

For His Eyes Only Liz Fielding,2014-03-01 It's your body that I want to draw, not your clothes. Well, that's what she was afraid of! Hardworking estate agent Natasha Gordon finds her reputation in tatters when an ad she created gets bungled. She'll do anything to restore her good name—even beg seriously sexy artist Darius Hadley to give her another chance to sell his ancestral home. Only, he drives a hard bargain: Natasha must pose naked, for his eyes only...! He's asking Natasha to take him on trust. But she's learned the hard way not to trust men—particularly those she's working with...and let alone men she's taking her clothes off for! Darius's next outrageous statement? I will, too—if it will make it easier for you...

For Your Eyes Only Ian Fleming,2002 The destruction of a Russian hideout at SHAPE headquarters near Paris; the planned assassination of a Cuban thug in America; the tracking of a heroin ring from Rome to Venice and beyond; for Bond it is just routine. For anyone else - certain death.

Eyes Only Fern Michaels,2015-01-01 An island paradise hides a hell that only the world's most famous vigilantes can take down. From the #1 New York Times bestselling author of Kiss and Tell. Lush, exclusive Spyder Island is home to many of the world's billionaires. Years ago, Gretchen Spyder, daughter of the island's namesake, gave her twin babies up for legal adoption. Geographies, Genders and Geopolitics of James Bond Lisa Funnell,Klaus Dodds,2016-12-27 This book discusses the representational geographies of the Bond film franchise and how they inform our reading of 007 as a hero. Offering a new and interdisciplinary lens through which the franchise can be analyzed, Funnell and Dodds explore a range of topics that have been largely, if not entirely, overlooked in Bond film scholarship. These topics include: the shifting and gendering of geopolitical relations; the differing depiction and evaluation of vertical/modern and horizontal/pre-modern spaces; the use of classical elements in defining gender, sexuality, heroic competency, and geopolitical conflict; and the ongoing importance of haptics (i.e. touch), kinesics (i.e. movement), and proxemics (i.e. the use of space) in defining the embodied and emotive world of Bond. This book is comprehensive in nature and scope as it discusses all 24 films in the official Bond canon and

theorizes about the future direction of the franchise.

For His Eyes Only Candace Irvin,2012-07-01 MASTER OF DECEPTION Rugged Special Agent Reese Garrick never expected to find himself posing as a dashing movie star. Nor did he expect to find his dream woman on the steel decks of a naval warship. Lieutenant Jade Parker was gorgeous, though hardly wife material. Besides, his perilous mission hinged on winning her confidence not her heart. Jade had one goal in sight, and it wasn't marriage. If coddling a temperamental actor would get her closer to becoming captain, she would suffer through. But Jade soon realized there was more to sexy, secretive Reese than met the eye. Lifetime ambition aside, she wanted him. And that terrified her more than the danger that was closing in .

Dark Angel: The Eyes Only Dossier D.A. Stern,2009-06-10 A companion to the hit TV series • Seattle ca. A.D. 2020 A post-Pulse city crawling with cops on the take, crooks on the make, genetically engineered supersoldiers, and hundreds of thousands of plain folks just hanging on by a thread to the sputtering engine that was once the all-powerful American economy . . . November 12, 2021: My name is Logan Cale—though whoever finds this material will undoubtedly know me better as Eyes Only. In the years after the Pulse struck, greed, corruption, and cruelty exploded on a scale I never before imagined possible. Something had to be done. I began working as an investigative journalist to expose the truth, but the truth brought a lot of enemies out of the woodwork. So I went undercover, and EYES ONLY was born. For years, with the help of a lot of good people, we've uncovered many wrongs and made them right. No matter what the dangers, this work needs to survive, and continue . . . especially some of the more explosive facts still need to be revealed. Facts concerning the Grand Coulee massacre, the secret government program known as The Phoenix Project, and the Conclave's breeding program, to name but a few. Putting these documents together in one place poses a big risk—not just to the corrupt, but to the innocent as well. Yet the chance that these truths might remain unspoken is an even bigger risk. People may die, but the truth must live on.

For the Duke's Eyes Only Lenora Bell,2018-09-18 If adventure has a name...it must be Lady India Rochester. The intrepid archaeologist possesses a sharp blade and an even sharper knack for uncovering history's forgotten women. Unfortunately, she has one annoying weakness: the dangerously handsome Duke of Ravenwood. Former best friend. Current enemy. And the man who dared to break her heart. Daniel Bonds, the Duke of Ravenwood, is a thrill-seeking antiquities hunter who only plays by one rule: Never fall in love. He's in it for the fortune and glory. At least that's what he wants the world to think. He's sworn to hide his tangled web of secrets, especially from the one woman he cares about and will protect at any cost. But when a priceless relic is stolen from the British Museum, the rivals must align forces. Racing to recover the stolen antiquity and avert an international disaster? All in a day's work. Avoiding their buried feelings? More and more impossible. For love is about to become the greatest treasure of all. The grand adventure begins...now!

Through Our Eyes Only? Marian Stamp Dawkins,1998 Through Our Eyes Only? is an immensely engaging exploration of one of the greatest remaining biological mysteries: the possibility of conscious experiences in non-human animals. Dawkins argues that the idea of consciousness in other species has now progressed from a vague possibility to a plausible, scientifically respectable view. Written in an accessible and entertaining style, this book aims to show how near -- and how far -- we are to understanding what goes on in the minds of other animals. 'Her approach ... is impeccable ... Her writing is highly accessible, lively and illustrative.' - Booklist on the hardback edition.
