Force Out Tim Green,2013-03-05 New York Times bestselling author Tim Green hits it out of the park with this action-packed baseball novel about some friendly competition. Perfect for fans of Mike Lupica. Joey and Zach have been best friends since forever. As two of the best players in their baseball league, they've always dreamed of playing together on the Center State select team, and they will do anything to help each other get there. So when Zach is forced to go on an extra-credit field trip that could ruin his chances of being picked for the all-star team, Joey comes up with a risky plan to bail him out. As long as no one finds out what they did, all will be fine. Then the unthinkable happens: They learn there's only one spot left on the team. Suddenly Joey and Zach go from being best friends to fierce rivals, and Joey must figure out his next move. He has two options: play the biggest game of his life or use their secret to force Zach out. But is Joey really willing to put everything on the line to win?

Crystal Force Joe Duce,2015-04-02 With enemies on all sides, who can Drake really trust? On the run after escaping from what was supposed to be the world's most secure juvenile facility (and blowing it up in the process), Will Drake knows it's only a matter of time before the sinister Alliance catches up with him. But Drake is in need of an alliance of his own - knowing who to trust is becoming increasingly difficult, and after having been exposed to the highly unstable (and potentially deadly) Crystal-X whilst fleeing from the Rig, it looks like time might be running out for him all together. His arm has started to mutate into an impenetrable black crystal, and although it gives him a superhuman-like ability to fight, it might also be causing him to lose his mind. Surrounded by enemies and desperate for help, Drake and his escapee comrades are forced to form an uneasy partnership with a mysterious group who also claim to have been exposed to Crystal-X. They say they know how to use its powers for good - but can Drake really keep running forever? And who should he trust more - his supposed friends, or the voices in his head...?
