📖 [The Ultimate Guide to Seduction and Foreplay](#) Jessica O'Reilly, Marla Renee Stewart, 2020-04-14 Sex means different things to different people – it's as varied as the different species on the planet. So, seduction and foreplay are not only about getting what you want, but about giving and receiving, teasing and pleasing for the best possible rewards, no matter how you define them. (And, yes, foreplay is sex!) The Ultimate Guide to Seduction & Foreplay teaches readers how to tune into their own desires, become better communicators, and ultimately be more confident, passionate, and attentive lovers. Inspired by fantasies of seduction, Marla and Jess take you on a journey of sexual exploration and help you understand the many factors that add to or inhibit arousal and pleasure on psychological, sociological, and sexological levels. Readers gain a deeper understanding of their own sexual needs and the foundations for greater compatibility and connection. As you explore your own learning and seduction styles (and your lover's), you'll discover and experiment with new and exciting ways to stimulate arousal and deepen intimacy: verbal, emotional, and digital seduction, foreplay, eroticizing daily actions, games, fantasy play, mindfulness, and more. Packed with practical exercises, techniques, and creative ideas — especially for busy couples — this inclusive guide is a surefire way for folks of all genders to master the art of seduction. You don't have to be a rockstar in (or out of) the sack each time you have sex, but this book will help you approach your lovers with the confidence and comfort you deserve! Whether you are adding to your repertoire for later or striving to please your current lover, you'll discover thrilling new pathways to pleasure and intimacy.

📖 [The Art of Foreplay](#) Anthony Ekanem, 2015-01-15 The whole idea of this book is to teach you how to put a woman in the mood so that she will desire to have sex with you over and over again. If you are a man who is having difficulty connecting with your partner when the issue of sex arises, this book will help you to overcome that. Foreplay is one thing women can't get enough. Women are emotional creatures, and that's why they like, enjoy and often need foreplay. So, give her what she wants and she will reciprocate by giving you what you want as well. Unlike men, women don't get aroused fast and easily. This is because their bodies need help to warm up and the lubrication required for intercourse, and their emotions also dictate that they feel a sense of closeness and mutual respect with their partner. All of this can be achieved through foreplay, which will also help your partner feel desired by you.

📖 [100 Best Foreplay Tips](#) Lisa Sussman, 2007-03 Foreplay is not just about turning each other on, it's about getting to know each other and taking pleasure in each other's excitement. The 100 Best Foreplay Tips Ever offers imaginative ways to teach your guy the importance of the pregame show. From kisses to touching, from oral play to role play, these tips will help you enhance your lovemaking, whether it lasts for ten minutes beyond the average foreplay session, through the night or all weekend long.

📖 [The Secrets to Sensational Foreplay](#) Laura Ross, 2011-02-01 The Secrets to Sensational Foreplay teaches you toe-curling touch techniques, creative kissing and mouth moves that will drive your partner crazy, and sultry seduction skills that will stoke all of your senses for maximum responsiveness and pleasure. You'll learn how to take foreplay to the next level with sensual and daring activities that put you in the mood or build the excitement. —Add Adventure and Excitement: Explore edgier foreplay with sex toys, bondage play, and erotica. —Stoke Your Fantasies: Role-playing and sexplay that lets you see your partner in a new way. —Get the Action Out of the Bedroom: Indulge in sensual shower and bathtub play, hot and heavy (yet still hidden) touching in public, and dirty talking and texting.

📖 [Sex in China](#) Fang Fu Ruan, 2013-11-22 China today is sexually (and in many other ways) a very repressive society, yet ancient China was very different. Some of the earliest surviving literature of China is devoted to discussions of sexual topics, and the sexual implications of the Ym and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins. In recent years, a number of books have been written exploring the history of sexual practices and ideas in China, but most have ended the discussion with ancient China and have not continued up to the present time. Fang Fu Ruan first surveys the ancient assumptions and beliefs, then carries the story to present-day China with brief descriptions of homosexuality, lesbianism, transvestism, transsexualism, and prostitution, and ends with a chapter on changing attitudes toward sex in China today. Dr. Ruan is well qualified to give such an overview. Until he left China in the 1980s, he was a leader in attempting to change the repressive attitudes of the government toward human sexuality. He wrote a best selling book on sex in China, and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems. A physician and medical historian, Dr. Ruan's doctoral dissertation was a study of the history of sex in China.
