Now, you can not only record your trades but also strategies you learn from books and on the internet. This is the all-in-one FX trading journal. Don't trade blindly, and commit the same mistakes over and over again. Record and reflect how you trade and you will become a top trader. Book Specifications: -Size: 8 x 10 Large size and spacious for writing-Printed on white paper in the USA-146 Pages -Matte Cover Lamination - Stylish and durable

Forex on Five Hours a Week Raghee Horner, 2010-01-12 A top forex trader reveals how to ease into this market and excel Trading the forex market has become one of the most popular forms of trading, mainly because of its twenty-four-hour access and the fact that there is always a bull market available in this arena. But not everyone is interested in quitting their jobs and spending all day trying to make a living trading. That's where *Forex in Five Hours a Week* comes in. This book shows readers how they can master a few techniques, focus their efforts on their choice of time frame, and profit in the forex market. Readers with a day job and little time to dedicate to the market will learn all they need to know to capture consistent profits

The FX Bootcamp Guide to Strategic and Tactical Forex Trading Wayne McDonell,2008-10-03 A straightforward guide to trading today's dynamic Forex market Written by Wayne McDonell, the Chief Currency Coach at FX Bootcamp, this book shows readers how to successfully trade the Forex market on their own. FX Bootcamp's Guide to Strategic and Tactical Forex Trading skillfully explains how to combine popular technical indicators to formulate a comprehensive market strategy. Readers will then learn how to focus on using this information to create a tactical trading plan--one that will help them pull the trigger to get in and out of a trade. Along the way, McDonell takes the time to discuss the various challenges a Forex trader faces, such as greed, fear, loss, and isolation. As a Forex trader and educator of traders, Wayne McDonell knows what it takes to make it in the competitive world of Forex. And with FX Bootcamp's Guide to Strategic and Tactical Forex Trading he shows readers how.

Trading Journal Amy Newton,2020-08-11 This Trading Journal Log Diary is a perfect way to help you track your overall trades as you make them. Size is 8.5x11 inches, 150 pages, quality white paper, black ink, soft matte finish cover, paperback. Get one today!

Beat the Forex Dealer Agustin Silvani,2009-08-07 The foreign-exchange market is often referred to as the Slaughterhouse where novice traders go to get 'chopped up'. It is one of egos and money, where millions of dollars are won and lost every day and phones are routinely thrown across hectic trading desks. This palpable excitement has led to the explosion of the retail FX market, which has unfortunately spawned a new breed of authors and gurus more than happy to provide misleading and often downright fraudulent information by promising traders riches while making forex trading 'easy'. Well I'll let you in on a little secret: there is nothing easy about trading currencies. If you don't believe me then stop by Warren Buffet's office and ask him how he could lose \$850m betting on the dollar or ask George Soros why his short yen bets cost him \$600m not once but twice in 1994. What's wrong with these guys, don't they read FX books? In reality, the average client's trading approach combined with the unscrupulous practices of some brokers make spot FX trading more akin to the games found on the Vegas strip than to anything seen on Wall St. The FX market is littered with the remains of day traders and genius 'systems,' and to survive in the long-run traders have to realize that they are playing a game where the cards are clearly stacked against them. Have you ever had your stop hit at a price that turned out to be the low/high for the day? Bad luck perhaps? Maybe. What

if it happens more than once? Do you ever feel like the market is out to get you? Well guess what, in this Zero Sum game it absolutely is. Covering the day-to-day mechanics of the FX market and the unsavoury dealings going on, Beat the Forex Dealer offers traders the market-proven trading techniques needed to side-step dealer traps and develop winning trading methods. Learn from an industry insider the truth behind dirty dealer practices including: stop-hunting, price shading, trading against clients and 'no dealing desk' realities. Detailing the dealer-inspired trading techniques developed by MIGFX Inc, consistently ranked among the world's leading currency trading firms, the book helps turn average traders into winning traders; and in a market with a 90% loss rate winning traders are in fact quite rare! More than just a simple manual, Beat the Forex Dealer brings to life the excitement of the FX market by delivering insights into some of the greatest trading triumphs and highlighting legendary disasters; all written in an easy to read style. Make no mistake about it there is a lot of money to be made in currency trading, you just have to know where to look. Sidestepping simple dealer traps is one way of improving your daily p&l, but it is surely not the only one. Successful trading comes down to taking care of the details, which means skipping the theoretical stuff and providing only up-to-date, real-life examples while sharing the FX trading tips that have proved so profitable over the years. By stripping away the theory and getting down to the core of trading, you too will find yourself on the way to beating the forex dealer!

Essentials of Foreign Exchange Trading James Chen,2009-03-11 This currency trading book provides readers with real, practical information on how to trade the foreign exchange market effectively. It begins by covering introductory information on the forex market, including basic trading mechanics and the benefits of forex trading, and then goes on to describe specific currency trading methods and skills in step-by-step detail. This includes highly practical information on technical and fundamental analysis, risk and money management, and powerful forex trading strategies. These strategies have proven extremely effective in helping traders play the forex game to win. JAMES CHEN, CTA, CMT (Montville, NJ) is Chief Technical Strategist at FX Solutions, a leading foreign exchange broker. An expert on forex trading and technical analysis, he is also a registered Commodity Trading Advisor (CTA) and a Chartered Market Technician (CMT). Mr. Chen writes daily currency analysis, leads forex trading seminars, and has authored numerous articles on currency trading strategy and technical analysis for major financial publications. These include Forbes.com, Futures Magazine, Technical Analysis of Stocks and Commodities Magazine, and Stocks, Futures and Options (SFO) Magazine.

Forex Trading Laura Sether,2009 Trading forex is completely different from trading other markets. With low entry costs, 24-hour accessibility, global players and high degrees of leverage, there are enormous opportunities but also very real potential hazards along the way if you don t know what you re doing. Leverage can work both ways you control large positions, but small moves in your favor can mean big returns on your investment. For these reasons, forex trading deserves its own volume, devoted entirely to SFO (Stocks, Futures, Options) Magazine articles explaining the ins and outs of currency trading. Forex traders don t need to follow hundreds of stocks or commodities to get a flavor for the market just the movements of eight major currencies: the U.S. dollar, Japanese yen, European Union euro, British pound, Canadian dollar, Australian dollar, New Zealand dollar and Swiss franc. Trading a country's currency is like trading the outlook for the country, so it helps to have a bit of fundamental knowledge. But it s also a highly technical form of trading. This book helps you assess how to best synthesize your forex strategies to make the most of market movements. Learn from the top forex trading experts in the world. The key to trading currencies is figuring out what central banks will do before they actually make their moves.
