Forex Conquered John L. Person, 2007-04-18 Praise for FOREX CONQUERED In this amazing book, John covers it all. From trading systems to money management to emotions, he explains easily how to pull money consistently from the most complicated financial market in the world. John packs more new, innovative information into this book than I have ever seen in a trading book before. –Rob Booker, independent currency trader John Person is one of the few rare talents that are uniquely qualified to help traders understand the process of successful trading. With today's markets becoming increasingly challenging, John has cut right into the essentials and brought forward the much-needed tools of forex trading. This clear and well-organized publication is a major step forward in helping traders gain an edge. I would highly recommend *Forex Conquered* as a valuable handbook for both aspiring and experienced traders alike. –Sandy Jadeja, Chief Market Analyst and Editor London Stock Exchange, London, England *Forex Conquered* is a bold title, but this book delivers the tools needed for successful forex trading. There is no fluff here, just the wisdom of a trading veteran that I have always respected and followed. –Michael Kahn, Editor, Quick Takes Pro market letter and Columnist, Barron's Online This is a wonderful, in-depth view into the explanation of technical analysis and prudent money management guidelines in the forex market. –Blake Morrow, President, 4X Made Easy *Forex Conquered* is a meaningful contribution to the growing number of books on forex trading. John Person provides a professional view of forex trading that readers will be able to use as a guide for strategies and tactics that work. The scope of the book covers more than forex and includes salient aspects of futures and option trading. It should be read and then re-read! –Abe Cofnas, President, Learn4x.com Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Wade Hansen,2010-08-03 Profiting with Forex introduces investors to all the advantages of the global foreign exchange market and shows them how to capitalize on it. Readers will learn why forex is the perfect supplement to stock and bond investing; why it is unrivaled in terms of protection, profit potential, and ease of use; and how it can generate profits, whether the other markets are up or down. Written by two leading forex experts, this complete investing resource uses basic economic principles, solid technical analysis, and lots of common sense to develop an arsenal of tools and techniques that will lead to winning results in the lucrative foreign exchange marketplace. Profiting with Forex includes everything that investors need to know about: The many advantages of the forex market: huge market size, ease of entry, profit potential, tax incentives, 24-hour trading, no commissions, increased leverage, and guaranteed stops The basic terms of forex trading: definitions of important concepts, including pip, currency pair, contract or lot, and more Genesis and growth of the forex market: how the forex market emerged out of a changing global financial landscape and continues to change and adapt with that same volatile landscape Fundamental factors that shape the Forex market: the U.S. government, inflation, the U.S. stock market, China and other emerging markets, oil, and breaking

news Fundamental tools for tracking Forex market changes: interest rates, Treasury International Capital Data, Consumer Price Index, S&P 500, U.S. dollar vs. Chinese yuan, balance of trade, crude oil futures, and news media Technical analysis tools and indicators for gauging market sentiment: moving averages, oscillating indicators such as, stochastics, Commodity Channel Index, Relative Strength Index, Fibonacci analysis, and others Filled with over 150 illustrations and figures, Profiting with Forex also shows investors how to combine their newly acquired knowledge of Forex fundamentals with proven trading techniques that can generate great rewards in the market.

Thirty Days of FOREX Trading Raghee Horner, 2012-07-03 Whether you're a full-time trader looking to make a living or a part-time trader looking to make some extra money, the foreign exchange (forex) market has what you desire--the potential to make sizeable profits and 24/7 accessibility. But to make it in today's forex market, you need more than a firm understanding of the tools and techniques of this discipline. You need the guidance of someone who has participated, and prevailed, in this type of fast-paced environment. Raghee Horner has successfully traded in the forex market for over a decade, and now, in *Thirty Days of Forex Trading*, she shares her experiences in this field by chronicling one full month of trading real money. First, Horner introduces you to the tools of the forex trade, and then she moves on to show you exactly what she does, day after day, to find potentially profitable opportunities in the forex market. Part instructional guide, part trading journal, *Thirty Days of Forex Trading* will show you--through Horner's firsthand examples--how to enter the forex market with confidence and exit with profits.

Getting Started in Forex Trading Strategies Michael D. Archer, 2008-02-04 A Highly Visual Guide To Developing A Personal Forex Trading Strategy *Getting Started In Forex Trading Strategies* A great next step to read for the beginning trader. It contains practical advice and resources on trading FOREX that only come with experience. - Derek Ching, President, Hawaii Forex We have members from over 125 countries on our Web site and plan to make *Getting Started in Forex Trading Strategies* a 'must read' for those looking to trade the FOREX market. It is good to see a book that emphasizes the importance of other elements, such as money management, which are crucial to master if one is to stay in this game. Well done! -Jay Meisler, cofounder, Global-View.com Written in a straightforward and accessible style, *Getting Started in Forex Trading Strategies* is a highly visual guide to foreign exchange trading that introduces you to the Codex Method--a proven process that allows you to tailor a trading strategy to your own personal preferences. Divided into four comprehensive parts, this reliable resource opens with a brief overview of traditional FOREX strategies. From here, author Michael Duane Archer outlines his own personal codex--as he guides you through the process of developing yours--and reveals how to use this approach to make, monitor, and exit a trade. Along the way, Archer reveals the best ways to implement your strategy and discusses the importance of consistently keeping trading records. In his previous book, *Getting Started in Currency Trading*, Archer set a solid foundation for trading the currency market by illustrating how it operated. Now, with *Getting Started in Forex Trading Strategies*, Archer goes a step further by showing you how to cultivate a personal trading strategy that will allow you to succeed within this dynamic environment.

Forex Secret Trading Model Rich Finegan, 2014-07-05 Do you know why flower stores buy roses near valentine's day?

Yes, the market trend are roses and also good selling price in that period. Trend and price are the key factors in business and do not expect flower stores or any stores use technical analysis tools such as MACD, RSI, Stochastic, DMI, etc. to buy and sell products to customers, but why are we using technical analysis tools to buy or sell currency product in forex market? Market trend and price are the main tools in any business concept including forex trading. Technical analysis tools such as RSI, MACD, DMI, Stochastic, etc. are important but they are not the main tools, we are using them as second confirmation in forex trading. This book will present the combination of trend line, price and technical analysis tool which create a powerful trading model to catch more opportunities and avoid unnecessary disaster in forex market. You will see the forex market differently once you know the concept and understanding the trading model.
