

Fox Chase Bank

James Smith McMaster

The Fox Chase James Bowen Everhart,1874

SAVE! America Tom Petro,Kris Messner,2009-11 Can you imagine a banker telling you not to use your credit card or your debit card? Can you imagine a banker urging you to pay off your loans quickly? This is exactly the kind of candid, refreshingly honest advice you'll hear from Fox Chase Bank CEO Tom Petro and his wife, consultant, and former banker, Kris Messner. Drawing on decades of financial experience, Tom and Kris explode the money myths that cripple our thinking. Then they share their personal experiences as they present their step-by-step system for getting out of debt and achieving true financial freedom. Don't wait another minute to take control of your financial life. With Tom and Kris's sure-footed guidance and with the tools you'll find in **SAVE! America** anyone can do it! These seven principles of financial freedom will teach you how to gain financial control by living within (or below) your means. A must-read if you are serious about changing the way you think about money. John Ballbach, Chairman, President, and CEO, VWR International, LLC **SAVE! America** is as wise as it is practical. It is a must read in these challenging times actually, for all times. It is a wonderfully written primer on an essential freedom, for none of us is free unless we are free economically. I heartily recommend this book to everyone. David Black, President, Eastern University
