Mighty Storms of New England Eric P. Fisher,2021-10-21 The New England landscape has long been battered by some of the most intense weather in the United States. The region breeds one of the highest concentrations of meteorologists in the country for a reason. One can experience just about anything except a dust storm. Snowstorms, floods, droughts, heat waves, arctic blasts, hurricanes, tornadoes, wildfires, and other atmospheric oddities come and go with the changing seasons. Rare is the boring year of weather. Knowing the past is a critical part of understanding and forecasting the weather. Meteorologist Eric Fisher takes an in depth look at some of the most intense weather events in New England's history. The stories in this book not only describe the loss and the damage caused by the storms, but also how nearly all of them in left such an impression that they immediately led to progress where new warnings systems were implemented, government agencies formed, and technology accelerated in response to the devastation these events left behind.

The Storm Ivor van Heerden,Mike Bryan,2006-05-18 The ultimate inside story of the Katrina tragedy—from the cofounder of the LSU Hurricane Center After warning for years about the looming threat of catastrophic flooding in New Orleans, Ivor van Heerden was one of the highest-profile media experts during the Katrina disaster. Over the following eighteen months, he was even more prominent as he challenged the official version of those events and campaigned for an engineering plan that would protect all of southeastern Louisiana, once and for all. In *The Storm*, van Heerden lays out in full detail the stunning incompetence among the bureaucrats, the politicians, and the Army Corps of Engineers that culminated in the catastrophe that crippled, perhaps forever, a great American city.

Storm Chaser ,2017-09-15 In this book, David Mayhew takes you on an unforgettable journey across tornado alley in the United States to witness the power and beauty of tornadoes, lightning storms, and stunning storm and fair-weather cloud formations and into Iceland to experience the majestic northern lights.--Back cover.

The Midwest Survival Guide Charlie Berens,2021-11-16 New York Times Bestseller A hilarious full-color guide to Midwestern culture, from comedian and journalist Charlie Berens, creator of the viral comedic series *The Manitowoc Minute* Have you ever had a goodbye lasting more than four hours? Do you lack the emotional capacity to say “I love you” so you just tell your loved ones to “watch out for deer”? Have you apologized to a stranger because she stepped on your foot? If you answered yes to any of these questions, there's a good chance you're a Midwesterner—or a Midwesterner at heart. Even if you answered no, you probably know someone who held the door for you from two football fields away. He likely waved at you and said, “Hey there,” like you organized the church bar crawl together. That was a Midwesterner in the wild. We understand that your interaction was strange—but it's likely to get stranger. Don't wait until they stick their head in your second-floor window to invite you over for a perch fry because they climbed on your roof to clean your gutters. There's no need to pull the pepper spray; this species is helpful by nature. And the relationship could be very symbiotic—but only if you let it happen. And that's where this book comes into play. Inspired by my comedy tours across the Midwest and life growing up in Wisconsin, this book is an exploration into my favorite region on Earth. Some may think the Midwest is just a bunch of bland flyover states filled with less diversity than a Monsanto monoculture. But scratch that surface with your buck knife and you'll find rich cultures and traditions proving we're more than just fifty shades of milk. So whether you're a born-and-bred Midwesterner looking to sharpen your skill at apologies or a costal elite visiting the in-laws for the holidays, this book will help you navigate the Midwest, with everything from the best flannel looks to dating and mating rituals (yes, casserole is involved) to climbing the corporate corn silo to how to handle a four-way stop—and every backyard brat fry in between. And for those of you who don't like reading, don't worry—we've got pictures! Toss in illustrations, sidebars, quizzes, and jokes worthy of a supper club stall and *The Midwest Survival Guide* is just the walleye-deep look into this distinctive, beautiful, and bizarre American culture you've been looking for.

Eleanor Roosevelt on Screen Angela S. Beauchamp,2023-11-30 Eleanor Roosevelt recognized the power of film and television, especially as educational tools to reach young people. She hosted three political talk shows in the 1950s and early 1960s, often appearing in guest spots to promote the United Nations, Democratic candidates, and progressive issues with Ed Sullivan, Bob Hope, Frank Sinatra, Mike Wallace, and Edward R. Murrow. In the 1930s and '40s, fan magazines such as *Photoplay* and *Modern Screen* published her opinions on the movies, and she boldly appeared in an interventionist prologue to the 1940 anti-Nazi film *Pastor Hall*. During World War II, she contributed to civil defense films and became a staple joke in Hollywood comedies. She also negotiated postwar representations of FDR on the big screen, culminating in 1960's *Sunrise at Campobello*, which portrayed her as the perfect wife. This book is the first to address Eleanor Roosevelt's moving image record and her relationship to film and television in the three decades from the 1932 presidential campaign to her death in 1962.

The Tattooed Lady Amelia Klem Osterud,2014-11-06 Living in a time when it was scandalous even to show a bit of ankle, a small number of courageous women covered their bodies in tattoos and traveled the country, performing nearly nude on carnival stages. These gutsy women spun amazing stories for captivated audiences about abductions and forced tattooing at the hands of savages, but little has been shared of their real lives. Though they spawned a cultural movement—almost a quarter of Americans now have tattoos—these women have largely faded into history. *The Tattooed Lady* uncovers the true stories behind these women, bringing them out of the sideshow realm and into their working class realities. Combining thorough research with more than a hundred historical photos, this updated second edition explores tattoo origins, women's history, circus lore, and includes even more personal and professional details from modern tattooed ladies. A fascinating read, *The Tattooed Lady* pays tribute to a group of unique and amazing women whose legacy lives on.

Four Perfect Pebbles Lila Perl, Marion Blumenthal Lazan, 2016-10-18 The twentieth-anniversary edition of Marion Blumenthal Lazan’s acclaimed Holocaust memoir features new material by the author, a reading group guide, a map, and additional photographs. “The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what’s said and in what is left out.”—ALA Booklist (starred review) Marion Blumenthal Lazan’s unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler’s rise to power, the Blumenthal family—father, mother, Marion, and her brother, Albert—were trapped in Nazi Germany. They managed eventually to get to Holland, but soon thereafter it was occupied by the Nazis. For the next six and a half years the Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Their story is one of horror and hardship, but it is also a story of courage, hope, and the will to survive. Four Perfect Pebbles features forty archival photographs, including several new to this edition, an epilogue, a bibliography, a map, a reading group guide, an index, and a new afterword by the author. First published in 1996, the book was an ALA Notable Book, an ALA Quick Pick for Reluctant Readers, and IRA Young Adults’ Choice, and a Notable Trade Book in the Field of Social Studies, and the recipient of many other honors. “A harrowing and often moving account.”—School Library Journal
