**A Guide to Thieves' Guilds** Todd Leback, 2019-06-15 This book provides an abstract system for running thieves' guilds in any OSR-style game. While written for Old School Essentials, the system contained is easily adapted to other rulesets. It provides guidelines for establishing and recruiting for a guild, generating revenue, and resolving conflicts with rival Guilds, with a focus on higher-level play for thief and assassin characters.

**Overcoming School Refusal** Joanne Garfi, 2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. **Overcoming School Refusal** helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

**Quiver** Peter Leonard, 2009-09-17 Kate McCall's husband has been killed by her teenage son, Luke, in a tragic bow-hunting accident. In the aftermath, Jack, a charismatic but troubled ex-con from Kate's past, shows up. When Luke takes off on his own for their rural Michigan cabin, Kate and Jack follow, but they're not the only ones hot on his heels. Two-time losers Teddy and Celeste, along with hitman DeJuan, are all looking to cash in on the money left to Kate. As they all head for the woods of Northern Michigan, events rapidly spiral towards a dramatic life-and-death confrontation. Filled with unforgettable characters, razor-sharp dialogue and masterful plotting, *Quiver* displays the remarkable maturity and verve of a hugely exciting first-time novelist.

Rent Jonathan Larson, 1997-05-21 In these pages, *Rent* offers what most theater books can't: a chance to step behind the curtain and feel the electricity of a stage phenomenon as it unfolds. *Rent* has single-handedly reinvigorated Broadway and taken America by storm. Sweeping all major theater awards, including the 1996 Pulitzer Prize for drama, as well as four 1996 Tony Awards including Best Musical, Best Book, and Best Score for a Musical, *Rent* captures the heart and spirit of a generation, reflecting it onstage through the emotion of its stirring words and music, and the energy of its young cast. Now, for the first time, *Rent* comes to life on the page -- through vivid color photographs, the full libretto, and an utterly compelling behind-the-scenes oral history of the show's creation. Here is the exclusive and absolutely complete companion to *Rent*, told in the voices of the extraordinary talent behind its success: the actors, the director, the producers, and the librettist and composer himself, Jonathan Larson, whose sudden death, on the eve of the first performance, has made *Rent*'s life-

affirming message all the more poignant.

**Maid** Stephanie Land,2019-01-22 A single mother's personal, unflinching look at America's class divide (Barack Obama), this New York Times bestselling memoir is the inspiration for the Netflix limited series, hailed by Rolling Stone as a great one. At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. *Maid* is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a nameless ghost who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. *Maid* is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit. A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work. -PRESIDENT BARACK OBAMA, Obama's Summer Reading List

*Munich* Robert Harris,2018-01-16 NEW YORK TIMES BESTSELLER • From the bestselling author of V2 and Fatherland—a WWII-era spy thriller set against the backdrop of the fateful Munich Conference of September 1938. Now a Netflix film starring Jeremy Irons. With this electrifying novel about treason and conscience, loyalty and betrayal, Harris has brought history to life with exceptional skill (The Washington Post). Hugh Legat is a rising star of the British diplomatic service, serving at 10 Downing Street as a private secretary to the Prime Minister, Neville Chamberlain. Paul von Hartmann is on the staff of the German Foreign Office--and secretly a member of the anti-Hitler resistance. The two men were friends at Oxford in the 1920s, but have not been in contact since. Now, when Hugh flies with Chamberlain from London to Munich, and Hartmann travels on Hitler's train overnight from Berlin, their paths are set on a disastrous collision course. And once again, Robert Harris gives us actual events of historical importance--here are Hitler, Chamberlain, Mussolini, Daladier--at the heart of an electrifying, unputdownable novel.

*Betty Dodson Bodysex Basics* Carlin Ross,Betty Dodson,2017-02-24 Betty Dodson ran Bodysex workshops for over 25 years. They grew out of the consciousness raising groups feminists started in the 1970's. Women would gather together and talk first person about their personal lives. Betty took it one step further and had women answer two questions: how do you feel about your body & how do you feel about your orgasm. She called her workshops physical and sexual consciousness raising which she later shortened to Bodysex. Betty and Carlin filmed a workshop in 2011 and, based upon demand, started running groups again. It became clear that women wanted to run their own workshops following Betty's model of body pride, sisterhood, and independent orgasm. To date, we've certified 45 women to run workshops in 10 countries and 17 states. This book is a manual describing how to run a workshop from beginning to end. Our hope is that Bodysex spreads across the globe so that future generations of women can learn how to love themselves and their bodies
