<u>Hreinn Friðfinnsson</u> Hreinn Friðfinnsson,Frédéric Paul,Centre d'art contemporain du domaine de Kerguéhennec,2002 Portseinn Surtr dreamed he was awake but everyone else was asleep; then he dreamed he fell asleep and everyone else woke up. An excerpt from the Book of the Icelanders (c. 1125), the above phrase is set near the center of this monograph on Hreinn Fridfinnsson, whose poetic, surrealistic work it surveys.

<u>Paul Gauguin</u> Tobia Bezzola, Paul Gauguin, Elizabeth Prelinger, 2012 The rarely seen works collected in this volume comprise nearly the entire print output of Paul Gauguin. Universally revered as one of the founding fathers of modern painting, Paul Gauguin was also an accomplished printer. Working mostly in woodcuts, he translated his fascination with life in the South Seas into pieces of extraordinary beauty and simplicity. This volume presents the three print series that Gauguin created: a dozen zinc etchings made in 1889; his most famous series, the partially hand-tinted woodcuts created for his famed book Noa Noa, which were made after Gauguin's first trip to Tahiti; and a third series of woodcuts completed during his second stay on the island. This small printed oeuvre demonstrates how the medium was an ideal outlet for Gauguin's experimental and audacious artistry. 0Exhibition: Kunsthaus Zürich, Switzerland.
