On Thin Ice Bambi Lynn Loving,2010-07-02 One night, at the end of a tragic year, Francine Rose Reed makes her yearly pilgrimage to the family cemetery to visit her deceased father's grave. While there, she has an unexpected visit from her heavenly father, God. During that nightly visitation she gets to do what others only dream about; to ask God anything she wants, and does she ever have a lot to ask him! Their open,and often poignant,conversation threads throughout the telling of the past year's events. With concern over her mentally ill twin brother, who's been the sole caretaker of their overbearing mother, to the tending of her chronically ill husband, along with fighting her own tobacco addiction, Fran has a plate full of worry and a heart filled with questions. The answers God gives her are sometimes painful and funny, but all of them lead her to the understanding that, while some doors close, others open, and with them, new opportunities and relationships. She also learns that there is a God and he not only cares and demonstrates generosity, but eagerly waits at the end of the road with arms wide open.

**The Farfield Curse** Kaleb Nation,2014-04-01 What if your mother was a criminal? What if her crime was magic? What if magic ran in the family? Bran Hambric was found alone in a locked bank vault when he was six years old. He doesn't have a clue how he got there, or any memory of his past. There's only one explanation: Magic. But magic is outlawed in the Great and Glorious City of Duncce. Eight years later, a twisted, hissing creature confronts Bran and his foster father, Sewey, on their rooftop. Sewey believes it's a gnome, but not Bran. (Sewey isn't the brightest Duncclander to being with.) Bran soon discovers that whatever leapt onto his roof is connected to the mother he never knew...and that Bran himself is the missing link in a plot so secret and evil that those behind it will stop at nothing to hunt him down. Armed with wands and weapons, Bran's enemies are about to attack - with all the power of a horrible curse and a terrible crime. Magic won't be the only law broken in the City of Duncce...

**Spirit Week** Ira Marcks,2022-10-25 Secret rooms, eerie curses, forgotten caves. Could you survive a week in the Underlook Hotel? Aspiring engineer Suzy Hess is invited to the famous Underlook Hotel, domain of the reclusive horror writer Jack Axworth, in the mountains above her hometown of Estes Park, Colorado. Suzy thinks she's there to tutor Jack's son, Danny, but instead she finds herself investigating a local curse that threatens the landmark hotel. With the help of Elijah Jones, an amateur filmmaker who thought he'd been asked to make a film about the so-called King of Horror; Rena Hallorann, the hotel's caretaker; and Danny, who knows more than he's letting on, Suzy sets out to solve the mystery at the heart of the Underlook, one that holds the town of Estes Park in its grasp. With only a week to save the hotel—and the town—the friends find themselves racing against time to uncover the shadows of the past.

**Chicago's Grand Hotels** Robert V. Allegrini,2005-11-09 Architecturally imposing, historically rich, and socially important, Chicago's magnificent grand hotels have fascinated generations of Chicagoans and have pleased generations of guests. The Palmer House Hilton, The Drake, and The Hilton Chicago have come to represent a collective formal living room for Chicago, where the city's most important visitors are accommodated, entertained, and made aware of the grandeur and sophistication of their host's hometown. They were built to inspire awe--and still do for anyone fortunate enough to find themselves in the lobby of The Palmer House Hilton, The Palm Court of The Drake, or the Grand Ballroom of The Hilton Chicago. Many of the most famous locales in these classic structures have been transformed or have disappeared altogether due to changing times. Gone, for example, is The Hilton Chicago's famous rooftop miniature golf course and Boulevard Room supper club, complete with its ice shows. Gone, too, is The Drake's legendary supper club, the Camellia House. While the Empire Room of The Palmer House Hilton continues to exist as an function room, it no longer reverberates with the sound of Liberace's piano or Jimmy Durante's vocals, as it did when it was the city's premier entertainment facility. Chicago's Grand Hotels chronicles over 100 years of Chicago hotel history through vivid photographs and memorabilia from the archives of The Palmer House Hilton, The Drake, and The Hilton Chicago. It tells the compelling story of the visionary architects and hoteliers who brought these hotels to life and made them structural testaments to the warmth of midwestern hospitality.

Harken Kaleb Nation,2013-01-13 Michael Asher is a prodigy for hire, born with the unexplainable ability to read a glimpse of someone's thoughts through their eyes. Truth-seekers venture from all over the country to his small hometown in California, desperate to know the truth about spouses and business partners, willing to pay the highest price for his gift. But the same whispers that made Michael an underground celebrity reach the ears of someone who has been hunting for him. What should have been just another work night sends Michael running for his life from a madman assassin-a killer who isn't human. Following clues left by his attacker, Michael uncovers a secret society operating higher than any earthly power, one whose orders are obeyed even by the world's most powerful leaders. Anyone asking the wrong questions has already been silenced. But Michael thinks there's another who survived, a name his assassin kept: Callista. She might have the answers... or she might already be dead. Dodging the crosshairs of the world's largest conspiracy, Michael must uncover the truth that humanity is not being told before the hunters find him again.

**Financial Performance Representations** Stuart Hershman,Joyce G. Mazero,2008 This book sheds light on all aspects of earnings claims, including defining what an earnings claim really is, the origins of its regulation under the franchise disclosure laws, how a franchisor should prepare an earnings claim, how a franchisee should use an earnings claim, how a franchisee may attack lawful and unlawful earnings claims, how a franchisor may defend against such attacks, and how the government franchise enforcement authorities, investigate unlawful earnings claim activity.

includes a fresh food supply of two cows. Pandemonium breaks out when Great-Aunt Dorothea is faced with a cow in her lounge. The spooked second cow stumbles into the Time Ship’s controls, despatching the Ship into the past at ‘Lost Island’. Then the youngsters discover the Time Ship’s mysterious source of power and the odds of their survival and their future change spectacularly.

**Mayhem** Sigrid Rausing,2017-09-05 A searingly powerful memoir about the impact of addiction on a family. In the summer of 2012 a woman named Eva was found dead in the London townhouse she shared with her husband, Hans K. Rausing. The couple had struggled with drug addiction for years, often under the glare of tabloid headlines. Now, writing with singular clarity and restraint, Hans’ sister, the editor and publisher Sigrid Rausing, tries to make sense of what happened. In Mayhem, she asks the difficult questions those close to the world of addiction must face. “Who can help the addict, consumed by a shaming hunger, a need beyond control? There is no medicine: the drugs are the medicine. And who can help their families, so implicated in the self-destruction of the addict? Who can help when the very notion of ‘help’ becomes synonymous with an exercise of power; a familial police state; an end to freedom, in the addict’s mind?” An eloquent and timely attempt to understand the conundrum of addiction—and a memoir as devastating as it is riveting.

**Farborn (Maxim Colonies 2)** Lesli Richardson,2019-07-30 He's not from around here... Davies McKellan is a man without a true home. Except duplicity and deadly secrets are a killer combo that'll make any man rethink his past. And if the eight-foot-tall green alien is Davies' future, he might be down for that. He's got priorities, though. Like making sure they uncover the truth first, and don't die in the process. Book 2 in the Maxim Colonies series. This sci-fi/space opera romance features a male human and a non-binary alien paring, a life-or-death interstellar showdown, m-preg, aliens who look like aliens, smol and tall pairing, and a guaranteed HEA!
