*Craig & Fred* Craig Grossi, 2017-10-31 The uplifting and unforgettable true story of a US Marine, the stray dog he met on an Afghan battlefield, and how they saved each other and now travel America together, spreading the message of stubborn positivity. In 2010, Sergeant Craig Grossi was doing intelligence work for Marine RECON—the most elite fighters in the Corps—in a remote part of Afghanistan. While on patrol, he spotted a young dog with a big goofy head and little legs who didn't seem vicious or run in a pack like most strays they'd encountered. After eating a piece of beef jerky Craig offered—against military regulations—the dog began to follow him. Looks like you made a friend, another Marine yelled. Grossi heard, Looks like a 'Fred.' The name stuck, and a beautiful, life-changing friendship was forged. Fred not only stole Craig's heart; he won over the RECON fighters, who helped Craig smuggle the dog into heavily fortified Camp Leatherneck in a duffel bag—risking jail and Fred's life. With the help of a crew of DHL workers, a sympathetic vet, and a military dog handler, Fred eventually made it to Craig's family in Virginia. Months later, when Craig returned to the U.S., it was Fred's turn to save the wounded Marine from Post-Traumatic Stress. Today, Craig and Fred are touching lives nationwide, from a swampy campground in a Louisiana State Park to the streets of Portland, Oregon, and everywhere in between. A poignant and inspiring tale of hope, resilience, and optimism, with a timeless message at its heart—it is not what happens to us that

matters, but how we respond to it—Craig & Fred is a shining example of the power of love to transform our hearts and our lives.

**Fred MacMurray - A Biography** Charles

Tranberg, 2016-10-21 BEST BOOK OF THE YEAR -

Classic Images ...an outstanding, substantial read. Tranberg always tries to go the extra mile with his biographies (Agnes Moorehead), and it's nice to see an even balance between the private life and the movies. Fred MacMurray, one of the most durable stars in motion picture history, arrived in Hollywood in 1934. Within a year, he was one of the top leading men in the movie industry and continued through to 1973, when Walt Disney Studios released his final starring role in Charley and the Angel. His career spanned thirty-nine years and five decades; few stars have equaled that distinction. He first peaked as a Paramount leading man in 1935 until the end of World War 2. During post-war years, public tastes changed, yet he persevered in a variety of pictures that registered strongly with audiences and critics, such as *The Egg and I* (1947), and especially *The Caine Mutiny* (1954). Throughout the 1950s, Fred appeared in ten Westerns, until Walt Disney cast Fred in his studio's first live action comedy, *The Shaggy Dog*, made for under \$1 million yet the third biggest box office hit of that year. Over the next several years, Fred starred in a series of hugely popular Disney films. In 1960, the *My Three Sons* television series made him a household word for the next twelve years, becoming a quintessential father figure for a new

generation of kids. The author draws from commentaries by actors, producers, and directors that worked with Fred. 392 pages. Illustrated.

**American Theatre: A Chronicle of Comedy and Drama 1914-1930** Gerald Bordman, 1995 The American Theatre series discusses every Broadway production chronologically--show by show and season by season. It offers plot summaries, production details, names of leading actors and actresses--the roles they played, as well as any special or unusual aspects of individual shows. This second volume in the series, covers what is probably the richest period in American theater, the years 1914 through 1930. Bordman includes most of Eugene O'Neill's work, along with playwrights as diverse as Elmer Rice and George Kaufman. Among the era's stars one finds John and Ethel Barrymore, Helen Hayes, Katherine Cornell, and Lynn Fontaine and Alfred Lunt. Considering the sheer number of productions, American theater climbed to its all-time high in the 1920s; by mid-decade, nearly 300 new plays appeared on Broadway each year. America saw more theatrical activity--in every sense of the word-- than any time before or since.

**The Promise of Elsewhere** Brad Leithauser, 2020-02-25 A comic novel about a Midwestern professor who tries to prop up his failing prospects for happiness by setting out on the Journey of a Lifetime. Louie Hake is forty-three and teaches architectural history at a third-rate college in Michigan. His second marriage is collapsing, and he's facing a potentially disastrous medical diagnosis. In an attempt to fend off what has become a soul-

crushing existential crisis, he decides to treat himself to a tour of the world's most breathtaking architectural sites. Perhaps not surprisingly, Louie gets waylaid on his very first stop in Rome--ludicrously, spectacularly so--and fails to reach most of his other destinations. He embarks on a doomed romance with a jilted bride celebrating her ruined marriage plans alone in London. And in the Arctic he finds that turf houses and aluminum sheds don't amount to much of an architectural tradition. But it turns out that there's another sort of architecture there: icebergs the size of cathedrals, bobbing beside a strange and wondrous landscape. It soon becomes clear that Louie's grand journey is less about where his wanderings have taken him and more about where his past encounters with romance have not. Whether pursuing his first wife, or his estranged current wife, or the older woman he kissed just once a quarter-century ago, Louie reveals himself to be endearing, deeply touching, wonderfully ridiculous . . . and destined to find love in all the wrong places.

**The Fred Factor** Mark Sanborn, 2004-04-20 NEW YORK TIMES BESTSELLER • The true story of a seemingly ordinary mail carrier whose approach to work and life has the power to transform the everyday into the extraordinary "This beloved business classic has inspired millions of people over the years, and today Mark Sanborn's transformative insights are more timely and necessary than ever."—Jon Gordon, author of *The Energy Bus* and co-author of *The Coffee Bean Meet Fred*. In this small yet powerful book, Mark Sanborn, member of the Speaker

Hall of Fame, recounts the story of a USPS carrier who introduced himself one day shortly after Sanborn had moved to a new home in Denver. Fred, however, was no average mailman. As Sanborn came to discover, Fred was the kind of worker who exemplifies everything “right” with customer service. Did people want packages left on the porch or prefer a notice to pick them up at the post office? Fred made sure he knew the answer. When another delivery service left a package at the wrong house, Fred shepherded it safely to the intended recipient. Others might have seen delivering mail as less-than-glamorous work, but Fred seized the chance to find meaning in the mundane, competing with himself every day to find opportunities to make his customers smile. We’ve all encountered people like Fred. In this deeply inspiring book, Sanborn illuminates the four basic principles anyone can use to bring fresh energy and creativity to our work and life: how to make a tangible difference every day, build stronger relationships, create real value for others without spending a penny, and constantly reinvent yourself.

*Life of Fred* Stanley Fredric Schmidt, 2011 The idea behind *Life of Fred* is that if students have an enjoyable experience and have fun doing their math, they will remember it and use it and have a good taste in their math about the whole subject. The sub-title on each of his math books is As Serious As it Needs to Be. And that is just the point: math doesn't need to be horrid and dry. This is math-just as serious as it needs to be-and I can tell you from my child's smiles and

chuckles, that's not very serious at all! As a bonus, these books are very low priced compared to any other math books on the market. (Compare to Saxon at 50-70). If you have a creative child who is languishing on traditional math programs, try Life of Fred! Math, As Serious As it Needs to Be!

**Fred Gets Dressed** Peter Brown, 2021-05-04 From a New York Times bestselling author and Caldecott-honor winning artist comes an exuberant illustrated story about playing dress up, having fun, and feeling free. The boy loves to be naked. He romps around his house naked and wild and free. Until he romps into his parents' closet and is inspired to get dressed. First he tries on his dad's clothes, but they don't fit well. Then he tries on his mom's clothes, and wow! The boy looks great. He looks through his mom's jewelry and makeup and tries that on, too. When he's discovered by his mother and father, the whole family (including the dog!) get in on the fun, and they all get dressed together. This charming and humorous story was inspired by bestselling and award-winning author Peter Brown's own childhood, and highlights nontraditional gender roles and self-expression.

**Funky Nassau** Timothy Rommen, 2011-05-19 This book examines the role music has played in the formation of the political and national identity of the Bahamas. Timothy Rommen analyzes Bahamian musical life as it has been influenced and shaped by the islands' location between the United States and the rest of the Caribbean; tourism; and Bahamian colonial and postcolonial history. Focusing on popular music in the second half of

the twentieth and early twenty-first centuries, in particular rake-n-scrape and Junkanoo, Rommen finds a Bahamian music that has remained culturally rooted in the local even as it has undergone major transformations. Highlighting the ways entertainers have represented themselves to Bahamians and to tourists, *Funky Nassau* illustrates the shifting terrain that musicians navigated during the rapid growth of tourism and in the aftermath of independence.

**Michael Vey 2** Richard Paul Evans, 2012-08-14

Michael must save his mother—and protect his powers—in the electric sequel to the #1 New York Times bestselling *Michael Vey*, from Richard Paul Evans. I rolled over to my back, struggling for breath. The pain continued to pulse through my body—a heavy throb followed by a sharp, crisp sting. The man said, “Trust me, there are worse things in this world than Cell 25.” Michael, Taylor, Ostin, and the rest of the Electroclan have escaped from the Elgen Academy in Pasadena and are headed back to Idaho to plan their next move. But what’s waiting for them there will change everything. After using their wits and powers to narrowly escape an Elgen trap, a mysterious voice leads the Electroclan to the jungles of Peru in search of Michael’s mother. Once there, they discover that Dr. Hatch and the Elgen are far more powerful than anyone realizes; entire countries have begun to fall under their control. Only the Electroclan and an anonymous voice now stand in the way of the Elgen’s plan for

global domination. But is the voice that Michael is following really an ally, or is it just another Elgen trap?

**The Remarkable Story of Fred Spiksley** Mark Metcalf, 2021-07-30 Gainsborough's Fred Spiksley was one of the first working class youngsters in 1887 to live 'the dream' of becoming a professional footballer, before later finding a role as a globe-trotting coach. He thus dodged the inevitability of industrial, poorly paid, dangerous labour. Lightning fast, Spiksley created and scored hundreds of goals including, to the great joy of the future Queen Mary who chased him down the touchline, three against Scotland in 1893. The outside left scored both Sheffield Wednesday's goals in the 2-1 defeat of Wolves in the 1896 FA Cup Final at the Crystal Palace. Forced by injury to stop playing at aged 36, Spiksley adventured out into the world. He acted with Charlie Chaplin, escaped from a German prison at the start of the First World War and later made the first 'talking' football training film for youngsters. As a coach/manager he won titles in Sweden, Mexico, the USA and Germany, becoming the last Englishman to coach a German title-winning team with 1FC Nuremberg in 1927. He coached in Barcelona in 1932 and it was only after his involvement had exceeded 50 years, during which time, as this book explains, the game changed dramatically, did Spiksley's football career end. As an addicted gambler and womaniser, Spiksley had his problems away from football. However, he was

beloved by his football fans, including Herbert Chapman, the greatest manager of that era in English football who, towards the end of his life, picked him in his finest XI.

**Selected Musical Plays by Noël Coward: A Critical Anthology** Noël Coward, 2022-08-25 Although Noël Coward's work as playwright, songwriter and actor has long been celebrated, his contributions to the British musical have largely been forgotten. **Selected Musical Plays by Noël Coward: A Critical Anthology** rectifies this omission from the musical theatre landscape, demonstrating how Coward's adaptability, creativity, and myriad of styles is imitated in the incredible musicals he authored. From flop shows at Drury Lane with Mary Martin through to his Broadway hits with Elaine Stritch, this anthology chronicles the variety of styles written by Coward, from revue to musical comedy to operetta. The works in this volume provide a contemporary critical introduction that illustrates the breadth and depth of his work, and highlighting the diverse identities of the collaborators and performers with whom he worked. Though the style of these works varies, they are linked together by his creative thread, and his ability to craft barbed and witty observations of his social world. A timely portrait of Coward's oeuvre and its lasting influence on the wider world of the British musical, **Selected Musical Plays by Noël Coward** contains previously unpublished musical plays by a central figure in theatre history, collected together with critical apparatus for students, scholars, and fans.

**Why Do So Many Incompetent Men Become Leaders?**  
Tomas Chamorro-Premuzic, 2019-02-19 Look around your office. Turn on the TV. Incompetent leadership is everywhere, and there's no denying

that most of these leaders are men. In this timely and provocative book, Tomas Chamorro-Premuzic asks two powerful questions: Why is it so easy for incompetent men to become leaders? And why is it so hard for competent people--especially competent women--to advance? Marshaling decades of rigorous research, Chamorro-Premuzic points out that although men make up a majority of leaders, they underperform when compared with female leaders. In fact, most organizations equate leadership potential with a handful of destructive personality traits, like overconfidence and narcissism. In other words, these traits may help someone get selected for a leadership role, but they backfire once the person has the job. When competent women--and men who don't fit the stereotype--are unfairly overlooked, we all suffer the consequences. The result is a deeply flawed system that rewards arrogance rather than humility, and loudness rather than wisdom. There is a better way. With clarity and verve, Chamorro-Premuzic shows us what it really takes to lead and how new systems and processes can help us put the right people in charge.
