*How Good Is Your Chess?* Larry Evans, Grandmaster and Hall of Fame chess legend Larry Evans draws upon his vast experience as five-time U.S. champion to present a fun and challenging new approach for chess players. You can test your skills against one hundred fascinating positions from actual games and choose the best move among three choices. Each correct answer earns you twenty-five points, and no points are given for incorrect choices. At the end of the series, you can calculate your own rating, from beginner to grandmaster. In the solutions section, Evans carefully explains the proper thinking you must employ to approach the position and why the alternatives are inferior. You'll not only find your true chess level, but get a complete course in exactly where you can go wrong. 144 pages
