Music Apps for Musicians and Music Teachers Elizabeth C. Axford, 2015-02-19 In today's digital age, learning and creating music has never been so easy and affordable. Anyone can enhance their musical knowledge, skills, and creativity with the multitude of music apps available. However, sifting through thousands of music apps in the Apple App Store and Google Play can be a daunting task for any musician or music instructor. But not anymore! Having spent countless hours researching the most interesting useful, educational, fun, and easy-to-use music apps, Elizabeth C. Axford in *Music Apps for Musicians and Music Teachers* surveys the landscape of music-related apps for both iOS and Android mobile devices, including tablets and smartphones. *Music Apps for Musicians and Music Teachers* lists hundreds of music-related apps organized by category, including singing, musical instruments, music theory and composition, songwriting, improvisation, recording, evaluating music performances, listening to music, music history and literature, music appreciation, and more. App developers are listed with each app, including links to their websites for updates and support. The book sections and chapters align with the newly revised National Standards for Music Education released in 2014 by the National Association for Music Education. Suggested activities for educators are provided, as well as key terms and a bibliography. *Music Apps for Musicians and Music Teachers* is for anyone interested in music, whether hobbyist or professional. It enhances the ability to learn on the go by offering musicians, music students, and music instructors a list of the most useful music apps available.

*The Language Your Body Speaks* Ellen Meredith, 2020-05-05 Activate Your Unique, Built-In Healer The language your body speaks is energy. Just under the surface of your awareness, your body, mind, and spirit are using energetic signaling to communicate constantly with one another. This clear and practical guide teaches you how to understand and "speak" energy so you can participate in your body, mind, and spirit's unique creation of self. Easy-to-use explorations, exercises, and practices enable you to tap into your internal guidance system and activate your body's innate capacity to thrive.

*Humming for Health* Kathleen Nagy,2023-03-16 About the Book Professional energy workers and neophytes alike will find palpable solutions to help you vibrationally release the energetic root causes of physical and emotional pain. The Sound Lady teaches about the restorative power in the human voice to trigger our body's self-healing systems for emotional and physical balance and self-empowerment. Humming for Health teaches you how to discover and hum your body's musical key, which will foster a more conscious, collaborative relationship with your body's natural healing processes. This book will teach you how to feel your voice move energy through your body as you discover your secret superpower! About the Author Kathleen Nagy is a lifelong musician. After majoring in Music Education and Applied Music on French horn at Ithaca College, she did graduate work at Yale University in French horn and Orchestral Conducting. This led her to decades of experience teaching choral and instrumental music classes in public and private schools from elementary through adult education. In that time, she also directed many musical theater productions with high school and college students. After 20 years of performing in symphony orchestras, Nagy spent the last couple of decades as a BioAcoustic Research Associate specializing in Voice Energy Analysis and Acoustic Biofeedback for sports or muscle injuries. She was a member of the Board of Directors for Sound Health International of Ohio for four years (2005-2009) and worked closely with Sharry Edwards, the founder of Human BioAcoustics. Now, at the culmination of her life's work, having foraged through the ingredients of crafted classical" melody, harmony, and structure to find the power, beauty, and healing properties of tone and harmonics, she specializes in teaching you how to hum the sounds that are good for your body. She composed most of the music for her French horn solo CD, Prayer Songs, which is available along with Kathleen's other sound healing products and services.
