The History of Jesus of Nazara, Volume One Theodore Keim,2016-12-09 This introductory volume of Dr. Keim's Life of Jesus is translated from the German without omission or alteration, save that from preface, and once or twice from the text, have been excised a few purely personal remarks and discussions which could have no interest in England. The notes also have been for the most part preserved, a feature which will, it may be, prove less needful in the later volumes. So few of the works to which reference is made have been translated into English, that it has seemed best to give the references in all cases to the originals; since those few who will take the trouble to turn to them will usually be able to test the references in the original languages, even if they prefer to read the bulk of such books in their own tongue. It is intended that the whole work shall be completed with the same literalness, and that there shall be no needless delay in the issue of succeeding volumes. -- Notice by the Editor May, 1873

On This Day in History Sh!t Went Down James Fell,2021-04-17 Sh!t happens. Every day. Mae West was sent to jail for “corrupting the morals of youth” with her first Broadway play. When participation in the Hitler Youth became mandatory in Germany, groups of teen “pirates” rebelled.

Muhammad Ali refused to “drop bombs and bullets on brown people” in Vietnam. A dog sled relay carried life-saving medicine 674 miles through -50 temperatures to rescue children dying from diphtheria. The Dionne Quintuplets were stolen by the Canadian government and displayed like zoo animals for profit. Indian princess Noor Inayat Khan was one of the most successful spies against the Nazis in World War II. A children’s television show called Caillou tortured parents for more than a decade . . . Sh!t goes down every single day of the year, year after year. Sometimes it’s a battle that changes the course of history, other times it’s a life-saving medical advancement. Bravery is counter-balanced with cowardice. There is slavery and there is self-sacrifice. History is replete with deeds both noble and despicable. Some were motivated by greed, others generosity. Many dedicated themselves to the art of killing, while others focused their efforts on curing. There have been grave mistakes and moments of greatness. Confrontation and cooperation. Early in the twentieth century Spanish philosopher George Santayana wrote, “Those who cannot remember the past are condemned to repeat it.” But history serves not just as a warning; it also offers encouragement. Humanity is not endless suck. There is inspiration to be found amidst the atrocities. On This Day in History Sh!t Went Down will significantly expand your knowledge of world history in the most hilarious and profane way possible.
