Hugo in 3 Months Italian with Audio App Milena Reynolds, 2022-01-06 Learn to speak Italian in just three months with this practical and comprehensive self-study language course. Whether you're a complete beginner or wanting to refresh your knowledge, Hugo- Italian in Three Months will have you speaking Italian fluently in just 12 weeks. With a fresh new look and an accompanying audio app, the latest edition of this classic self-study course provides all the resources needed to speak, read, and write in Italian. The 12 weekly chapters contain lessons on the key grammatical structures and present a range of useful vocabulary, along with exercises to reinforce your learning. The essentials of Italian grammar are clearly explained and tested in conversational exercises, giving you the authentic feel of the language. In addition to a written imitated pronunciation guide, which replaces Italian sounds with English syllables you're already familiar with, the new audio app also allows you to perfect your pronunciation - at home or on the go. Whether you're learning Italian for work, a future holiday, or because you're interested in languages, this course is the perfect place to start. Learning Italian has never been so easy!

Practice Makes Perfect Italian Sentence Builder Paola Nanni-Tate, 2009-07-31 Practice Makes Perfect helps you put your Italian vocabulary and grammar skills together! You may have all the vocabulary down pat and every grammar point nailed--but without the skill of knowing how to put these elements together, communicating in your second language would be nearly impossible. Practice Makes Perfect: Italian Sentence Builders picks up from where other grammar books leave off,

showing you the variety of structures and how to combine them to make solid sentences. And like every Practice Makes Perfect title, these books feature crystal-clear explanations, numerous realistic examples, and dozens of opportunities to practice, practice, practice!

Babel No More Michael Erard, 2012-01-10 A “fascinating” (The Economist) dive into the world of linguistics that is “part travelogue, part science lesson, part intellectual investigation...an entertaining, informative survey of some of the most fascinating polyglots of our time” (The New York Times Book Review). In Babel No More, Michael Erard, “a monolingual with benefits,” sets out on a quest to meet language superlearners and make sense of their mental powers. On the way he uncovers the secrets of historical figures like the nineteenth-century Italian cardinal Joseph Mezzofanti, who was said to speak seventy-two languages, as well as those of living language-superlearners such as Alexander Arguelles, a modern-day polyglot who knows dozens of languages and shows Erard the tricks of the trade to give him a dark glimpse into the life of obsessive language acquisition. With his ambitious examination of what language is, where it lives in the brain, and the cultural implications of polyglots’ pursuits, Erard explores the upper limits of our ability to learn and use languages and illuminates the intellectual potential in everyone. How do some people escape the curse of Babel—and what might the gods have demanded of them in return?

Practice Makes Perfect: Basic Portuguese, Premium Second Edition Sue Tyson-Ward, 2019-09-13 Master essential language skills to build your confidence in basic Portuguese Whether you are learning on your own with a textbook or taking a beginning class, Practice Makes Perfect: Basic Portuguese will support your study and build your confidence in your new language. people, engage in small talk, express ideas, and more. More than 180 entertaining exercises will help you practice your new skills. And this second edition is also accompanied by flashcards and audio recordings, available via app, that will provide a new dimension and flexibility to your study. Practice Makes Perfect: Basic Portuguese will help you master:

- High-frequency vocabulary
- Ser vs. estar, saber vs. conhecer, ter and its uses
- Sets of flashcards for all the vocabulary lists
- Superlatives and comparisons: tão and tanto
- Continental Portuguese and Brazilian variants
- Verb tenses, sentence structure, and more

Revitalizing Endangered Languages Justyna Olko, Julia Sallabank, 2021-01-31 Of the approximately 7,000 languages in the world, at least half may no longer be spoken by the end of the twenty-first century. Languages are endangered by a number of factors, including globalization, education policies, and the political, economic and cultural marginalization of minority groups. This guidebook provides ideas and strategies, as well as some background, to help with the effective revitalization of endangered languages. It covers a broad scope of themes including effective planning, benefits, wellbeing, economic aspects, attitudes and ideologies. The chapter authors have hands-on experience of language revitalization in many countries around the world, and each chapter includes a wealth of examples, such as case studies from specific languages and language areas. Clearly and accessibly written, it is suitable for non-specialists as well as academic researchers and students interested in language revitalization. This book is also available as Open Access on Cambridge Core.

Fluent in 3 Months Benny Lewis, 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time language hacker, someone who devotes all of his time to finding better, faster, and more

efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or the language gene to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Introducing Intercultural Communication Shuang Liu, Zala Volcic, Cindy Gallois, 2010-11-09 Books on intercultural communication are rarely written with an intercultural readership in mind. In contrast, this multinational team of authors has put together an introduction to communicating across cultures that uses examples and case studies from around the world. The book further covers essential new topics, including international conflict, social networking, migration, and the effects technology and mass media play in the globalization of communication. Written to be accessible for international students too, this text situates communication theory in a truly global perspective. Each chapter brings to life the links between theory and practice and between the global and the local, introducing key theories and their practical applications. Along the way, you will be supported with first-rate learning resources, including:

- theory corners with concise, boxed-out digests of key theoretical concepts
- case illustrations putting the main points of each chapter into context
- learning objectives, discussion questions, key terms and further reading framing each chapter and stimulating further discussion
- a companion website containing resources for instructors, including multiple choice questions, presentation slides, exercises and activities, and teaching notes.

This book will not merely guide you to success in your studies, but will teach you to become a more critical consumer of information and understand the influence of your own culture on how you view yourself and others.

Essential Words for the GRE Philip Geer, 2010-07-01 An extensive working vocabulary is a prerequisite for test-taking success on the GRE Graduate Record Exam. This revised and updated test preparation guide presents 800 college-graduate-level words with definitions that frequently appear on the exam, while also familiarizing test takers with how the words are generally used in various contexts. Additional features include a pretest that serves as a diagnostic, a lengthy word list with extensive sentence-completion exercises, and a chapter that discusses and analyzes essential word roots. The book concludes with a detailed posttest. Answers are provided for all exercises and for all questions in the posttest.

Fluent Forever Gabriel Wyner, 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to

create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

The Twelve Tables Anonymous,2019-12-05 This book presents the legislation that formed the basis of Roman law - The Laws of the Twelve Tables. These laws, formally promulgated in 449 BC, consolidated earlier traditions and established enduring rights and duties of Roman citizens. The Tables were created in response to agitation by the plebeian class, who had previously been excluded from the higher benefits of the Republic. Despite previously being unwritten and exclusively interpreted by upper-class priests, the Tables became highly regarded and formed the basis of Roman law for a thousand years. This comprehensive sequence of definitions of private rights and procedures, although highly specific and diverse, provided a foundation for the enduring legal system of the Roman Empire.

Clean Architecture Robert C. Martin, 2017-09-12 Practical Software Architecture Solutions from the Legendary Robert C. Martin ("Uncle Bob") By applying universal rules of software architecture, you can dramatically improve developer productivity throughout the life of any software system. Now, building upon the success of his best-selling books *Clean Code* and *The Clean Coder*, legendary software craftsman Robert C. Martin ("Uncle Bob") reveals those rules and helps you apply them. Martin's *Clean Architecture* doesn't merely present options. Drawing on over a half-century of experience in software environments of every imaginable type, Martin tells you what choices to make and why they are critical to your success. As you've come to expect from Uncle Bob, this book is

packed with direct, no-nonsense solutions for the real challenges you'll face—the ones that will make or break your projects. Learn what software architects need to achieve—and core disciplines and practices for achieving it Master essential software design principles for addressing function, component separation, and data management See how programming paradigms impose discipline by restricting what developers can do Understand what's critically important and what's merely a "detail" Implement optimal, high-level structures for web, database, thick-client, console, and embedded applications Define appropriate boundaries and layers, and organize components and services See why designs and architectures go wrong, and how to prevent (or fix) these failures Clean Architecture is essential reading for every current or aspiring software architect, systems analyst, system designer, and software manager—and for every programmer who must execute someone else's designs. Register your product for convenient access to downloads, updates, and/or corrections as they become available.
