*Special Edition Using the Internet and Web* Michael Miller,2001 Special Edition Using the Internet and Web covers multiple individual end-user activities-it's like having a dozen activity-specific books under a single cover! The book is organized by activity-how people spend their time online. Each chapter describes a specific activity, and shows users the best ways to engage in that activity online-complete with real-world tips and advice for getting the most of that time online. Topics range from getting connected-and getting connected faster-to online shopping and downloading MP3 files. In short, whatever users want to do online, they'll find in this book-without having to wade through hundreds of pages of software-specific instruction.

*Digital Culture & Society (DCS)* Ramón Reichert,Annika Richterich,Pablo Abend,Mathias Fuchs,Karin Wenz,2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.
