Advanced Research on Electronic Commerce, Web Application, and Communication

Gang Shen,Xiong Huang,2011-03-31 The two-volume set CCIS 143 and CCIS 144 constitutes the refereed proceedings of the International Conference on Electronic Commerce, Web Application, and Communication, ECWAC 2011, held in Guangzhou, China, in April 2011. The 148 revised full papers presented in both volumes were carefully reviewed and selected from a large number of submissions. Providing a forum for engineers, scientists, researchers in electronic commerce, Web application, and communication fields, the conference will put special focus also on aspects such as e-business, e-learning, and e-security, intelligent information applications, database and system security, image and video signal processing, pattern recognition, information science, industrial automation, process control, user/machine systems, security, integrity, and protection, as well as mobile and multimedia communications.

Taming the Wild Text: Literacy Strategies for Today's Reader Pam Allyn, Monica Burns, 2017-08-01 This professional resource equips K-12 students with the skills they need to be critical readers in the 21st century. Today's reader is reading across multiple genres, on phones and tablets, with text in hand, and also online, and this helpful book provides educators with techniques on how to teach students to read on every platform and in every genre, to struggle with text, and to break through to new ideas when reading text. It focuses on the habits that students must form in order to gain the confidence to access all texts across all platforms. Each chapter is devoted to developing the five habits for successful reading: reading closely, widely, critically, deeply, and purposefully. Grounded in the latest research, the easy-to-implement strategies and instructional methods will help students cultivate strong reading skills in the 21st century classroom.

Scan Me - Everybody's Guide to the Magical World of Qr Codes Mick Winter, 2011 Everybody's Guide to the Magical World of QR Codes Imagine you could hold your mobile phone up to an image, and magically summon any information you wished. You see a movie poster and wonder if the movie is worth seeing. Zap! You're watching the movie's trailer. You see a restaurant menu and wonder about the food. Zap! You're reading reviews from people who ate there. You're at a subway stop. Zap! You're seeing the actual arrival time of the next train. You see a magazine ad for a product and want to buy it. Zap! You've placed the order. How does this magic happen? With something called a QR Code. If you have a business or non-profit organization, you absolutely want to know how to use QR Codes. This book will tell you how you can use them in your marketing to attract, assist, hang on to and increase your customers. If you want to know how to make them and use them for personal or educational use, you'll learn that, too. They're free. They're fun. They're useful. Why not start now?

The Handbook for School Safety and Security Lawrence Fennelly, Marianna

Perry,2014-08-19 School security is one of the most pressing public concerns today. Yet in most schools, there is little security expertise or detailed knowledge about how to implement and manage a security program. The Handbook for School Safety and Security rectifies this problem by providing the salient information school administrators and security professionals need to address the most important security issues schools face. Made up of contributions from leading experts in school security, The Handbook for School Safety and Security provides a wealth of practical information for securing any K-12 school. It discusses key approaches and best practices for school crime prevention, including such topics as crisis management and mass notification. It also covers the physical measure needed for protecting a school, including detailed discussions of access control, lighting, alarms, and locks. While there is no single fix for the myriad of security challenges facing today's school security professionals, the best practices found in The Handbook for School Safety and Security will help increase the safety and security of any school. Brings together the collective experience of industry-leading subject matter specialists into one resource. Covers all the key areas needed for developing and implementing a school security program. Includes a list of 100 things to know when developing a school security program.

\$100M Leads: How to Get Strangers To Want To Buy Your Stuff Alex Hormozi, 2023-08-19

You can get 2x, 10x, or 100x more leads than you currently are without changing anything about what you sell... This book contains the playbooks that took me from sleeping on my gym floor to owning a portfolio of companies that generate \$200,000,000 per year in under a decade. Wanna know the biggest difference between those two time periods? How many leads I was getting. The problem is - most business owners don't know how to get leads. I wrote this book to solve your LEADS problem. Today, our companies generate 20,000+ new leads per day across sixteen different industries. And, they do it using the eight "never-go-hungry" playbooks inside. Once you see them, you can't unsee them. They're so powerful, they work without your permission. Inside you will find...
...The easiest way to get another five customers tomorrow ...The hook-retain-reward system to transforms content into leads ...The 6-part ad framework that gets more people - especially strangers - to want what you sell ...The one question that immediately turns any stranger (no matter how cold) into a hot lead ...The 7 direct referral methods responsible for 30% of my sales ...The affiliate playbook that gets hundreds of other businesses to advertise your stuff for free ...The agency agreement that gets them to teach you their lead-getting secrets at no cost ...The how-to-get-people-off-the-streets-and-getting-you-leads in under 2 weeks framework ...and everything else that got our companies boatloads of leads...fast. And the best part is...you can use these playbooks to get more leads within an hour of reading this book. You just have to know where to look...and the first place is inside. If you want to get more leads for your business...then ADD TO CART, use its contents, and see for yourself.
