**Casino Accounting and Financial Management** E. Malcolm Greenlees, 2008-10-01 In this work, author E. Malcolm Greenlees provides detailed information about the role of state governments in the regulation of gaming. He also discusses the dominance of slot machines as the major revenue source in most casinos; he provides information about changes in the types and operation of slot machines, as well as accounting procedures for slot revenues. The book covers every aspect of the financial management of a casino, from the details of licensing and regulation to revenue taxation; the management of slot machines and other gaming devices, table games, and betting operations; revenue flows and internal cash controls; cashiering; accounting; and financial reporting. Casino

Accounting and Financial Management has been recognized as the essential manual for gaming industry professionals since its first publication in 1988. This 2008 edition is updated throughout and greatly expands the original text, addressing growth and changes in the casino industry as gaming has spread into new venues both nationwide and internationally, incorporated new games and new technology, and become subject to new management policies and new government regulations.

Keep Calm and Log On Gillian "Gus" Andrews, 2020-04-28 How to survive the digital revolution without getting trampled: your guide to online mindfulness, digital self-empowerment, cybersecurity, creepy ads, trustworthy information, and more. Feeling overwhelmed by an avalanche of online content? Anxious about identity theft? Unsettled by the proliferation of fake news? Welcome to the digital revolution. Wait—wasn't the digital revolution supposed to make our lives better? It was going to be fun and put the world at our fingertips. What happened? *Keep Calm and Log On* is a survival handbook that will help you achieve online mindfulness and overcome online helplessness—the feeling that tech is out of your control—with tips for handling cybersecurity, creepy ads, untrustworthy information, and much more. Taking a cue from the famous World War II morale-boosting slogan ("Keep Calm and Carry On"), Gus Andrews shows us how to adapt the techniques our ancestors used to survive hard times, so we can live our best lives online. She explains why media and technology stress us out, and offers empowering tools for coping. Mindfulness practices can help us stay calm and conserve our attention purposefully. Andrews shares the secret of understanding

our own opinions" "family trees" in order to identify misleading "fake news." She provides tools for unplugging occasionally, overcoming feelings that we are "bad at technology," and taking charge of our security and privacy. Andrews explains how social media algorithms keep us from information we need and why "creepy ads" seem to follow us online. Most importantly, she urges us to work to rebuild the trust in our communities that the internet has broken.
