The Snow Globe Family Jane O'Connor,2006-09-07 Oh, when will it snow again? wonders the little family who lives in the snow globe. They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

The Snow Globe Sheila Roberts,2010-10-26 Discover an unforgettable holiday treasure in Sheila Roberts' heartwarming tale of love and laughter, magic and miracles, friendship and coming home... On a blustery afternoon, Kylie Gray wanders into an antique shop and buys an enchanting snow globe. There's a story behind that snow globe, the antique dealer tells her. The original owner, he explains, was a German toymaker who lost his wife and son right before Christmas. When the grieving widower received the handcrafted snow globe as a Christmas gift, he saw the image of a beautiful woman beneath the glass—a woman who would come into his life, mend his broken heart and bring him back to the world of the living. For years, the snow globe has passed from generation to generation, somehow always landing in the hands of a person in special need of a Christmas miracle. Kiley could use a miracle herself. This year, all she wants for Christmas is someone to love. A hopeful shake leads her on an adventure that

makes a believer out of her. When Kylie shares the story of the snow globe with her best friends—two women with problems of their own—they don't believe it. But they're about to discover that at Christmastime, sometimes the impossible becomes possible and miracles really do come true.
