From games of high skill (Bridge) to games of high chance (Newmarket) to trick-taking (Whist) and banking (Pontoon), David Parlett, seasoned specialist in card games, takes us masterfully through the countless games to choose from. the same stop as Milo--walking the same path, going to the exact same place--Milo realizes that you can't really know anyone just by looking at them.

Spider Patrick Mcgrath,2015-08-18 Spider is gaunt, threadbare, unnerved by everything from his landlady to the smell of gas. He tells us his story in a storm of beautiful language that slowly reveals itself as a fiendishly layered construction of truth and illusion. With echoes of Beckett, Poe, and Paul Bowles, Spider is a tale of horror and madness, storytelling and skepticism, a novel whose dizzying style lays bare the deepest layers of subconscious terror.
