Ghost Boy Martin Pistorius,2013-11-19 When you lose your voice, who will speak for you? When it all seems hopeless, how do you get through each day? In the New York Times bestseller *Ghost Boy*, Martin Pistorius tells the harrowing story of his return to life through the healing power of love and faith. In January 1988, a happy, healthy twelve-year-old Martin Pistorius came home from school with a sore throat. Soon, he was sleeping all day, refusing meals, and starting to lose his voice. His doctors were mystified. Within eighteen months, his voice fell silent and his developing mind became trapped inside a body he couldn't control. Martin's parents were told that the unknown degenerative disease he was struggling with would mean that he had less than two years to live. He felt invisible--like a ghost of himself. The stress and heartache shook his family to the core, bringing his parents to the brink of separation. Their boy was gone--or so they thought. Martin started to come back to life. He couldn't make a sign or a sound, but he'd become aware of the world around him again and was finally finding his way back to himself. In these pages, you'll hear the highs and lows of Martin's journey from his own perspective, including: A family's resilience in the face of hardship The consequences of misdiagnosis The gift of a wild imagination *Ghost Boy* shares the beautiful, heart-wrenching story of a life reclaimed, a business created, a family transformed, and a new love that's blossomed. Martin's emergence from his own darkness invites us to celebrate our own lives and fight for a better life for those around us.

Surviving Cissy Kathy Garver,2015-09-01 Kathy Garver, the teenage heartthrob from the hit series Family Affair (1966-1971), was no one-hit wonder, but a journeywoman actress who appeared in such classic films as Night of the Hunter and The Ten Commandments long before she became a television icon. This memoir is a recollection of a working actress’s experiences, from the many films, television shows, and stage plays in which she performed, to her second career as a voice-over specialist in popular animated films and audiobooks. Featuring anecdotes, Hollywood history, and details of her relationships with such stars as Charlton Heston and Jon Provost, Surviving Cissy is a veritable quilt of Kathy’s exciting life.

The Book that Made Your World Vishal Mangalwadi,2012-10-24 Understand where we came from. Whether you're an avid student of the Bible or a skeptic of its relevance, The Book That Made Your World will transform your perception of its influence on virtually every facet of Western civilization. Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium. From politics and science, to academia and technology, the Bible's sacred copy became the key that unlocked the Western mind. Through Mangalwadi's wide-ranging and fascinating investigation, you'll discover: What triggered the West's passion for scientific, medical, and technological advancement How the biblical notion of human dignity informs the West's social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has uniquely equipped the West to cultivate compassion, human rights, prosperity, and strong families The role of the Bible in the transformation of education How the modern literary notion of a hero has been shaped by the Bible's archetypal protagonist Journey with Mangalwadi as he examines the origins of a civilization's greatness and the misguided beliefs that threaten to unravel its progress. Learn how the Bible transformed the social, political, and religious institutions that have sustained Western culture for the past millennium, and discover how secular corruption endangers the stability and longevity of Western civilization. Endorsements: “This is an extremely significant piece of work with huge global implications. Vishal brings a timely message.” (Ravi Zacharias, author, Walking from East to West and Beyond Opinion) “In polite society, the mere mention of the Bible often introduces a certain measure of anxiety. A serious discussion on the Bible can bring outright contempt. Therefore, it is most refreshing to encounter this engaging and informed assessment of the Bible’s profound impact on the modern world. Where Bloom laments the closing of the American mind, Mangalwadi brings a refreshing optimism.” (Stanley Mattson, founder and president, C. S. Lewis Foundation) “Vishal Mangalwadi recounts history in very broad strokes, always using his cross-cultural perspectives for highlighting the many benefits of biblical principles in shaping civilization.” (George Marsden, professor, University of Notre Dame; author, Fundamentalism and American Culture)
