Best iPad Apps Peter Meyers, 2010-12-08

What really wows iPad fans is when their touchscreen does what's impossible on other gadgets: the finger-painting app that turns a cross-country flight into a moving art class, the mini music studio (two-dozen instruments strong, each with motion-induced warble effects), and the portable fireworks display that you sculpt by swiping. Problem is, with tens of thousands of apps available for your iPad, who knows what to download? You can try to sort through a gazillion customer reviews with a mix of 5- and 1-star ratings, but that's a head-hurting time-waster. The stakes are getting higher, too: instead of freebies and 99-cent trinkets, the price of iPad apps is steadily creeping up and beyond their iPhone predecessors. Best iPad Apps guides you to the hidden treasures in the App Store's crowded aisles. Author Peter Meyers stress-tested thousands of options to put together this irresistible, page-turner of a catalog. Inside these pages, you'll find apps as magical as the iPad itself. Flip through the book for app suggestions, or head directly to one of several categories we've loaded up with best of selections to help you: Get work done Manipulate photos Make movies Create comics Browse the Web better Take notes Outline ideas Track

your health Explore the world No matter how you use your iPad, Best iPad Apps will help you find the real gems among the rubble - - so you make the most of your glossy gadget.

EPUB Straight to the Point Elizabeth Castro,2010-07-28

Almost overnight, EPUB has become the favored standard for displaying digital text on ereaders. The EPUB specification is a powerful method for creating gorgeous ebooks for EPUB-capable readers such as the iPad, Nook, and Kindle. Alas, it is far from perfect, with frustrating limitations, sketchy documentation, and incomplete creation tools. This extensively researched guide to creating EPUB files by best-selling author Elizabeth Castro shows you how to prepare EPUB files, make the files look great on the screen, work around EPUB weaknesses, and fix common errors. In this essential book, Liz shares her hard-earned experience for how to: Create EPUB files from existing Microsoft Word or Adobe InDesign files, or from scratch. Tweak EPUB files to take full advantage of the power of EPUB in each respective ereader. Control spacing, indents, and margins. Insert images and sidebars and wrap text around them. Create links to external sources and cross-references to internal ones. Add video to ebooks for the iPad.

App Savvy Ken Yarmosh, 2010-08-31 How can you make your iPad or iPhone app stand out in the highly competitive App Store? While many books simply explore the technical aspects of iPad and iPhone app design and development, App Savvy also focuses on

Author Ken Yarmosh details a proven process for developing successful apps, and presents numerous interviews with the App Store's most prominent publishers. Learn about the App Store and how Apple's mobile devices function Follow guidelines for vetting and researching app ideas Validate your ideas with customers -- and create an app they'll be passionate about Assemble your development team, understand costs, and establish a workable process Build your marketing plan while you develop your application Test your working app extensively before submitting it to the App Store Assess your app's performance and keep potential buyers engaged and enthusiastic

Soul Riders Helena Dahlgren, Star Stable Entertainment

AB, 2020-03-24 Helena Dahlgren is the winner of 2021 Kids' Book Choice Awards, Age 12-18: Best Fantasy World Builder category.

Step into the universe of the massively popular adventure game Star Stable, and follow four friends who discover their magic powers and learn that every girl can be a hero in this fantasy trilogy. Soul Riders tells the heroic tale of four young girls who have been chosen by destiny to save the world from the ancient demon: Garnok and his band of dangerous Dark Riders. Lisa is a teenage girl who is still coming to terms with the tragic loss of her mother in a riding accident and has sworn never to go near a horse again until she met Starshine, a mysterious blue-maned steed who comes to her in dreams. New on the island of Jorvik, Lisa befriends Alex, Linda, and Anne. Under the guidance of mystical druids, they discover they each have a special bond to their horses that gives them magical powers. While trying to balance school, family, and friendships they have to figure out what it means to be a Soul Rider. They are attacked by the Dark Riders and the mysterious Mr. Sands discover that their horses are in danger. Instead of relying on their combined strength, they decide to split up on their quest to find answers and learn to fight back against their enemies. However, will it be too late before they realize their mistake? Jorvik Calling is the first installment in the epic, fantasy trilogy, Soul Riders, about magic, friendship, and

horses bound to thrill all young equestrian fans.

Make Time Jake Knapp, John Zeratsky, 2018-09-25 From the New York Times bestselling authors of *Sprint* comes “a unique and engaging read about a proven habit framework [that] readers can apply to each day” (Insider, *Best Books to Form New Habits*). “If you want to achieve more (without going nuts), read this book.”—Charles Duhigg, author of *The Power of Habit* Nobody ever

looked at an empty calendar and said, The best way to spend this time is by cramming it full of meetings! or got to work in the morning and thought, Today I'll spend hours on Facebook! Yet that's exactly what we do. Why? In a world where information refreshes endlessly and the workday feels like a race to react to other people's priorities faster, frazzled and distracted has become our default position. But what if the exhaustion of constant busyness wasn't mandatory? What if you could step off the hamster wheel and start taking control of your time and attention? That's what this book is about. As creators of Google Ventures' renowned design sprint, Jake and John have helped hundreds of teams solve important problems by changing how they work. Building on the success of these sprints and their experience designing ubiquitous tech products from Gmail to YouTube, they spent years experimenting with their own habits and routines, looking for ways to help people optimize their energy, focus, and time. Now they've packaged the most effective tactics into a four-step daily framework that anyone can use to systematically design their days. Make Time is not a one-size-fits-all formula. Instead, it offers a customizable menu of bite-size tips and strategies that can be tailored to individual habits and lifestyles. Make Time isn't about

productivity, or checking off more to-dos. Nor does it propose unrealistic solutions like throwing out your smartphone or swearing off social media. Making time isn't about radically overhauling your lifestyle; it's about making small shifts in your environment to liberate yourself from constant busyness and distraction. A must-read for anyone who has ever thought, If only there were more hours in the day..., *Make Time* will help you stop passively reacting to the demands of the modern world and start intentionally making time for the things that matter.

Then there's Sturdy Steve Ditko, who ripped up the super-hero rulebook with Spider-Man and sent Doctor Strange into a psychedelic kaleidoscope of spellbinding dimensions! The incredible work of Kirby, Ditko and their celebrated contemporaries awaits in crisp black and white - and YOU get to stand on the shoulders of these giants by spreading the hues on some Marvel Masterworks!

Red Storm Rising Tom Clancy, 1987-07-01 From the author of the Jack Ryan series comes an electrifying #1 New York Times bestseller—a standalone military thriller that envisions World War 3... A chillingly authentic vision of modern war, *Red Storm Rising* is as powerful as it is ambitious. Using the latest advancements in military technology, the world's superpowers battle on land, sea, and air for ultimate global control. It is a story you will never forget. Hard-hitting. Suspenseful. And frighteningly real.

“Harrowing...tense...a chilling ring of truth.”—TIME

The Action Bible ,2020-09-01 The Action Bible presents more than 230 fast-paced narratives in chronological order, making it

easy to follow the Bible's historical flow and building up to the thrilling climax of God's redemptive story. Plus, these spectacular updates take the action to a whole new level: 25 new stories showcase a more extensive exploration of God's work in our lives. 23 expanded stories highlight additional experiences of the people who tell God's story. 128 new pages of illustrations deliver a richer artistic experience with more close-up faces, historical details, and dramatic colors. Every page sparks excitement to explore God's Word and know Him personally. Readers will witness God's active presence in the world through stories from the life of Jesus and great heroes of the faith. Let this blend of powerful imagery and clear storytelling capture your imagination and instill the truth that invites you to discover your own adventure of life with God. Sergio Cariello's illustrations for The Action Bible leap off the page with the same thrilling energy that earned him international recognition for his work with Marvel Comics and DC Comics.

This guide also includes 100+ easy and flavorful recipes like Southern-Inspired Banana Corn Waffles, Sweet Potato Whip, Juicy AF Moroccan Chicken, and many more to help you plan your week and eat something new and nutritious each day. With *Fit Men Cook*, you can create exciting, satisfying meals and be on your way to losing weight for good. After all, bodies may be sculpted at the gym, but

they are built in the kitchen.

SuperBetter Jane McGonigal, 2015-09-15 An innovative guide to living gamefully, based on the program that has already helped nearly half a million people achieve remarkable personal growth In 2009, internationally renowned game designer Jane McGonigal suffered a severe concussion. Unable to think clearly or work or even get out of bed, she became anxious and depressed, even suicidal. But rather than let herself sink further, she decided to get better by doing what she does best: she turned her recovery process into a resilience-building game. What started as a simple motivational exercise quickly became a set of rules for “post-traumatic growth” that she shared on her blog. These rules led to a digital game and a major research study with the National Institutes of Health. Today nearly half a million people have played SuperBetter to get stronger, happier, and healthier. But the life-changing ideas behind SuperBetter are much bigger than just one game. In this book, McGonigal reveals a decade’s worth of scientific research into the ways all games—including videogames, sports, and puzzles—change how we respond to stress, challenge, and pain. She explains how we can cultivate new powers of recovery and resilience in everyday life simply by adopting a more

“gameful” mind-set. Being gameful means bringing the same psychological strengths we naturally display when we play games—such as optimism, creativity, courage, and determination—to real-world goals. Drawing on hundreds of studies, McGonigal shows that getting superbetter is as simple as tapping into the three core psychological strengths that games help you build: • Your ability to control your attention, and therefore your thoughts and feelings • Your power to turn anyone into a potential ally, and to strengthen your existing relationships • Your natural capacity to motivate yourself and super-charge your heroic qualities, like willpower, compassion, and determination

SuperBetter contains nearly 100 playful challenges anyone can undertake in order to build these gameful strengths. It includes stories and data from people who have used the SuperBetter method to get stronger in the face of illness, injury, and other major setbacks, as well as to achieve goals like losing weight, running a marathon, and finding a new job. As inspiring as it is down to earth, and grounded in rigorous research, SuperBetter is a proven game plan for a better life. You’ll never say that something is “just a game” again.

Blood Crazy Simon Clark, 2014-10-28 It is a quiet, uneventful

Saturday in Doncaster. Nick Aten, and his best friend Steve Price – troubled seventeen year olds – spend it as usual hanging around the sleepy town, eating fast food and planning their revenge on Tug Slatter, a local bully and their arch-enemy. But by Sunday, Tug Slatter becomes the last of their worries because somehow overnight civilization is in ruins. Adults have become murderously insane – literally. They're infected with an uncontrollable urge to kill the young. Including their own children. As Nick and Steve try to escape the deadly town covered with the mutilated bodies of kids, a group of blood-thirsty adults ambushes them. Just a day before they were caring parents and concerned teachers, today they are savages destroying the future generation. Will Nick and Steve manage to escape? Is their hope that outside the Doncaster borders the world is 'normal' just a childish dream? Blood Crazy, first published in 1995, is a gripping, apocalyptic horror from Simon Clark.

The Wonder Weeks Frans X. Plooij, Hetty van de Rijt, Xaviera Plas, 2017-09-05 This is not a book about how to make your child into a genius, however. We firmly believe that every child is unique and intelligent in his own way. It is a book on how to understand and cope with your baby when he is difficult and how to enjoy him

most as he grows. It is about the joys and sorrows of growing with your baby.--Publisher's website.

Zoho One Essentials Karen S. Fredricks, 2022-06-07 Reap the competitive benefits of Zoho, one of the best customer relationship management (CRM) solutions on the market today. Learn How To:
