My First Word Brain Games Word Search Books English French Daniel Krouch, 2020-09-11 Vocabulary represents one of the essential skills necessary for teaching and learning a foreign language. It is the basis for developing all the other skills: reading comprehension, listening comprehension, speaking, writing, spelling, and pronunciation. Vocabulary is the primary tool for the students in their attempt to use English effectively. When confronted with a native English speaker, when watching a movie without subtitles or when listening to a favorite English song, when reading a text,

or when writing a letter to a friend, students will always need to operate with words. This book is a great educational learning tool for your kids to play games and learn new essential words simultaneously. You can see your child's reading improvement!

First 100 Basic Words English - French Coloring Pages for Toddlers Ph D Sandra E Dejean,2019-05-12 Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of enhanced creativity and mental flexibility. There is a critical period or window of opportunity when children learn languages best. Studies have shown that this is when children are between birth and six years old. The younger children are, the easier they will learn a second language. As they get older that ability diminishes. These easy and fun flashcards aim to help parents as a useful educational tool for kids to learn a new language.
