Conversational Languages Quick and Easy – Boxset #1-4 Yatir Nitzany,2019-03-28 Have you always wanted to learn how to speak French, Italian, Spanish, or Portuguese but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If your desire is to learn complicated grammatical rules or to speak the language perfectly proper and precise, this book is not for you. However, if you need to actually hold a conversation while on a trip to Europe or Latin America, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With **Conversational Languages Quick and Easy: Boxset 1-4**, is all you need. Learn French, Italian, Spanish, and Portuguese today, not tomorrow, and get started now!

Bloomsbury and France Mary Ann Caws,Sarah Bird Wright,1999-12-02 Bloomsbury on the Mediterranean, is how Vanessa Bell described France in a letter to her sister, Virginia Woolf. Remarking on the vivifying effect of Cassis, Woolf herself said, I will take my mind out of its iron cage and let it swim.... Complete heaven, I think it. Yet until now there has never been a book that focused on the profound influence of France on the Bloomsbury group. In *Bloomsbury and France: Art and Friends*, Mary Ann Caws and Sarah Bird Wright reveal the crucial importance of the Bloomsbury group's frequent sojourns to France, the artists and writers they met there, and the liberating effect of the country itself. Drawing upon many previously unpublished letters, memoirs, and photographs, the book illuminates the artistic development of Virginia and Leonard Woolf, Clive Bell, David Garnett, E. M. Forster, Lytton Strachey, Dora Carrington, and others. The authors cover all aspects of the Bloomsbury experience in France, from the specific influence of French painting on the work of Roger Fry, Duncan Grant, and Vanessa Bell, to the heady atmosphere of the medieval Cistercian Abbaye de Pontigny, the celebrated meeting place of French intellectuals where Lytton Strachey, Julian Bell, and Charles Mauron mingled with writers and critics, to the relationships between the Bloomsbury group and Henri Matisse, Pablo Picasso, Gertrude Stein, Andre Gide, Jean Marchand, and many others. Caws and Wright argue that Bloomsbury would have been very different without France, that France was their anti-England, a culture in which their eccentricities and aesthetic experiments could flower. This remarkable study offers a rich new perspective on perhaps the most creative group of artists and friends in the 20th century.
