Richard Aldington and H.D. Richard Aldington,Hilda Doolittle,2003-09-06 This book explores the personal and professional lives of Richard Aldington and H.D.'s intimate correspondence between 1918 and 1961, including extensive biographical commentary of one of the 20th century's most fascinating literary couples and pioneers of Modernist literature.

So Sad Today Melissa Broder,2016-03-15 From acclaimed poet and creator of the popular twitter account @SoSadToday comes the darkly funny and brutally honest collection of essays that Roxane Gay called sad and uncomfortable and their own kind of gorgeous. Melissa Broder always struggled with anxiety. In the fall of 2012, she went through a harrowing cycle of panic attacks and dread that wouldn't abate for months. So she began @sosadtoday, an anonymous Twitter feed that allowed her to express her darkest feelings, and which quickly gained a dedicated following. In *So Sad Today*, Broder delves deeper into the existential themes she explores on Twitter, grappling with sex, death, love low self-esteem, addiction, and the drama of waiting for the universe to text you back. With insights as sharp as her humor, Broder explores--in prose that is both ballsy and beautiful, aggressively colloquial and achingly poetic--questions most of us are afraid to even acknowledge, let alone answer, in order to discover what it really means to be a person in this modern world.

The Poetical Works of H. D. With a Biographical Preface by ... A. Vinet ... Translated from the French by the Rev. A. R. Blomefield
Henri DURAND (Poet.),1858

Norfolk and Western Magazine Norfolk and Western Railway Company,1937

H. D. and Bryher Susan McCabe,2021 This dual biography takes on the daring task of examining how two women, who didn't feel like women, survived as a couple, raising an illegitimate child during a period when such arrangements were frowned upon, if even recognized. When they met in 1918, H.D. (born Hilda Doolittle in 1886), had already achieved recognition as an Imagist poet, engaged in a lesbian affair, was married to a shell-shocked adulterous poet, and was pregnant by another. She fell in love with Bryher (born Annie Winifred Ellerman in 1894), trapped both in a female body and in the shadow of her father, Sir John Ellerman, a wealthy shipping magnate. They felt a telepathic and electric connection, bonding over Greek poetry, geography, ancient history, and a shared bodily dysphoria. Bryher introduced H.D. to cinema, psychoanalysis, and politics, herself rescuing refugees from Nazis throughout the 1930s. Bryher engaged in legal strategies to protect H.D., marrying Kenneth Macpherson, who adopted H.D.'s child and collaborated with the couple in filmmaking, discovering his queerness. Both H.D. and Bryher were on vision quests, and their cerebral eroticism led them to otherworldly experiences. During World War II, they held séances in London. After V-J Day was announced, H.D. had a severe nervous breakdown, which Bryher, taking great pains, ensured she survived. As a love story born out of war and modernism, the book speaks to their struggles to escape binary gender, homophobic and white supremacist agendas, while celebrating their creative triumphs and courageous aspirations--

U5: the Truth Behind the Lives J. B. Torres, 2008-05-29 This book is written to provide insight on the lives of a group of inner city youths known as U-5. Hopefully it will provide enough of the insight needed to truly understand the type of lives they led, the way they were perceived by others, and the repercussions of events set in motion by the actions of individuals within the group. Furthermore, it will focus on two individuals within the group (Daniel Gomez and Rubin Fernandez aka Soni and Slick), the mystery surrounding their deaths and the repercussions that affected various members of U-5 up until this very day. It will take a look at how graffiti writers were/are portrayed by what we call society and go into what I believe are inconsistencies depicted within the book Subway Lives. It will take you into the heart of Bushwick, Brooklyn where it all started and twenty years later, today. It will follow them into some of their many escapades, some incomprehensible to believe, yet true. You'll get a true sense of the type of people they were, as friends, family and professionals tell us a little about them. Then you will be introduced to U-5 as not only a crew, but as a concept. A concept in which the U represents United, and friendship is more important than fame. This story is not just about the antics of these U-5 individuals. No, it's much more than that. It's about having to let go of the past and not just carrying on, but accepting it. And that could be harder than anything you've ever had to face. The mirror doesn't lie does it? What we believe is not necessarily reality, but what's reflected in the mirror is truth; like it or not. A wise man once said that between two men there are always three sides to a story, the first man's side, the second man's side, and the truth. Upon deciding to finish this book, the words of Dave Severn, a successful entrepreneur came to mind. He said Fear is the feeling you feel before you do something great. For myself, finishing this book will undoubtedly be one of my greater achievements. And you, that are holding this book, are about to read a great story.

The Classics in Modernist Translation Lynn Kozak, Miranda Hickman, 2019-02-07 This volume sheds new light on a wealth of early 20th-century engagement with literature of Graeco-Roman antiquity that significantly shaped the work of anglophone literary modernism. The essays spotlight 'translation,' a concept the modernists themselves used to reckon with the Classics and to denote a range of different kinds of reception – from more

literal to more liberal translation work, as well as forms of what contemporary reception studies would term 'adaptation', 'refiguration' and 'intervention.' As the volume's essays reveal, modernist 'translations' of Classical texts crucially informed the innovations of many modernists and often themselves constituted modernist literary projects. Thus the volume responds to gaps in both Classical reception and Modernist studies: essays treat a comparatively understudied area in Classical reception by reviving work in a subfield of Modernist studies relatively inactive in recent decades but enjoying renewed attention through the recent work of contributors to this volume. The volume's essays address work significantly informed by Classical materials, including Homer, Sophocles, Euripides, Sappho, Ovid, and Propertius, and approach a range of modernist writers: Pound and H.D., among the modernists best known for work engaging the Classics, as well as Cummings, Eliot, Joyce, Laura Riding, and Yeats.
