Jonathan London

Froggy Gregory Bowens,2017-11-03 Froggy chronicles a tale of a frog curious but optimistic about exploring and finding a new world beyond his point of view. But along the way, Froggy finds that getting across will not be an easy task, and it will take a lot of courage and bravery. Follow along his journey to freedom as he unravels through ponds, trees, and villages to find a purpose.

Saving Mrs. Kennedy Harvey Sawler,2004

Froggy Bob Brazil,2013-02-14 My name is Bob Brazil. I was born in New Orleans, La., on May 18, 1948. I grew up in the nearby town of Hammond, a small town about 60 miles NE. My favorite pastime were baseball, music, fishing, drawing, and animals. At one time I had at least 6 snapping turtles in a small pond I made in my front yard. Once I had kept, for only a brief time, a small water moccasin in a jar inside the house! I used to go in our backyard to a small creek to catch turtles. People who became familiar with me and my turtle-fishing called the place Kooterville, though in my book I selected the imaginary location in a swamp area in Manchac, a small town near Lake Maurepas. Every chance I got, I could be found at that ditch catching "kooters," another name for turtles. On occasion a bullfrog might appear and, at night, they make their presence known with their loud croaking. At the age of 19, I left Hammond and moved to Northern California, though I never forgot about my heritage. My imagination helped me to re-create some events of my past, and my art training helped me to put it on paper. After dropping out of painting some years ago, I decided to take it up again. I created many scenic paintings and, one day, I decided to create a cartoon character of a frog imitating a human. I named it "Froggy." Soon I began to create other paintings of Froggy, each one in a different human setting: driving a car, dancing, fishing, sports, mingling with humans, etc. I soon came up with an idea of creating her as an infant growing up in a swamp and being surrounded with other native creatures, all working together and enjoying the simple pleasures of life without the modern conveniences present in human society. Further encouragement from family and friends inspired me to write this book. It is my wish that Froggy provides wholesome enjoyment for the young readers and the whole family. It is filled with many great object lessons as well as good humor. Though it is primarily written as a children's book, many, I hope, will enjoy it and take something away from it.

Froggy for President! Jonathan London,2020-05-12 Froggy is running for class president--and his opponent is Frogilina! Froggy is running for president---class president, that is---but so is Frogilina! Wearing a long, presidential-style tie, Froggy presents his platform, which includes ten snack times per school day and recess all day long. But Frogilina has a platform, too: a search party for lost things, a lunch-sharing program, and a talent show to benefit the school library. Which candidate will voters choose?

Froggy's Worst Playdate Jonathan London,2013-02-07 A play date with a girl? Froggy is horrified! What will his friends say? But when Dad bribes him with the promise of a movie outing, Froggy has to agree, even if he won't sit next to Frogilina. She might try to kiss him. EEW! This could be the worst play date ever. Children have enjoyed the misadventures of trouble-prone Froggy in more than twenty books. Froggy just never learns--and that's why we love him!

Froggy Goes to the Doctor Jonathan London,2004-10-21 Froggy isn't looking forward to his check-up because he might get a shot but when it's over and he's pronounced a very healthy frog, Dr. Mugwort is the one who dreads Froggy's next visit.
