**Twelve Years a Slave** Solomon Northup, 2024-01-04  
Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final

years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**The Art of The Mitchells vs. The Machines** Ramin Zahed, 2021-05-18 COVER NOT FINAL The official behind-the-scenes art book for Sony Pictures Animation's feature film *The Mitchells vs. The Machines*. *The Mitchells vs. The Machines* is a comedy about an everyday family's struggle to relate while technology rises up around the world! When Katie Mitchell, a creative outsider, is accepted into the film school of her dreams, her plans to meet "her people" at college are upended when her nature-loving dad Rick determines the whole family should drive Katie to school together and bond as a family one last time. Katie and Rick are joined by the rest of the family, including Katie's wildly positive mom Linda, her quirky little brother Aaron, and the family's delightfully chubby pug Monchi for the ultimate family road trip. Suddenly, the Mitchells' plans are interrupted by a tech uprising: All around the world, the electronic devices people love—from phones to appliances to an innovative new line of personal robots—decide it's time to take over. With the help of two friendly malfunctioning robots, the Mitchells will have to get past their problems and work together to save each other and the world! *The Art of The Mitchells vs. The Machines* gives insight into how the filmmakers were able to bring this fresh, new vision to the screen through concept art, sketches, and early character designs, accompanied by exclusive commentary from director/co-writer Michael Rianda and co-director/co-writer Jeff Rowe, alumni of the team behind Emmy Award-winning *Gravity Falls*, and

producers Phil Lord and Christopher Miller, the innovative and creative minds behind The Lego Movie and the Academy Award-winning Spider-Man: Into the Spider-Verse.

**Daughters of the Samurai: A Journey from East to West and Back** Janice P. Nimura, 2015-05-04 Nimura

paints history in cinematic strokes and brings a forgotten story to vivid, unforgettable life.

—Arthur Golden, author of *Memoirs of a Geisha* In 1871, five young girls were sent by the Japanese government to the United States. Their mission: learn Western ways and return to help nurture a new generation of enlightened men to lead Japan. Raised in traditional samurai households during the turmoil of civil war, three of these unusual ambassadors—Sutematsu Yamakawa, Shige Nagai, and Ume Tsuda—grew up as typical American schoolgirls. Upon their arrival in San Francisco they became celebrities, their travels and traditional clothing exclaimed over by newspapers across the nation. As they learned English and Western customs, their American friends grew to love them for their high spirits and intellectual brilliance. The passionate relationships they formed reveal an intimate world of cross-cultural fascination and connection. Ten years later, they returned to Japan—a land grown foreign to them—determined to revolutionize women's education. Based on in-depth archival research in Japan and in the United States, including decades of letters from between the three women and their American host families, *Daughters of the Samurai* is beautifully, cinematically written, a fascinating lens through which to view an

extraordinary historical moment.

**Street Love** Walter Dean Myers, 2006-11 In this Harlem story told in free verse, seventeen-year-old Damien takes a bold step to ensure that he and his new love will not be separated.

**Everything Is Something Else** Franco D'Alessandro, 2021-01-22 Born of Roman blood and forged in Celtic fire, *Everything Is Something Else* is poetry as memoir as it seeks to explore key aspects of identity: the Italia, the Irish, and the Queer. This passionate and provocative collection spans 30 years and is a selection of new, unpublished, and previously published poems from the author's acclaimed 2009 chapbook, *Supplications*. The poet is a stor-teller, no doubt, with an impeccable ability to weave lyrical recollections with bold -and at times- cutting images. The book is divided into three sections - Irish, Italian, and Queer but memory is the connective tissue through this sprawling collection that reveals much about our human need for story-telling and self-reflection as much as our burning desire spiritually, intellectually, sexually, and emotionally for connection. D'Alessandro pays tribute to a variety of influences and forces in his life and poets he admires: *There Is Time Here* is a stirring nod to Jamaal May's *There Are Birds Here*; *Out Of Place* shares the title of the novel by Italian American and D'Alessandro's mento Joseph Papaleo; *The Sandbox*, after the classic Edward Albee play - another of the D'Alessandro's mentors, is an ode to a dying parent; and the powerful *Mind Yerself* which is offered in thanks to the late Ciaran

Carson and tells a woman's immigrant story while informing the reader that Mind Yerself is Irish for I love you. Finally, the shortest poem in the collection. Seeing Her Smile, Sometimes Never gives a colorful nod to E. E. Cummings. As scholar and author, Pamela Rader wrote: Franco

D'Alessandro's poetry, instead of fracturing and alienating, unites and gathers both the personal and the collective human experiences as unique but shared experiences of love, friendship, passion, and loss. In the immediacy of its expression, D'Alessandro's poetry articulates both the palpable urgency to live and the pensive potency to reflect on the past and on what has been...

(He) seeks a correspondence, similar to that of French Symbolist poet Charles Baudelaire, between the earthly realm of human experiences to the interpretive realms of language. Italian-based, Irish writer/journalist Hugo McCafferty writes: Franco D'Alessandro's poetry is the silver thread that weaves together the major events, places, people and themes of his life. His work has a sense of time and place, that the past is present within us and around us, through the deeply held memory of a mother's touch or the unending admiration of a father's square shoulders, we become that which we love. Ireland, Italy, and love are the themes that form the pillars of this work, the pantheon of a life lived with the passion of an Italian, the recklessness of an Irishman and the sensitivity of an artist. There is tenderness here despite having weathered the winter of life's harshness, there is not a hint of cynicism, but instead quiet ebullience that is a

gift of hope to us all. To read and feel the poems in 'Everything is Something Else' is to walk the cobblestoned streets of Rome, or Galway or the sun-baked sidewalks of New York with him and to know that you too are home.
