Think Like a Goat Lisa Deresti Betik,2023-10-03 Think humans are the only intelligent creatures? Think again. Sure, humans are smart. But scientists are discovering that we can learn a lot from some super-smart animals. For example: some birds can store seeds in thousands of different places - and remember them all! Octopuses can camouflage themselves as other animals or objects to avoid predators. Ants can work together on tasks by following instinctive algorithms. This fascinating book, covering four intelligence categories, celebrates all kinds of critters - each with their own kind of smarts! Who can look at animals the same way again? Kids will love this mind-expanding view of creatures great and small!
