The Indwelling of the Trinity Francis L. B. Cunningham OP,2008-11-17

Writings on the Trinity, Grace, and Faith Jonathan Edwards,2003-01-01 In this collection of writings drawn from Jonathan Edwards's essays and topical notebooks, the great American theologian deals with key Christian doctrines including the Trinity, grace, and faith. The volume includes long-established pieces in the Edwards canon, newly reedited from the original manuscripts, as well as documents that have never before been published and that in some cases reveal new aspects of his theology.

Handywork of the Trinity Roy Crase,2002-12 It has been said that if you want to know what God is like, then look at the creation. This intriguing thesis will be examined. The numerous discoveries of science are like a picture puzzle scattered far and wide. Yet, if the physical, social, and philosophical sciences are considered in overview, the puzzle pieces are seen to interlock with wonderful clarity. From the smallest to the largest components, relationships, and concepts, they are readily classified in units of three. This structuring of reality is so pervasive at every level, that it boggles the imagination. This book explains in detail how the triadic design of nature is best understood as the unique Handiwork of the Trinity.

The Intel Trinity Michael S. Malone,2014-07-15 Based on unprecedented access to the corporation's archives, The Intel Trinity is the first full history of Intel Corporation—the essential company of the digital age— told through the lives of the three most important figures in the company's history: Robert Noyce, Gordon Moore, and Andy Grove. Often hailed the “most important company in the world,” Intel remains, more than four decades after its inception, a defining company of the global digital economy. The legendary inventors of the microprocessor-the single most important product in the modern world-Intel today builds the tiny “engines” that power almost every intelligent electronic device on the planet. But the true story of Intel is the human story of the trio of geniuses behind it. Michael S. Malone reveals how each brought different things to Intel, and at different times. Noyce, the most respected high tech figure of his generation, brought credibility (and money) to the company's founding; Moore made Intel the world's technological leader; and Grove, has relentlessly driven the company to ever-higher levels of success and competitiveness. Without any one of these figures, Intel would never have achieved its historic success; with them, Intel made possible the personal computer, Internet, telecommunications, and the personal electronics revolutions. The Intel Trinity is not just the story of Intel's legendary past; it also offers an analysis of the formidable challenges that lie ahead as the company struggles to maintain its dominance, its culture, and its legacy. With eight pages of black-and-white photos.

You Shall Know Them by Their Fruit Crystal Wolfe,2023-09-08 Each day in this devotional focuses on an aspect of a fruit or gift of the Holy Trinity. It starts with a Bible quote, and then it goes into an explanation of how this quality exemplifies the Father, Son, and Holy Spirit. It also includes prayers, stories, and ways to cultivate these gifts and fruits. Examples: love, faith, hope, gentleness, loyalty, patience, vision, honesty, and so many more!

The Trinity and Our Moral Life according to St. Paul Ceslas Spicq,2004-05-19 Roman citizenship was important to St. Paul for it brought privileges and powers granted to no other men. Yet with this in mind, after his conversion, Paul tells the community of Philippi, As for us, our commonwealth is in heaven. Christians thus, he says, are to claim the citizenship of heaven, fully aware of the privileges, powers, and responsibilities of that great destiny. From the writings of St. Paul, the author shows how the Saint wishes us to live as citizens of heaven: Christians, you are already saved from the moment of your baptism; you are already glorified with Christ here and now. The author first shows how the paganism of the times indicated the necessity of revelation from God and how this revelation came from the Father in the person of Christ in the New Testament. Christians as a result must express their gratitude to the Father by living anew in Christ Jesus. This Christian concept of life is not a mere institution involving a moral code and abstract doctrine, but is rather summed up in the Person of Christ. The Christian can accomplish this by the work of the Holy Spirit, who fosters a life of faith in Christ, dominated by a love and a freedom of the children of God. The fruit of this conformity to the Spirit is the beauty of the moral life. Yet for all its nobility, such a life is incomplete. Fulfillment comes only in heaven where those who have struggled to obtain the victory will merit the living and eternal crown of blessedness with the Trinity. Filled with the spirit of St. Paul, this volume will be of great value to those who seek a sound Scriptural theology. The great Pauline themes are marvelously interwoven and highlighted in presenting a unified spiritual doctrine.

A Way in to the Trinity Gerald O'Mahony (S.J.),2004 God is: unconditional love, gratefully received, safely returned. The way in to the Trinity for anyone is a way in to the mystery of love, and the story turns out to have a happy ending. The mystery of the Trinity was revealed to us, not to stop us thinking, but to start us loving. I have never read anything on the Trinity which is as life-giving as this book. The mystery, instead of appearing unintelligible and better left alone, remains mystery, but becomes something exciting, energizing, a source of life, the source of our own lives, which can never be exhausted by any amount of exploration Gerard W Hughes SJ GeraldO'Mahony completed this book in his 50th year as a Jesuit, his 38th as a priest, and his 20th year as a retreat director and author working in Loyola Hall Jesuit Spirituality Centre in England.

Create a Trinity Lifestyle dr bo bryson,2013-07-10 What does it mean to ‘Create a Trinity Lifestyle?’ It is cultivating a lifestyle that is centered, balanced and renewing. It is purposing to have a lifestyle that is determined, disciplined and devoted. It is maintaining a lifestyle that can be shockingly simple yet deeply healing and restorative. It is to evaluate your life regularly and take risks. It is to realize you are not alone. It is to know your actions affect yourself and others but more than that, those same actions reflect your attitude and values. Are you ready to Create a Trinity Lifestyle? But know what you learn may forever change the ‘soil of your life.’

Advent to Trinity Alfred Garnett Mortimer,1881

The Lion, the Dove, & the Lamb A. Bryden Black,2015-06-22 How might the formal Christian doctrine of the Trinity make a real concrete difference in the lives of individuals and in the life of the church? This book proposes there are two parts to answering this important but elusive question. In the first place, how on earth did the Early Church actually reach its conclusions about this understanding of God, and why? What's the real point behind their endeavors? How might we apprehend what is otherwise sheer mystification--or even nonsense in some people's minds? Arising out of the answers to such questions, we can secondly construct an appropriately simple model of the Trinity. By means of this model, we can understand with sufficient justice the ways the triune God has come among us in our human history, ways that are still ongoing today. For the proposed model allows us to begin to appreciate the true mystery of the Christian Faith, while also making a practical difference to the lives of Christian discipleship, in prayer, worship, and mission.

The Renewal of Trinitarian Theology Roderick T. Leupp,2008-10-01 Roderick Leupp explores the terrain of contemporary trinitarian theology. While his approach is thematic, he introduces readers to the essential elements of the important trinitarian theologians of the past half-century.

The God Who Gives Kelly M. Kapic,2018-06-12 Many Christians wonder what the Christian life is all about. They hear about “grace” but struggle to rightly understand it, much less live it. They are taught about God, but their vision of him does not always reflect the full biblical portrait of the Father, Son, and Holy Spirit. When this happens Christians struggle to know the ways of God and how to joyfully participate in his work. The God Who Gives provides a compelling vision of Christian faith and life, helping readers discover the uniqueness of the gospel—that God's kingdom comes not by taking, but by giving—God gives Himself! We are invited into the fullness of life that can only come through the gift of God's divine generosity. Taking readers through the grand biblical narrative of creation, fall, redemption, and kingdom author Kelly M. Kapic helps us see our story in and through the story of Scripture. He shows that everything belongs to God, and yet because of our turning and taking from him we experience a kind of suffocating bondage to sin. So how does God reclaim us? God gives again. The God who gave in creation restores by recreating us through his Son and by his Spirit. The kingdom of God is an overflowing measure of divine generosity that we are invited to participate in. The God Who Gives calls readers to discover that the whole Christian story is founded upon the Triune God's self-giving and our belonging to God. Fully

embracing this truth changes how we view God, ourselves, and the world. Living in God's gifts, we are freed to give ourselves and truly experience life.

God's Trinity Demystified Adedeji David Adeoye,2014-07-29 Gods Trinity Demystified is an academic and resource material for seminary and university students and lecturers, pastors and teachers of Gods Word. It confirms that the decision of the ecumenical councils of Nicaea (AD 325) and Constantinople (AD 381) to authorize the Doctrine of Trinity was right, because the decision was in agreement with the Bible, even though the word trinity is not mentioned in it. Gods Trinity Demystified reveals what qualified Jesus to be called the Word. It also reveals that the pronoun us in Genesis 1:26 does not refer to three persons. Read and see reason explain mystery.

Leaves of Healing ,1904
The Trinity in the Gospel of John Royce G. Gruenler,2004-04-08 No book in the Bible says more about the Trinity than the Gospel of John. Of the innumerable commentaries published on this much loved Gospel, few have focused on this central theme. I have tried, writes the author, to listen to the discourses of Jesus in John and draw forth the disclosures of God's social nature in the activity of the incarnate Son. He discovers something quite remarkable about the attitude of the persons of the Triune Community, something he calls disposability. Father, Son, and Spirit are there for the other, ...servants who place themselves at the other person's disposal in an act of total generosity. They serve not only each other but also the fallen human race, and the creatures they redeem are invited to wash one another's feet as servants to the world. Devoted Bible students will find in this thematic commentary a dimension to the Gospel of John they may have noticed only vaguely. As they follow the author through this Gospel chapter by chapter, they will acquire a far deeper understanding of the Triune God, whom they serve because he has served them.
