Swords of the Steppes Harold Lamb, 2014-08 A master of driving pace, exotic setting, and complex plotting, Harold Lamb was one of Robert E. Howard's favorite writers. Here at last is every pulse-pounding, action-packed story of Lamb's greatest hero, Khlit

the Cossack, the “wolf of the steppes.” Journey with the unsung grandfather of sword and sorcery in search of ancient tombs, gleaming treasure, and thrilling landscapes. Match wits with deadly swordsmen, scheming priests, and evil cults. Rescue lovely damsels, ride with bold comrades, and hazard everything on your brains, skill, and a little luck. This four-volume set collects for the first time the complete Cossack stories of Harold Lamb: every adventure of Khlit the Cossack and those of his friends, allies, and fellow Cossacks, many of which have never appeared between book covers. Compiled and edited by the Harold Lamb scholar Howard Andrew Jones, each volume features essays Lamb wrote about his stories, an informative introduction by a popular author, and a wealth of rare, exciting swashbuckling fiction. In the concluding volume, gallop into adventure with Khlit and Kirdey for their final challenge in *The Wolf Master*, out of print since 1933. Then, delve into a treasure trove of stories gleaned from rare magazines: an account of a desperate mission for Khlit’s old friend Ayub; three tales of the valorous Koum and the champion swordsman Gurka; two daring ventures by Stenka Razin, the Robin Hood of the steppes; five short stories of Uncle Yarak, a Cossack fighting in World War II; and more than a half dozen other

swashbuckling tales from the steppes.

The Swords of Darkness Swarnim,2014-02-26 A cadre of four siblings, three boys and one girl, the eldest being Ichiro, a boy of 13, live without their parents in Serran, the capital of The Spirit Island as their parents are sailors and hardly ever meet them. Everything goes well. But of course, only as long as god wants it to. On his thirteenth birthday Ichiro receives a letter and a gift apparently from their parents. The letter claims their parents to be dead and the gift being the fabled spirit fruits. There are instead four metallic spheres in the box. Definitely not something a human can digest. None of them believes the letter, but when Ayami, the youngest of the four, takes a bite from one of those four supposed-to-be-fruits, and Ichiro follows, they are gifted with supernatural powers. Following the instructions of the letter, they then start training with the newly-gifted powers and on Ichiro's fourteenth

birthday, set off on a journey to revive their parents by defeating the evil soul, the one that has managed to keep the Spirit God a captive. To become worthy opponents of the evil soul, they have to go through twelve forts at each of which they have to defeat a guardian, most of who arent even humans, and thus obtain more spirit fruits, each one making them stronger. The guardian of the very first fort is an immortal genius and renders the siblings powerless, literally, though a machine called the disc of power. Will they fight through it all? Alone? Definitely not. With some help? Who knows.

All four books in 'Fall Of The Swords', a series of fantasy novels by Scott Michael Decker, now in one volume! **The Peasant:** Following a civil war, an empire grapples with the devastating fallout. His conscience heavy, Peasant General Guarding Bear wants to usurp the tyrannical emperor's throne. But the general's rivals continue to play games, seeking to avenge their name and reclaim the Northern Imperial Sword. With his reign threatened and no progeny to his name, the Emperor plots to conceive an heir by stealth. **Soon,** Guarding Bear enters a world of deception, smoke and mirrors, and must decide where his loyalties lie. **The Bandit:** Tired of lying in wait, the exiled Noble Bandit seizes his chance at revenge. Meanwhile, as the birth of the Royal Twins nears, Peasant General Guarding Bear is repatriated by the Emperor. **Fearing** for the safety of his heirs, the emperor orders the general to lay siege to his enemy's fortress. In preparation, the general recruits the aid of a powerful wizard and a skilled young healer – but none of them suspects a traitor in their midst. As loyalties are tested and new alliances made, who will rise above and claim victory as their own? **The Heir:** The future of the Empire hangs in the balance. Separated from birth, the Royal Twins have been

raised in opposite corners of the empire. Meanwhile, bandits continue to lay waste to the kingdom in their attempt to force the Emperor to relinquish the Northern Imperial Sword. Among them is the Noble Bandit, nemesis of Peasant General Guarding Bear. Tasked with rearing one of the twins, the Peasant General wastes no time in preparing the boy for his destiny of ridding the kingdom of the bandits once and for all. But long-kept secrets are brought to life as the Heir is mistaken for his long-lost brother, and his new rival declares himself Emperor of the northern lands. Their path leads them towards a final confrontation that will forever change the fate of the realm. The Emperor: Seeking Sword looks to the south for only one thing: The Northern Imperial Sword, which now lies dormant in the vaults of the Eastern Empire. Without it, Seeking Sword will always be a bandit. And to get it, he'll have to defeat the Heir. Abandoned to bandits as an infant, Seeking Sword has known adversity, but nothing has prepared him to lead a campaign against such an adversary. It isn't the Heir's formidable fighting skills nor his tactical acumen that so dismays the bandit Emperor. It's the beloved devotion of his people.

Swords of the Legion Harry Turtledove, 2011-03-23 In Videssos the city, tribune Marcus Scaurus was bored. The legion that had

been magically transported to this strange world was far away. But the Emperor's niece Alypia was near -- and willing. When their secret trysts were betrayed, Emperor Thorisin Gavras was forced to condemn Marcus as a traitor -- but with a promise of freedom and Alypia, if he could reclaim a rebel province from a fanatic usurper, with no military aid. With only centurion Gaius Philippus, Marcus set out to try the seemingly impossible task. But the fates conspired against them, driving them further westward, into the innermost sanctum of Videssos' great enemy Yezd -- and toward the torture chambers of the evil, deathless wizard-prince Avshar. But behind them, without orders, the men of the legion were on the march! From the Paperback edition.

Living by the Sword Kristen Brooke Neuschel, 2020-11-15

Sharpen your knowledge of swords with Kristen B. Neuschel as she takes you through a captivating 1,000 years of French and English history. Living by the Sword reveals that warrior culture, with the sword as its ultimate symbol, was deeply rooted in ritual long before the introduction of gunpowder weapons transformed the battlefield. Neuschel argues that objects have agency and that decoding their meaning involves seeing them in motion: bought, sold, exchanged, refurbished, written about, displayed, and used in

ceremony. Drawing on evidence about swords (from wills, inventories, records of armories, and treasuries) in the possession of nobles and royalty, she explores the meanings people attached to them from the contexts in which they appeared. These environments included other prestige goods such as tapestries, jewels, and tableware—all used to construct and display status. *Living by the Sword* draws on an exciting diversity of sources from archaeology, military and social history, literature, and material culture studies to inspire students and educated lay readers (including collectors and reenactors) to stretch the boundaries of what they know as the war and culture genre.

Sword of Mycenae Richard Dawes, 2021-04-27 While passing through the Caucasus Mountains, Valka the Wolf Slayer encounters the hero, Heracles of Thebes. He battles Heracles several times, each fight resulting in a draw. After they free Prometheus from the chains binding him to a mountain peak, the three men decide to continue on together. Valka is with Heracles when he battles the Stymphalian Birds, wrestles the giant, Antaios, fights the man-killing Amazons, steals the Golden Apples of the Hesperides, and descends with him to the Underworld to bring back the demon-dog, Cerberus. In a dramatic finale, Valka

accompanies Heracles to his funeral pyre, and lights the fire upon which the hero will ascend to Olympus.

3 Swords Japonica F. Edmonds Smith,2013-08-02 Japonica F. Edmonds Smith is a seasoned writer of poetry, prose, and inspirational short stories. In God's now latter blessings rain! I shall continue to seek the Father in order to give His people divine revelation in their thoughts as well as in their walk within their lives. It is the Father Jehovah that inspires us spiritually to draw the reader inward, in order to have an intimate walk within our heart to walk with Him. It is without question that it is God who awakens

one's heart to seek His son, Jesus. It is He that wants His plan and purpose to be fulfilled in our lives and to show us that in the midst of life trials, there is still a word from the Father. God has always been concerned about you, the saints of God in Christ Jesus. He loves you with an everlasting love. He showed humanity His agape love, when He thought it not robbery to give His Son, Jesus, to take our place, by being on the cross. That was designed for the sins of humanity ... each and every one of us individually! Thank God for His Son! We have been redeemed by His blood! IT IS FINISHED! His immeasurable love raised Jesus from the dead. Hallelujah! For He sent forth His Son that we might have life and life that more abundantly, so that we will have true intimacy, fellowship, communion, and relationship with Jesus. After all is said and done, after we have repented, we shall have true forgiveness from our sins, thereby receiving healing, growth, and restoration for ourselves as we restore love to one another with forgiveness! With the sword of the spirit in my mouth, I decree as well as command, that I am a victorious woman of God, without any constraints to do the will of the Father Jehovah in Jesus' name. Amen! It is God's will for all the saints of God to seek and to save those who are lost—to teach the found to go after the lost, so that all shall be

saved and none perish.
