Using FTP Mary Ann Pike, Noel Estabrook, 1995 This book is the complete guide to finding FTP sites and using FTP software. Readers can quickly find useful software and information resources that can be downloaded for free. For anyone who has an Internet account and wants to make better use of it by finding and getting free software, graphics, games and more.

FTP Protocol Noite.pl, File Transfer - FTP Micro-course concentrates on operation of FTP - the protocol used to transfer files over the Internet. - It is the oldest protocol, which main task is two-way file transfer. Nowadays more and more popular are HTTP protocols - small files are downloaded directly from a web page or the BitTorrent protocol is used for the propagation of large files. However, for example, when creating a file repository for third party company (eg leaflets, high-resolution product images) the FTP is still unreplaceable. The course describes how to test the FTP server on the basis of information about the operation of this protocol. The course also explains why some older firewalls cannot handle this protocol and how to fix it.

Learning FTP. ,2014 FTP, or File Transfer Protocol, is the primary method of uploading and downloading files on the web. In this short course, Scott Simpson helps you understand how essential FTP is to users and the administrators who support them, and shows how to connect to FTP servers from the command line, a client, or a browser. Scott also explains how to transfer data more securely using SFTP.
