Wallace J. Nichols

Frida Kahlo ,2021-10 **Frida Kahlo: Her Universe**, published under a joint imprint by Editorial RM and Museo Frida Kahlo, allows us to refresh and bring up to date the rich diversity of themes, ideas, concepts, and emotions generated around two fundamental and iconic figures in modern Mexico: Frida Kahlo and Diego Rivera. Based on the 2013 edition, sponsored by Bank of America and produced in collaboration with the magazine Vogue Mexico and Latin America, this new edition gathers a range of essays by specialists on the various subjects it addresses.

Picturing Prince Steve Parke,2017-04-06 **PICTURING PRINCE** sees the late icon's former art director, STEVE PARKE, revealing stunning intimate photographs of the singer from his time working at Paisley Park. At least half of the images in the book are exclusively published here for the first time; most other images in the book are rare to the public eye. Alongside these remarkable images are fifty engaging, poignant and often funny written vignettes by Parke, which reveal the very human man behind the reclusive superstar: from shooting hoops to renting out movie theatres at 4am; from midnight requests for camels to meaningful conversations that shed light on Prince as a man and artist.

STEVE PARKE started working with Prince in 1988, after a mutual friend showed Prince some of Steve's photorealistic paintings. He designed everything from album covers and merchandise to sets for Prince's tours and videos. Somewhere in all of this, he became Paisley Park's official art director. He began photographing Prince at the request of the star himself, and continued to do so for the next several years. The images in this book are the arresting result of this collaboration.

Blue Mind Wallace J. Nichols, 2014-07-22 A landmark book by marine biologist Wallace J. Nichols on the remarkable effects of water on our health and well-being. Why are we drawn to the ocean each summer? Why does being near water set our minds and bodies at ease? In **BLUE MIND**, Wallace J. Nichols revolutionizes how we think about these questions, revealing the remarkable truth about the benefits of being in, on, under, or simply near water. Combining cutting-edge neuroscience with compelling personal stories from top athletes, leading scientists, military veterans, and gifted artists, he shows how proximity to water can improve performance, increase calm, diminish anxiety, and increase professional success. **BLUE MIND** not only illustrates the crucial importance of our connection to water—it provides a

paradigm shifting blueprint for a better life on this Blue Marble we call home.

La génération Y et le luxe Eric dit Darkplanneur

Briones,Grégory Casper,2014-04-23 « 83 % des 18-30 ans ne trouvent pas choquant d'acheter un produit de luxe en période de crise » selon une étude Meltysgroup de 2013. Déjouant tous les a priori, la génération Y aime et achète du luxe. Mais en retour, elle exige que le luxe se transforme et s'adapte à elle. Compulsifs et économes, fans et rebelles, classiques mais aussi modernes, ces nouveaux consommateurs sont cruciaux dans l'avenir des secteurs du luxe, de la mode et de la beauté. Mais comment les comprendre, les conquérir, les fidéliser ? Répondre à cette question est tout le projet de ce livre qui s'adresse aux professionnels du luxe, de la mode, de la beauté et aux étudiants. Chacun y trouvera : • un cahier de tendances illustré par de nombreuses études de cas ; • 22 outils stratégiques dédiés ; • des résultats d'études exclusives ; • une synthèse de 100 interviews.

Beautified China Kris Provoost,2019-10-07 Beautified China shows the country's modern architecture in new light - CNN Style Photo-Series Provides an abstracted look at China's iconic architecture, - ArchDaily.com. This book of stunning photographs

by architect and photographer Kris Provoost captures the wave of the architectural revolution in China. Internationally renowned architects such as Zaha Hadid, Rem Koolhaas, Ole Scheeren, Herzog & de Meuron, Daniel Liebeskind and many others have been engaged in creative, futuristic, and flamboyant projects in China in recent years. The sky is literally the limit, both in terms of construction, use of materials and design. Unimaginable forms, which defy all rules of gravity, come to life in immense skyscrapers. Beautified China offers an overview of these revolutionary designs, capturing their surreal impact in photographs that explore the free play of form that characterises each building. The book features essays by Rem Koolhaas, Ma Yansong & Ole Scheeren, among others, and each photograph is accompanied by information pertinent to the project, including function, environment, and context. AUTHOR: Kris Provoost is a Belgian architect and photographer. After receiving his Master's in Architecture, he moved to China, where he further expanded his career. He worked for, among others, Zaha Hadid Architects & Buro Ole Scheeren. He also focuses on architectural photography. His work has previously appeared in CNN Style, Dezeen, ArchDaily, Designboom, gooood, That's Mag Beijing, Time Out Shanghai, Abduzeedo, Fubiz, and T-

Magazine. SELLING POINTS: * A photo essay by Belgian architect and photographer Kris Provoost capturing the boldest and most iconic structures of the architectural revolution in China * Striking images of fantastical buildings from unexpected angles and perspectives 180 colour, 40 b/w images

Latinitas Juliet Menéndez, 2021-02-23 Dream big with the Latinitas in *Latinitas: Celebrating 40 Big Dreamers*. Discover how 40 influential Latinas became the women we celebrate today! In this collection of short biographies from all over Latin America and across the United States, Juliet Menéndez explores the first small steps that set the Latinitas off on their journeys. With gorgeous, hand-painted illustrations, Menéndez shines a spotlight on the power of childhood dreams. From Supreme Court Justice Sonia Sotomayor to singer Selena Quintanilla to NASA's first virtual reality engineer, Evelyn Miralles, this is a book for aspiring artists, scientists, activists, and more. These women followed their dreams—and just might encourage you to follow yours! The book features Sor Juana Inés de la Cruz, Juana Azurduy de Padilla, Policarpa Salavarrieta, Rosa Peña de González, Teresa Carreño, Zelia Nuttall, Antonia Navarro, Matilde Hidalgo, Gabriela Mistral, Juana de Ibarbourou, Pura Belpré, Gumercinda Páez, Frida Kahlo,

Julia de Burgos, Chavela Vargas, Alicia Alonso, Victoria Santa Cruz, Claribel Alegría, Celia Cruz, Dolores Huerta, Rita Moreno, Maria Auxiliadora da Silva, Mercedes Sosa, Isabel Allende, Susana Torre, Julia Alvarez, Sandra Cisneros, Sonia Sotomayor, Rigoberta Menchú Tum, Mercedes Doretti, Sonia Pierre, Justa Canaviri, Evelyn Miralles, Selena Quintanilla, Berta Cáceres, Serena Auñón, Wanda Díaz-Merced, Marta Vieira da Silva, Alexandria Ocasio-Cortez, and Laurie Hernandez. Godwin Books

Wet Dog Sophie Gamand, 2015-10-13 An adorable and hilarious collection of dog photographs. Every dog owner knows too well the fun and misery of bath time: the wriggles, the poignant looks, the playful splashes. **WET DOG**, by photographer Sophie Gamand, is a stunning and touching capture of this intimate moment. Elevating dog photography to the status of art, these expressive portraits of our canine friends mirror our very own human emotions.

Nostalgie im Upside Down Jutta Steiner, 2019-06-26 Nostalgie und Retro haben in der postmodernen Medienkultur Hochkonjunktur. Dazu gehören das Recyceln von Narrativen, Bildern, Sounds, Figuren und Stilistiken einer oftmals nicht weit zurückliegenden Vergangenheit. Häufig stehen Retroprodukte

allerdings unter dem Verdacht, bloß oberflächliche Simulationen von Vergangenheit zu sein. Viele Revival-Trend-Formate bauen auf dem nostalgischen Kapital bereits erfolgreicher Vorgänger auf und präsentieren eine gute alte Zeit, ohne sie kritisch zu hinterfragen. Dennoch gibt es auch Filme und Fernsehserien, die ihre Rückschau auf Formate mit sozialkritischen und emanzipatorischen Potenzialen fokussieren. So zum Beispiel die erfolgreiche Netflix-Serie *Stranger Things*. Jutta Steiner argumentiert am Beispiel dieser Serie, die generations- und länderübergreifend eine wahre Nostalgiewelle unter ihrem Publikum auslöste, für eine differenziertere Betrachtungsweise des Phänomens der Nostalgie. Unter Bezugnahme auf aktuelle Forschungen zum Thema zeigt sie, dass Nostalgie verschiedene Formen des Rückblicks kennt. Sie untersucht, inwieweit Nostalgie dazu verwendet wird, um Rollenbilder, Klischees, Stereotype und Diskriminierungen fortzusetzen oder diese zu hinterfragen. Steiner analysiert das breite nostalgische Angebot von *Stranger Things* und spürt Trigger und Funktionen diverser Nostalgieformen auf. Dadurch hebt sie hervor, dass die Serie Nostalgie als kreative und progressive Ressource nutzt und durch die Neubearbeitung von Stilmitteln, Tropen und Figurenkonstellationen verschiedener Genres aus den

späten 1970er und 1980er Jahren einen originären Status mit kritischem Potenzial erreicht – und ihr Publikum damit zu einer aktiven, reflektierten Auseinandersetzung auffordert.

Steve Mccurry in Search of Elsewhere Steven

McCurry,2020-11-19 A unique collection of previously unseen images spanning Steve McCurry's extraordinary career. Steve McCurry is known for creating some of the most iconic images of recent times and in this new collection, he shares previously unseen photographs from his incredibly rich archive. In Search of Elsewheretakes us across the globe and offers new perspectives on many of the locations that the photographer has already made famous - from India, Myanmar and Cuba, to Kashmir and the white-washed temples of the Himalayas. Each image is reproduced at large format and in remarkable detail and this new compilation reveals the incredible depth of his work. I compare photography to food, air, and sleep... this creative energy, this impulse, is what gives us purpose, pleasure, joy, happiness and love.Steve McCurry
Also available: Steve McCurry: A Life in Pictures

Frida Kahlo. The Complete Paintings TASCHEN,2021-05-15

Frida Kahlo, Mexican artist and champion of justice and women's rights, transformed the pain and suffering of her life into enduringly

powerful paintings. This XXL monograph brings together all of Kahlo's 152 paintings in stunning reproductions.

Between Nowhere & Never Reginald Van De Velde, Mirna Pavlovic, 2015-10 Reginald Van de Velde takes photos of forgotten places, of abandoned spaces where time has ground to a halt. His haunting photos are simply breathtaking. Many exclusive locations that have never been photographed before. The unknown and the unseen have always held an undeniable appeal to the human nature. In a world that is ever growing and changing, there are places that inevitably slip out of memory and out of sight. Reginald Van de Velde's *Between Nowhere & Never* shows the past splendor of derelict hospitals, mothballed monasteries, defunct power stations, crumbling castles and many other dormant structures. As a devoted traveller, he journeys into forsaken places all over the world, trying to capture the momentum of a fragile abandonment - the result of an intangible desire to explore what mankind has left behind. The chapters written by Mirna Pavlovic weave the photographs together into a larger narrative, providing an insight into the photographer's thoughts and motivations, and breathe in new life to places desperately searching for it. With the reverberation of time as a vantage point, this book will take you on a

journey to places that exist between nowhere and never.

Lois Greenfield William A. Ewing, 2015 Lois Greenfield's unique approach to photographing the human form in motion has redefined the genre of dance photography and transcended its limitations. Rather than shooting literal moments from a dance, Greenfield captures split-second movements created specifically for her camera. Her astonishing images of dancers in mid-flight appear to defy all laws of physics, with her performers seeming to levitate and assume incredible sculptural forms. Moving Still charts Greenfield's shift to colour photography and from shooting with a film camera to a digital camera. It also illustrates the evolution of her individual style pioneered in her previous books, *Breaking Bounds* and *Airborne*. These radical changes over the last fifteen years or so have influenced the way she conceives her pictures and have seen Greenfield move from capturing high-energy moments to exploring more ambiguous and enigmatic scenarios - without any digital manipulation. The book showcases more than 150 of these breathtaking new images featuring leading contemporary dancers and well-known dance companies. Divided into four picture sections, the free-flowing, rhythmic design of the book reflects the dynamism and grace of Greenfield's photographs.

William A. Ewing, the eminent photography writer and curator, contributes an interview with the photographer about her work, as well as an introduction. Greenfield herself, through commentaries on the photographs, offers fascinating insights into her creative process behind the camera and the challenges she faces in shooting these images. The result is an absorbing journey through Greenfield's work that celebrates not only contemporary dance, but also the transformative power of photography.

Urban Geometry Andres Gallardo Albajar, 2020-10-08 From Stockholm to Seoul, Tartu to Taipei, Spanish photographer Andres Gallardo Albajar has travelled the globe to capture the mesmerising silhouettes, colourful juxtapositions and angular forms of the world's most exciting buildings. Set against vivid skies, these buildings pop with colour, shape and geometric patterns making the book a riotous celebration of contemporary architecture.

If You Can Cut, You Can Collage Hollie Chastain, 2017-11-07 If You Can Cut, You Can Collage is specially designed for people who feel like they can't make art. Want to know a secret? You can. You just need a little inspiration, instruction, and confidence. Collage is a wonderful creative outlet, particularly for people who want to make art, but don't feel they have the skills or confidence

for other endeavors. You can still explore and experiment with color, composition, and various themes and end up with exciting and often unexpected results. If you Can Cut, You Can Collage takes some of the mystery out of collage through easy illustrated pages that show you the basic techniques of collecting and cutting imagery, composing and adhering compositions, and then provides a wealth of exercises that get readers going on their own creative projects. We'll get you started with simple, focused, projects like making a collage with only circles, where you'll learn important concepts like how to create a focal point, how to use repetition successfully, how to achieve contrast, balance, symmetry, and more. You'll be incorporating vintage ephemera, typography and lettering, and even urban and found materials in no time

Skate the World Jonathan Mehring, 2015 Hit the streets with 200 exhilarating photographs of the worlds greatest professional skateboarders in action. In this dynamic collection, award-winning photographer Jonathan Mehring takes us from New York to Hong Kong to Istanbul and beyond as he sets out to capture the heart and soul of skate culture on six continents. Featuring stars like Tony Hawk, Nyjah Huston, and Eric Koston, Mehrings images have been published in top skateboarding magazines, and ESPN named

him one of the sports ten most influential people. Now, in his first book, Mehring invites us along on his exhilarating photo adventures across six continents. By capturing these experiences on camera and including complementary images contributed by other top skate photographers, Mehring presents an exciting and artful look at skate culture around the world. With an adrenaline rush on every page, this book celebrates the joy of skateboarding and its power to inspire young people to overcome obstacles on the board and off.--Amazon.com.

Drones escapes Dronestagram, Ayperi Karabuda Ecer, 2017-05-09

The ultimate collection of drone photography from around the world, sourced from the world's leading drone photography website. Once used only by the military for surveillance, drones are now prevalent in everyday life, used for cartography, mail delivery, and now aerial photography. These small, affordable, lightweight, machines can take pictures from up to 500 feet in the air and from places where no other device is able to fly. Created in collaboration with Dronestagram, the world leading drone photography website, and Ayperi Karabuda Ecer, a highly renowned photography editor, *Drones* escapes is the first book to bring together 250 of the very best photographs taken by quadcopters around the globe. Readers will

see the planet from entirely new vantage points, whether it's a bird's-eye view of Christ the Redeemer in Rio de Janeiro, a photograph taken inches away from an eagle in midflight, or a vertiginous shot taken above Mexico's Tamul Waterfalls. There are extended commentaries on how individual images were created and a separate, concise guide containing technical advice on how to use a drone and select the right model. An introduction also discusses how the arrival of drone photography signals a major shift in the history of aerial photography.

Freckles Brock Elbank,2018-09-18 In 2015, the photographer Brock Elbank embarked on a series of portraits to celebrate the beauty of freckles. The result is an intimate series of freckled faces, each with a story to tell. Freckled skin or, to give it its proper name, ephelides, runs in families and is most common in white people with fair skin and red hair, but it occurs in people of all

ethnicities. Although freckles intensify with exposure to the sun, they are now generally thought not to be a sign of sun damage. They generally appear when a child is about seven, and from then on will fade and intensify according to the time of year. There are many who appreciate the beauty of freckled skin, but it may at last be having a more mainstream 'fashion moment' as red-haired models become more common in the media and those with more unusual appearances gain currency. Elbank has always been drawn to unique characters, and for him beauty is 'finding something so incredible that it's unique'. 'I've always loved freckles,' he says. He was inspired to start the series after photographing his son's freckly friend in 2012. 'What I find interesting about the individual characters that I have been fortunate enough to photograph is that many have struggled with their freckles since their infancy and either hated them, or grown to live with them or even like them in adulthood.' He says that many of his subjects come to the studio feeling awkward or vulnerable, but leave feeling liberated after seeing their portraits. This beautiful book, impeccably produced and lovingly photographed, will appeal to lovers of portraiture and of the human body, as well as--of course--to those with freckles themselves.

and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing	knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much	more. One notable platform where you can explore and download free Fubiz PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly
--	--	--

experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their	background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This	convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making
--	--	---

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational	resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Fubiz PDF books	and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free
--	---	---

access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Fubiz free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across

different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at

your fingertips.

FAQs About Fubiz

Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.

Research different platforms, read user reviews, and explore their features before making a choice.

Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer,	tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the	reader engagement and providing a more immersive learning experience. Fubiz is one of the best book in our library for free trial. We provide copy of Fubiz in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fubiz.
