Disrupting the Center Rebecca Hallman Martini,2022-04-15 Strategic partnership offers writing centers a framework for responding to disruptive innovations in higher education. Through partnership, writing centers can simultaneously secure resources and support the practice of tutoring writing in ways that enable moments of resistance, where writing consultants and students can tactically challenge the corporate university through their methods of practice. Disrupting the Center explicates, analyzes, and critiques one particular writing center’s partnership approach to collaboration with disciplinary faculty and upper administrators across the curriculum. Using on-site research and critical ethnographic study from one university writing center, Rebecca Hallman Martini establishes an innovative, cross-disciplinary partnership approach to writing instruction in which peer tutoring plays an integral curricular role. Case studies detail three partnerships that respond directly to existing or potential disruptive innovations in higher education and showcase important concepts: mapping mutual benefit and stakeholder engagement in an online studio/hybrid first-year writing program partnership in response to online education, creating negotiated space to work through ethical issues involved when working with a public-private partnership to develop a required extracurricular portfolio project in a business school, and building transformational partnerships through establishing a writing-in-the-professions curriculum in the College of Engineering in response to career readiness initiatives. Disrupting the Center uses interviews, observations, focus groups, analysis of consultations, meetings, and shared documents such as annual reports, budgets, assessment data, assignments, and syllabi to generate a wide view of how systems work. Writing centers are flexible university-wide service spaces where students go for one-on-one and group writing support that can become dynamic spaces for writing pedagogy by disrupting, revitalizing, and reinventing the epistemic foundations of current rhetoric and composition landscapes and traditional approaches to writing.

Why the Long Joke? James Thomas,2016-03-22 This is a very silly book. There are lots of jokes (I mean it; there are hundreds). Also: dozens of stories, poems, diagrams, lists, and cartoons. If you like laughing, oh boy, watch out, because of the aforementioned jokes. Except they're not really jokes. They're more like entries in a contest for the Stupidest Sentence Ever Written. James Thomas decided a few years ago that he wanted to write comedy for the rest of his life. Write for comedy films. Write stand-up. Write humor books. Write funny T-shirt slogans. Write comic strips. Write absurd text adventure games. Write tweets. Write gags for the undersides of rocks. So he declared himself the President of Twitter and enjoyed his new-found glory sitting hunched over a rock with a crayon, putting the finishing touches on this very weird book. In Why the Long Joke? you'll find nuggets of comedy gold, including How to Write a Sentence; Edgar Allan Poe Goes to a Music Festival; and Eleven Drafts of an Opening Paragraph. You'll also find Silver and Bronze winners of yet-to-be-determined microcomedy awards that you have to read to remember. And you can't miss the astonishing original illustrations of Dinosaurs of the Future (they're very big)--

Never Drank the Kool-Aid Touré,2007-04-01 His name is Touré--just Touré--and like many of the musicians, athletes, and celebrities he's profiled, he has affected the way that we think about culture in America. He has profiled Eminem, 50 Cent, and Alicia Keys for the cover of Rolling Stone. He's played high-stakes poker with Jay-Z and basketball with Prince and Wynton Marsalis. In Touré's world, Dale Earnhardt, Jr. sits beside Condoleezza Rice who sits beside hip-hop pioneer Tupac Shakur, and all of them are fascinating company. Never Drank the Kool-Aid is the chronicle of Touré's unparalleled journey through the American funhouse called pop culture. Its rooms are filled with creative, arrogant, kind, ordinary, and extraordinary people, most of whom happen to be famous. It is Touré's gift to be able to see through the artifice of their world and understand the genuine motivations behind their achievements--to see who they truly are as people. This is a searingly funny, surprisingly unguarded, and deeply insightful look at a world few of us comprehend.

Come As You Are G. Scott Graham,2021-06-22 G. Scott Graham first started practicing vipassana meditation in 1996. In addition to his daily practice, Scott joined 10-day courses twice each year, whenever possible, alternating between sitting and serving. Scott joined a course on December 11, 2019. On the early hours of Sunday, December 22, 2019, the day Scott's course ended, his husband of 31 years, Brian Stephens, burned to death in a horrific automobile accident. Two months later, because of the COVID-19 pandemic, the world essentially shut down. In this book, Scott shares his successes, struggles, insights, and shifts from more than a year of grieving-in-isolation. A year where ānāpāna-sati, vipassanā-bhāvanā, and most importantly, mettā-bhāvanā became his most important allies. Most of the people who initially provided support to Scott moved on, as they often do, from those who are grieving. More than an inspirational memoir, Come As You Are provides pragmatic guidance for those who are actively experiencing loss and grief. The reader will find techniques, strategies, and resources. Scott has also chosen to include a month from his personal diary, raw and unedited. An often emotional, heart-wrenching journal where he explored his grief, Scott's intention is to validate the experiences of others who are grieving and to empower them to integrate grief and carry it forward in their life. May all beings be happy. May all beings live with ease. May all beings be at peace.

The Hilliker Curse James Ellroy,2010-09-07 The New York Times bestselling crime writer and author of The Black Dahlia and L.A. Confidential gives us a searing, candid memoir about his obsession with women, his related search for atonement, and his remarkable literary career. • “Forceful and unsparing in its revelations.... Marvelous fury, passion and energy.” —San Francisco Chronicle The year was 1958. Jean Hilliker had divorced her hustler husband and resurrected her maiden name. Her son, James, was ten years old. In a dark moment, he “summoned her dead.” Three months later she was murdered. The curse was evoked, and James Ellroy began his unending pursuit of women. Here, he unsparingly describes his shattered childhood, his delinquent teens, his writing life, his love affairs and marriages, his nervous breakdown, and the beginning of a relationship with an extraordinary woman who may just be the long-sought Her. A startling revelation, a treatise on guilt and the power of malediction, and above all, a heartfelt confession, The Hilliker Curse is a brilliant, soul-baring revelation of self.

I Am Brave. I Am Strong. I Am Kind. Kristin Snow,2019-01-04 There is a lie trying to forge roots into the hearts of those of us that follow Jesus. This lie will steal our joy, ransack our hearts, and leave us bitter. We can hear the lie when someone denies the bravery that they hold as a child of God. We can see it when someone backs down from doing what God asks them to do. We can feel it when the strength it takes to be kind is fleeting. This lie can overwhelm us. It can keep us frozen in fear and make us walk away from doing what we know is right. This lie will keep us in the same spiritual place that we have been for the last ten years. Our enemy will whisper to us the lie that we are not brave, we are not strong, and we are not kind. But the truth that exists in God's word tells us something so very different and defeats every lie told to us. Through Jesus, we are brave enough to do anything He could ask us to do. We are strong enough to push through any fear and overcome. We are kind enough to show the overwhelmed person the love that was first shown to us. We have to learn how to overcome the enemy's lies about who he says we are and live in the chain-breaking truth about who God says we are! I think it's time that we learned to live this life as overcomers, victors, and redeemed children of God. We have to walk in His truth and learn to define ourselves by who God says we are! I am brave. I am strong. I am kind. So are you, child of God. Learn to live it!

Valhalla Underground? R.W. Garcia,2010-08-17 I'd like you to meet my friend Xavier Basch. He hates cops, authority, government; you know, anything that restrains him. Xavier seeks the kind of unattainable freedom that only an anarchical nihilist could dream. The irony is, that his relentless search to realize his own destiny lands him in prison. Now granted, killing a cop would seem to be the most counter-productive attempt to liberate one's self, but Xavier can be a little irrational at times. You see, Xavier's heart is laden with heaviness of his dark past. He represses these memories to such a strong degree, that he passes out frequently. It's like he can control his own amnesia! Inside his lucid dreams, he finds familiar

sights and sounds. A dream world too subtle and boring to be fantasy. In fact, Xavier's dreams are so lifelike that he sometimes confuses the waking world with the dream world. Which poses very intriguing questions. Is his life in prison reality, or are his boring dreams? Is Xavier a heavily confused mental case, or is he the only one who knows the truth? Perhaps the most frightening question is: Is Xavier really Xavier? If I am I And you are you Then, who is X?
