The first great novel of Spanish America (The Times Literary Supplement) • Winner of the National Book Award for Translation in 1967, translated by Gregory Rabassa Horacio Oliveira is an Argentinian writer who lives in Paris with his mistress, La Maga, surrounded by a loose-knit circle of bohemian friends who call themselves the Club. A child's death and La Maga's disappearance put an end to his life of empty pleasures and intellectual acrobatics, and prompt Oliveira to return to Buenos Aires, where he works by turns as a salesman, a keeper of a circus cat which can truly count, and an attendant in an insane asylum. Circuits of Culture Jeffrey D. Himpele, 2008 Set against the background of Bolivia's prominent urban festival parades and the country's recent appearance on the front lines of antiglobalization movements, *Circuits of Culture* is the first social analysis of Bolivian film and television, their circulation through the social and national landscape, and the emergence of the country's indigenous video movement. At the heart of Jeff Himpele's examination is an ethnography of the popular television program, *The Open Tribunal of the People*. The indigenous and underrepresented majorities in La Paz have used the talk show to publicize their social problems and seek medical and legal assistance from the show's hosts and the political party they launched. Himpele studies the program in order to identify the possibilities of the mass media as a site for political discourse and as a means of social action. Charting as well the history of Bolivia's media culture, Himpele perceptively investigates cinematic media as sites for understanding the modernization of Bolivia, its social movements, and the formation of indigenous identities, and in doing so provides a new framework for exploring the circulation of culture as a way of creating publics, political movements, and producing media. Jeff D. Himpele is associate director for the McGraw Center for Teaching and Learning at Princeton University. He is an anthropologist and documentary filmmaker; his films include the award-winning *Incidents of Travel in Chichen Itza* and *Taypi Kala*:

The Time of the Hero Mario Vargas Llosa, 2011-03-04 The action of *The Time of the Hero*, Nobel Prize-winning author Mario Vargas Llosa's first novel, takes place at the Leoncio Prado Military Academy in Lima, Peru. There, four angry cadets who have formed an inner circle in an attempt to ward off the boredom and stifling confinement of the military academy set off a chain of events that starts with a theft and leads to murder and suicide. *The Time of the Hero* presents, with great accuracy and power, the cadets' nightmare life: brutal initiation rights, poker in the latrines, drinking contests; and, above all else, the strange military code which, whether broken or followed, can only destroy. When *The Time of the Hero* was first published in Peru in 1962, it was considered so scandalous that a thousand copies were burned in an official ceremony at the Leoncio Prado Military Academy. That same year, the book received the Biblioteca Breve Prize, an award given to the best work of fiction in the Spanish language. ...[A]s with other fine writers, Vargas functions on more than a single level of meaning. - *The New York Times*

The Man in the Wall James Laughlin, 1993 James Laughlin has been called the American Catullus. Like that most Greek of ancient Latin poets, he elevated his everyday subjects with wit and clarity of language. Love and hate, death and aging, politics, literature, travel, the horrors of war--Laughlin's muse spoke of all these things with a fresh directness that make his poems both timeless and contemporary. The founder of *New Directions*, Laughlin's efforts

as publisher and poet had been to prolong and extend the old poetic traditions. Poetry for him was, in Gertrude Stein's phrase, a continuous present in all times and cultures. Laughlin developed his distinctive tight metrics with the advice of William Carlos Williams. A longer, comical line is found in the recent poems of Laughlin's cheeky doppelganger, Hiram Handspring.
