It's clear to him that neither Penelope nor her unpredictable canine has what it takes...although his boss feels otherwise. Whatever. Jay will never have to work with them and he has half a mind to escort them both right out of town. But when a young boy goes missing, he doesn't have that luxury. Doctor, Patient, Object, Thing Diane Anderson Harvey,2006-09-21 The surgeon bounded into my life uninvited. He was thirty-nine, talented, charming, and a self-proclaimed yuppie. I was sixty-two, a successful academic, popular with my students, and a self-proclaimed teacher. We had little in common, my surgeon and I, except a vulvectomy: a surgery that he would perform and that I would undergo. The vulvectomy was well done, the relationship was not. This is the story of that relationship. Professor Diane Harvey weaves an engaging story about the relationship between a charismatic, confident, competent youngsurgeon in his late thirties and a popular, award-winning senior professor of philosophy. At first, the young man is her surgeon. As the story unfolds, she becomes his teacher. The purpose of the story is to share the sensitive surgical journey of a patient with others, especially those who are undergoing or have undergone personal female surgeries such as hysterectomies, mastectomies, and vulvectomies, and to engage the reader in a discussion about the effect on the patient of assembly-line surgery in which the patient is treated by the surgeon as an object. While the emphasis is on personal female surgeries, any reader, male or female, who has undergone or is facing a surgery for life-threatening conditions, will be interested in the relationship between the surgeon and the patient. Certainly, however, this book is a must-give to your mother, sister, adult daughter, wife, lover, or partner and to any friend traveling the surgical journey.

Sex, Murder and a Double Latte Collection Kyra Davis,2014-03-15 Follow the escapades of writer-turned-detective Sophie Katz in these four sexy mysteries from New York Times bestselling author Kyra Davis.... Sex, Murder and a Double Latte Mystery writer Sophie Katz suspects that a crazed fan is sneaking into her apartment to reenact scenes from her books. And when a filmmaker friend is brutally murdered in the manner of a death scene from one of his movies, she's convinced that a copycat killer is on the loose—and that she's the next target. The man who swoops in to save her is the mysterious new love interest Anatoly Darinsky. Of course, if this were fiction, Anatoly would be her prime suspect.... Passion, Betrayal and Killer Highlights When her brother-in-law turns up dead and her sister is accused of the crime, Sophie's priority is finding the real killer. With or without Anatoly's help. Her brother-in-law's secret life yields plenty of suspects, but the San Francisco police aren't taking any of them seriously. So Sophie does what comes naturally to her: she stirs up trouble (to lure the killer out, of course). Obsession, Deceit and Really Dark Chocolate Sophie's relationship with the irresistible and occasionally insufferable Anatoly is on the rocks when a friend recruits Sophie to decode her allegedly two-timing husband's strange behavior. Suddenly plunged into a crazy world of campaign mudslinging, dirt-digging and cover-ups, Sophie begins to uncover some pretty dirty secrets indeed. Way in over her head as usual, Sophie reluctantly—or not-so-reluctantly—enlists the help of her two-time sidekick and ex, Anatoly. Lust, Loathing and a Little Lip Gloss Sophie is head over heels in love—with a three-bedroom San Francisco Victorian. She's just got to have it, despite a few drawbacks. Her slimy ex is the realtor, and her first tour of the house reveals, well, a lifeless body clutching a cameo with a disturbing history of its own. There's no way Sophie is going to give up the ghost on her dreams of stained glass and original woodwork, though—especially since Sophie is 99 percent sure her problems are caused by someone six feet tall instead of six feet under....
