Christmas A to Z, 2007

Christmas for Kids Matthew Harper, 2014-11-29 * AWESOME FACTS ABOUT CHRISTMAS: I have intentionally selected a specific range of Christmas facts that I feel will not only help children to learn new information but more importantly, remember it.* FUN LEARNING TOOL FOR ALL AGES: This book is designed to capture the imagination of everyone through the use of WoW trivia, cool photos and memory recall quiz.* COOL & COLORFUL PICTURES: Each page contains a quality image relating to the subject in question. This helps the reader to match and recall the content.* INTERACTIVE: To engage and to help hold attention. Some sections require the reader to follow simple instructions in order to continue to the next level. My way of teaching attention to detail combined with coordination.* SHORT QUIZ GAME - POSITIVE REINFORCEMENT: No matter what the score is, everyone's a WINNER! The purpose of the short quiz at the end is to help check understanding, to cement the information and to provide a positive conclusion, regardless of the outcome. Your search for the best Christmas book for kids is finally over. When you purchase from me today, here are just some of the things you can look forward to..... Amazing and extraordinary Christmas facts. This kind of trivia seems to be one of the few things my memory can actually recall. I'm not sure if it's to do with the shock or the WoW factor but for some reason my brain seems to store at least some of it for a later date. A fun way of learning. I've always been a great believer in that whatever the subject, if a good teacher can inspire you and hold your attention, then you'll learn! Now I'm not a teacher but the system I've used in previous publications on Kindle seems to work well, particularly with children. A specific selection of those WoW facts combined with some pretty awesome pictures, if I say so myself! Words and images combined to stimulate the brain and absorb the reader using an interactive formula. At the end there is a short True or False quiz to check memory recall. Don't worry though, it's a bit of fun but at the same time, it helps to check understanding. Remember, Everybody Wins! Merry Christmas.....Matt.

A Visit from St. Nicholas Clement Clarke Moore, 1848 'Twas the night before Christmas, when all through the house Not a creature was stirring-not even a mouse. This timeless poem is so well known to children and so often recited by adults it is virtually a part of our common heritage. Written on Christmas Eve in 1822-in a horse-drawn sleigh with jingling bells according to legend-it evokes the excitement and good cheer of Christmas Eve like no other work of American literature. Paired with

Thomas Nast's drawings of St. Nicholas, from which we derive the classic image of Santa Claus, this lovely edition may well become the quintessential American Christmas book for children of all ages.
