250+ Fundraising Ideas for Your Charity, Society, School and PTA Paige Robinson,2011-01 Containing over 250 practical and effective fundraising ideas, this is an essential book for anyone raising money for charities, hospices, societies, churches, clubs, as well as schools and their PTA. From the sublime (a sponsored blindfold) to the ridiculous (a fancy dress fun run), there is something for every fundraiser in this book. Covering sponsorship ideas, raffles and lotteries, collections and donations, games and activities, things to sell as well as providing many different events and themes you can organise, this indispensable guide also looks at how to use outside businesses effectively as well as social networking sites and the internet. In addition to all this, it provides a diary of awareness dates and important historical anniversaries so you can link your fundraising to national and international activities for maximum publicity. All royalties from the sale of this book are donated to a national children's charity. Overall, an excellent and affordable source of fundraising ideas, inspiration and advice for charities, hospices, societies, clubs, schools, PTAs and anyone wanting to raise money for a good cause.

Fundraising Ideas Molly Russell,2014-12-18 This book is written to assist those planning a fund-raising event, especially for those new to fund-raising, to share hints and ideas to help lead them around some of the pitfalls. Although tackling a fundraising event seems a daunting task to many, Molly Russell's light hearted approach shows that with careful planning, a little hard work and a good sense of humour - fundraising can be fun! This book contains a wealth of useful information in an easy-to-read format. .

10 Fundraising Ideas and Strategies Alex Genadinik,2014-08 This is a relatively short, but very powerful book full of fundraising ideas and insights on how to raise money. Most entrepreneurs struggle when it comes to raising money. Over time I have accumulated different practical strategies for how to raise money for a business, and I explain all of them in this book. This book evolved out of my business coaching practice and my Problemio.com business apps I created. The apps have over 1,000,000 downloads across iOS and Android by entrepreneurs just like you. As entrepreneurs kept asking how to raise money for their business, I kept researching new ways to raise money. In this book, I compiled 10 great ways to raise money for almost any business or nonprofit organization. Not all the fundraising strategies outlined in this book will work for everyone. But many of the strategies should be very possible for most businesses. Additionally, this book goes beyond fundraising strategies. It also covers fundamentals of how much money you need to raise, and helps you understand the fundraising ecosystem, and what various strategies can mean for your business. **HOW MUCH MONEY YOU NEED TO RAISE** Before the book starts suggesting specific strategies, you must first understand how much money you need to raise for your business. The book explains how to calculate how much money you will need to raise so that you can structure your fundraising plans to reach your goals. **STANDARD FUNDRAISING IDEAS** First, I cover some common fundraising strategies like how to raise money by getting loans, grants, investments and donations. These four broad strategies are common, but most entrepreneurs don't know enough about how to get the most out of these strategies. Additionally, while people have been raising money by getting donations for a long time, there is a relatively new way to raise donations, and that is a method called crowdfunding. I explain crowdfunding strategies in the book, and give a number of tips for how to get the most out of it for your business, and what you can realistically expect. **CREATIVE FUNDRAISING IDEAS** Once you explore the standard ways to raise money, the book presents you with a number of creative fundraising strategies where you should use your creativity and resourcefulness to get the funds you need. I sincerely hope this collection of fundraising strategies helps you and I wish you the best of luck with your business. In addition to that, since it is difficult to raise money, the book also covers how to start your business cheaply so that you don't actually need to have as much cash to start your business as you think. For what kind of businesses can you raise money using the strategies in this fundraising book? With the fundraising strategies in this book, you can raise money for a restaurant or diner, coffee shop, barbershop, nightclub, local event, business selling t-shirts, most kinds of stores ranging from boutiques to grocery stores to jewelry shops, animal care or grooming, lawn care or landscaping businesses, moving businesses, gym, frozen yogurt or ice cream shop, a deli, liquor store or a sandwich shop, a beauty salon or a hair salon, a spa, a daycare business, a hardware store, commercial cleaning or residential cleaning, car wash, general contractor business, dog walking or pet sitting, martial arts studio, or a dance studio. Here is a list of potential online businesses for which you can raise money using the strategies in this fundraising book: blogging, affiliate marketing, elearning, create a channel on YouTube, become an author and sell books on Amazon and the Kindle, or become a freelancer or a local concierge.

The Accidental Fundraiser Stephanie Roth,Mimi Ho,Kim Klein,2005-09-29 Are you a volunteer with an organization, school, or project that needs to raise money? The Accidental Fundraiser is a how-to resource that guides you through the process of raising money from your community. The book presents eleven proven fundraising strategies that are easy to carry out and don't require significant funds, large numbers of people, or extensive knowledge of fundraising. The authors, Stephanie Roth and Mimi Ho, show how to choose the right fundraising strategy (from house parties to bowl-a-thons) and include step-by-step instructions for carrying out all of the activities. In addition, The Accidental Fundraiser contains a wealth of worksheets and practical tips.

Fundraising For Dummies John Mutz,Katherine Murray,2010-02-04 The fun and easy way to raise money for your cause Fundraising For Dummies, 3rd Edition shows you how to take advantage of the latest strategies and resources available for raising money through everything from special events to online donations, in both good and bad economic times. The authors teach you how to market your organization using the most up-to-date tools and technologies available through the Internet. This expanded edition also offers information about philanthropy and tax law. Contains new tips and techniques for creating

materials that bring in contributions and support for the more than 1.4 million charitable and nonprofit organizations in the United States Explains how to use social media to keep donors and volunteers engaged through Facebook, LinkedIn, Twitter, and Web technologies Covers grassroots online fundraising and how to host big events on a shoestring budget You'll also find tips on negotiating without alienating donors and developing long-term organizational goals. All these strategies are what makes this resource indispensable!

Fundraising for Social Change Kim Klein,2016-04-18 The bible of grassroots fundraising, updated with the latest tools and methods Fundraising for Social Change is the preeminent guide to securing funding, with a specific focus on progressive nonprofit organizations with budgets under \$5 million. Used by nonprofits nationally and internationally, this book provides a soup-to-nuts prescription for building, maintaining, and expanding an individual donor program. Author Kim Klein is a recognized authority on all aspects of fundraising, and this book distills her decades of expertise into fundraising strategies that work. This updated seventh edition includes new information on the impact of generational change, using social media effectively, multi-channel fundraising, and more, including expanded discussion on retaining donors and on legacy giving. Widely considered the 'bible of grassroots fundraising,' this practically-grounded guide is an invaluable resource for anyone who has to raise money for important causes. A strong, sustainable fundraising strategy must possess certain characteristics. You need people who are willing to ask and realistic goals. You need to gather data and use it to improve results, and you need to translate your ideas in to language donors will understand. A robust individual donor program creates stable and long-term cash flow, and this book shows you how to structure your fundraising appropriately no matter how tight your initial budget. Develop and maintain a large base of individual donors Utilize strategies that pay off sooner rather than later Expand your reach and get your message out to the donor pool Translate traditional fundraising methods into strategies that work for social justice organizations with little or no front money Basing your fundraising strategy on the contributions of individual donors may feel like herding cats—but it's the best way for your organization to maintain maximum freedom to pursue the mission that matters. A robust, organized, planned approach can help you reach your goals sooner, and Fundraising for Social Change is the field guide for putting it all together to make big things happen.

Fundraising Principles and Practice Adrian Sargeant,Jen Shang,2017-03-06 The complete guide to fundraising planning, tools, methods, and more Fundraising Principles and Practice provides a unique resource for students and professionals seeking to deepen their understanding of fundraising in the current nonprofit environment. Based on emerging research drawn from economics, psychology, social psychology, and sociology, this book provides comprehensive analysis of the nonprofit sector. The discussion delves into donor behavior, decision making, social influences, and models, then uses that context to describe today's fundraising methods, tools, and practices. A robust planning framework helps you set objectives, formulate strategies, create a budget, schedule, and monitor activities, with in-depth guidance toward assessing and fine-tuning your approach. Coverage includes online fundraising, major gifts, planned giving, direct response, grants, corporate fundraising, and donor retention, with an integrated pedagogical approach that facilitates active learning. Case studies and examples illustrate the theory and principles presented, and the companion website offers additional opportunity to deepen your learning and assess your knowledge. Fundraising has become a career specialty, and those who are successful at it are among the most in-demand in the nonprofit world. Great fundraisers make an organization's mission possible, and this book covers the essential information you need to help your organization succeed. Adopt an organized approach to fundraising planning Learn the common behaviors and motivations of donors Master the tools and practices of nonprofit fundraising Manage volunteers, monitor progress, evaluate events, and more Fundraising is the the nonprofit's powerhouse. It's the critical component that supports and maintains all activities, and forms the foundation of the organization itself. Steady management, clear organization, effective methods, and the most up-to-date tools are vital to the role, and familiarity with donor psychology is essential for using these tools to their utmost capability. Fundraising Principles and Practice provides a comprehensive guide to all aspects of the field, with in-depth coverage of today's most effective approaches.
