Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Hyperbole and a Half Allie Brosh,2013-10-29 #1 New York Times Bestseller “Funny and smart as hell” (Bill Gates),

Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, "The God of Cake," "Dogs Don't Understand Basic Concepts Like Moving," and her astonishing, "Adventures in Depression," and "Depression Part Two," which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

The New Mrs D Hill Heather, 2014-10-23 After *Shirley Valentine*, after *The First Wives Club* and hot on the naked heels of *Calendar Girls*... there was *The New Mrs D*! Four days into their honeymoon in Greece, Bernice and David Dando have yet to consummate their marriage and after having accepted his almost non-existent desire for sex throughout the relationship, Bernice finally discovers the reason; he is addicted to porn. Learning that the love of her life chooses the cheap thrill of fantasy over her is devastating but then, 'every man does it; it's just looking, right?' If she leaves the relationship because of virtual adultery, will she be labelled as pathological, overreacting, or even worse, frigid? When funny, feisty, forty-something Bernice plans the adventure trip of a lifetime, she doesn't expect to be spending it alone. But as it turns out, unintentionally contributing to a Greek fish explosion, nude karaoke and hilarious misadventures with volcanoes are exactly what she needs to stop fretting about errant husbands and really start living. But when Mr D tries to win her back, Bernice has a

decision to make: is this a holiday from her humdrum life, or the start of a whole new adventure? The New Mrs D is a refreshing, sharp-witted and empowering romp that reflects real life, delves into unspoken about subjects and slaps the reader in the face with honesty. Fleur Ferris, author It is a story about one woman's midlife awakening... on her honeymoon alone. Praise For The New Mrs D ...a humorous and cleverly written story with characters that jump off the page and a plot that will keep you engaged until the last page. - Lisa O'Meara, chicklitclub.com Ms Hill whisks off to the Greek Islands for a colourful adventure. The book is so engaging that I stayed up all night to read it - I downloaded it at 10.30 pm and just kept reading. To say it grabbed me by the short and curlies is an understatement! I totally identified with Binnie and so got it. Heather's light, chatty writing style is refreshingly real and she has all the hallmarks of a truly great story teller. This is a woman's story. It's hysterically funny, empowering and truthful. I hope we see more excellent stories from Heather Hill - anyone who can make me laugh in the opening paragraph and maintain it, has my undivided attention. She's a gifted author. This book could so easily become a box office smash. I hope someone decides to make The New Mrs D into that film. Claire Smith - 1st Assistant Director @ GFox Productions

The Cult of Smart Fredrik deBoer, 2020-08-04 Named one of Vulture's Top 10 Best Books of 2020! Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top-to-bottom reform. Everyone agrees that education is the key to creating a more just and equal world, and that our schools are broken and failing. Proposed reforms variously target incompetent teachers, corrupt union practices, or outdated curricula, but no one acknowledges a scientifically-proven fact that we all understand intuitively: Academic potential varies between individuals, and cannot be dramatically improved. In *The Cult of Smart*, educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society, which has created and perpetuated an unjust class structure based on intellectual ability. Since cognitive talent varies from person to person, our education system can never create equal opportunity for all. Instead, it teaches our children that hierarchy and competition are natural, and that human value should be based on intelligence. These ideas are counter to everything that the left believes, but until they acknowledge the existence of individual cognitive differences, progressives remain complicit in keeping the status quo in place. This passionate, voice-driven manifesto demands that we embrace a new goal for education: equality of outcomes. We must create a world that has a place for everyone, not just the academically talented. But we'll never achieve this dream until the *Cult of Smart* is destroyed.

Paris Trance Geoff Dyer, 2012-05-10 In Paris, two couples form an intimacy that will change their lives forever. As they discover the clubs and cafés of the eleventh arrondissement, the four become inseparable, united by deeply

held convictions about dating strategies, tunnelling in P.O.W. films and, crucially, the role of the Styrofoam cup in American thrillers. Experiencing the exhilarating highs of Ecstasy and sex, they reach a peak of rapture - but the come-down is unexpected and devastating. Dyer fixes a dream of happiness - and its aftermath. Erotic and elegiac, funny and romantic, Paris Trance confirms Dyer as one of Britain's most original and talented writers.

The Other End of the Leash Patricia McConnell, Ph.D., 2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Drinking with Men Rosie Schaap, 2013-01-24 NPR “Best Books of 2013” BookPage Best Books of 2013 Library Journal Best Books of 2013: Memoir Flavorwire 10 Best Nonfiction Books of 2013 A vivid, funny, and poignant memoir that celebrates the distinct lure of the camaraderie and community one finds drinking in bars. Rosie Schaap has always loved bars: the wood and brass and jukeboxes, the knowing bartenders, and especially the sometimes surprising but always comforting company of regulars. Starting with her misspent youth in the bar car of a regional railroad, where at fifteen she told commuters’ fortunes in exchange for beer, and continuing today as she slings cocktails at a neighborhood joint in Brooklyn, Schaap has learned her way around both sides of a bar and come to realize how powerful the fellowship among regular patrons can be. In *Drinking with Men*, Schaap shares her unending quest for the perfect local haunt, which takes her from a dive outside Los Angeles to a Dublin pub full of poets, and from small-town New England taverns to a character-filled bar in Manhattan’s TriBeCa. Drinking alongside artists and expats, ironworkers and soccer fanatics, she finds these places offer a safe haven, a respite, and a place to feel most like herself. In rich, colorful prose, Schaap brings to life these seedy, warm, and wonderful rooms. *Drinking with Men* is a love letter to the bars, pubs, and taverns that have been Schaap’s refuge, and a celebration of the

uniquely civilizing source of community that is bar culture at its best.
