

Furry In Hell

Eve Langlais

Infurno Tj Minde,Hypetaph,2018-04-12 The hounds of hell are barking...and they want you to join the hunt. The Nine Circles of Hell has been a much-loved conception of the inferno, popularized by Italian poet Dante. This collection of horror and erotica is divided into the nine circles. Each of the nine sections tells the stories of those souls condemned to their respective circles. Here, you will see anthro-animal characters at their darkest and weakest moments: at the whorehouse, at the chopping block, in the morgue, in the dining room with the candlestick, and, of course, rotting in the fires of the Infurno. This collection features stories from Faolan, Weasel, Allison Thai, and more, with illustrations from Joseph Chou.

Hell Hath No Furry Jordyn Kross,2022-12-13 Headline: Furry Found Flattened in the Forest Mikaela “Mike” Mitchell, reporter for Daisy, TX, and maid of honor for her best friend’s wedding, has everything under control—until she trips over a dead guy in a fur-suit. She promised the big day would be purr-fect—and an active crime scene just isn’t the vibe she’s going for. Unfortunately, with the annual Cowbells and Crops adults-only convention in town, the complications keep piling up. So instead of organizing tents and tablecloths and writing articles on how to have a spanking good time, Mike's going to catch a killer—whether her growly boyfriend, Ryder, likes it or not. And that would be...not. But what’s the big deal? The killer isn’t coming after her. Right?

Waterways Kyell Gold,2010-12 Kory was having enough trouble in high school. His girlfriend just dumped him, his poetry made him a target for ridicule, and college applications were looming. The very last thing he needed was to fall in love with another boy.Waterways is the complete novel from award-winning author Kyell Gold that includes his beloved story Aquifers. Join Kory as his feelings and faith collide, washing away the life he knew. His brother Nick, friends Samaki and Malaya, and Father Joe are there to help, but it's Kory who has to navigate the thrills and perils of the new waterways that make up his life.At stake? Nothing much -- just a chance at true love and happiness. And he still has to graduate from high school...

Ball of Furry (Paranormal Shapeshifter Romance) Celia Kyle,2017-11-11 Perfectly plump Carly’s paranormal-wererabbit world goes kablooeey on the night of the semiannual Gaian Moon. While all of the furry creatures in Ridgeville decide to knock boots and make babies, the only thing she wants to do is hide from all of the weenie-swinging men, including her would-be mate, Neal. There’s no denying he’s hotter-than-hot, and her bunny wants him more than her next dandelion, but there’s just one teeny-tiny problem. You see, Neal has wandering eyes, and a love for women that’s even bigger than his home state of Texas. But, to her surprise, the lion pounces when she least expects it...and claims her before she has the chance to say “No.” Furry bastard. As if her life isn’t crazy enough...it just happens to get that much crazier when someone decides they want her dead. Question is—can she survive whomever or whatever the hell is hunting her, while trying her damndest to get over the fact that Neal had a life before he met her? For both their sakes, she sure as hell hopes so.

Yiffing in Hell Pablo Emmanuel Rincon Santana,2020-01-15 In the far distant future, an artificial wolf; a fugitive once revered as a hero across the stars, steals a world and bleeds it to fuel a perverse mating ritual with his high school sweetheart...

The Sound and the Furry Spencer Quinn,2013-09-10 In the sixth installment in the New York Times bestselling mystery series that the Los Angeles Times called “nothing short of masterful,” Chet and Bernie are handed a hard case in the Big Easy. Chet and Bernie, the best canine/human P.I. team in the business, encounter a prison work crew that includes Frenchie Boutette, an old pal they sent up the river. Frenchie begs Bernie to go find his brother Ralph, a reclusive inventor who has disappeared—along with his houseboat—from the bayou. Not long after, Bernie fends off a deadly attack from a member of a shadowy gang called the Q’s. The attacker dies without revealing anything. In bayou country, Chet and Bernie meet the no-good Boutette family and their ancient enemies, the maybe-even-worse Robideaus. At first it looks like Ralph’s disappearance is tied to a dispute between the two families over a load of stolen shrimp. But Chet turns up a buried clue that sends them in a new and dangerous direction involving the oil business. The more they find out about Ralph and what he knew, the less their chances of surviving to do anything about it. Now they’re up against Big Oil, shadowy black ops figures, and the Q’s—plus Iko, a legendary bayou gator with a big appetite... A top-notch addition to the “deliciously addictive” (Publishers Weekly) series, The Sound and the Furry is an irresistibly suspenseful and humorous read that will keep you begging for more.

Doe and the Wolf Eve Langlais,2013-10-21 Looking for help in recovering a fugitive? The Lone Wolf Agency can help you. We specialize in huffing and puffing criminals back where they belong, behind bars. What happens when a predator falls for his prey? Bounty hunting is the perfect job for a maverick wolf; flexible hours, decent pay, the thrill of the chase. But Everett never counted on a doe stopping him in his furry tracks. Dawn was a prisoner of Mastermind and ended up experimented on, against her wishes. On the run from Furry United Coalition agents, she ends up in the arms—and bed—of a lupine bounty hunter. Instinct tells her to run when she gets a chance because everyone knows not to trust the big, bad wolf, but her heart begs her to stay. When the result of genetics gone wrong rears its mutated head and threatens both of their lives, will they manage to survive and discover if a wolf deserves a happily ever after? Furry United Coalition (F.U.C): A series is loaded with giggle out loud moments, raunchy innuendo and the strangest shapeshifters you’ll ever meet, including a killer bunny. It’s also full of romance and great, if mismatched, couples. Book order: Bunny and the Bear, Swan and the Bear, Croc and the Fox, Lion and the Falcon, Doe and the Wolf Genre: paranormal romance, werewolf romance, shapeshifter romance, fantasy romance, alpha male, bear romance, humorous romance, comedy romance

Furry Nation Joe Strike,2017-10-03 Winner of the 2017 Ursa Major Award for Best Non-Fiction Work! Furry fandom is a recent phenomenon, but anthropomorphism is an instinct hard-wired into the human mind: the desire to see animals on a more equal footing with people. It’s existed since the beginning of time in prehistoric cave paintings, ancient gods and tribal rituals. It lives on today—not just in the sports mascots and cartoon characters we see everywhere, but in stage plays, art galleries, serious literature, performance art—and among furry fans who bring their make-believe characters to life digitally, on paper, or in the carefully crafted fursuits they wear to become the animals of their imagination. In Furry Nation, author Joe Strike shares the very human story of the people who created furry fandom, the many forms it takes—from the joyfully public to the deeply personal— and how Furry transformed his own life.

Cat Daddy Jackson Galaxy,2013-05-02 Cat behaviorist and star of Animal Planet's hit television show My Cat from Hell, Galaxy, a.k.a. Cat Daddy, isn't what readers might expect for a cat expert. Yet his ability to connect with even the most troubled felines--not to mention their owners--is awe-inspiring.

Chance in Hell Gilbert Hernandez,2007-09-17 Chance in Hell tells the story about a little orphan girl who lives in the slum of slums. Nobody knows who she is or where she's from, but her fellow shantytown inhabitants collectively look over her. The three-act story follows our heroine as she is adopted by a decent man who raises her well, and she eventually marries a kind, well-to-do man, only to discover that she can't relate to the good life and the comforts it provides. This is the first in a series of standalone stories depicting the fictional filmography of Gilbert's Love and Rockets character, the B-movie actress Fritz.

Furry Fandom ,

'Roo and the Angel Eve Langlais,2018-12-06 What idiot decided to make the Jones boys official agents with a license to FUC? Jeb did something bad. And no, he didn't murder anyone—recently. Nor did he put itching powder in his brother's jockstrap—again. He did, however, smuggle a test subject out of an experimental lab against FUC orders. In his defense, he saved an angel. At least that is how Jeb sees Nevaeh with her shadow wings. She's a maiden in need of rescue and a sweet girl—until you get on her bad side. Then things get really interesting—and violent. Which might be kind of why FUC is so interested in getting their paws on her. And don't get him started on ASS shaking its tail feathers, too. Everyone wants a piece of his angel. Know what he says? Too bad. So sad. Because this stubborn 'roo has decided he wants her as his mate. A series is loaded with giggle out loud moments, raunchy innuendo and the strangest shapeshifters you'll ever meet, including a killer bunny. It's also full of romance and great, if mismatched, couples. Book order: Bunny and the Bear, Swan and the Bear, Croc and the Fox, Lion and the Falcon, Doe and the Wolf , Ostrich and the 'Roo Genre: paranormal romance, werewolf romance, shapeshifter romance, fantasy romance, alpha male, bear romance, humorous romance, romantic comedy

Furry Fandom Conventions, 1989–2015 Fred Patten,2016-12-21 Furry fandom—an adult social group interested in anthropomorphic animals in art, literature and culture—has grown since the 1980s to include an estimated 50,000 “furries.” Their largest annual convention drew more than 6,000 attendees in 2015, including 1,000 dressed in “fur suits” or mascot-type animal costumes. Conventions typically include awards, organizations, art, literature and movies, encompassing a wide range of creative pursuits beyond animal costuming. This study of the furry subculture presents a history of the oft-misunderstood group and lists all conventions around the world from 1989 through 2015, including organizers, guests of honor and donations to charity.

Owo *whats This* Avery Miller,2018-05-26 Owo *whats this*: A Guide to the Furry Fandom is your introduction to the cute and weird world of the Furry Fandom. Written by an actual furry named Avery, you'll be introduced to key furry vocabulary, learn how to commission art, and more.

Samurai Cat Goes to Hell Mark E. Rogers,1998-04-15 The final adventure in the Samurai Cat saga. Miaowara Tomokato has died and gone to heaven, but his faithful sidekick, Shiro, has been sent to hell. On his way to retrieve Shiro from eternal damnation, Tomokato encounters all the folks he's consigned to the lower realm--who all want a chance to get even!

Hell Hath No Fury Meghan R. Henning,2021-09-21 The first major book to examine ancient Christian literature on hell through the lenses of gender and disability studies Throughout the Christian tradition, descriptions of hell's fiery torments have shaped contemporary notions of the afterlife, divine justice, and physical suffering. But rarely do we consider the roots of such conceptions, which originate in a group of understudied ancient texts: the early Christian apocalypses. In this pioneering study, Meghan Henning illuminates how the bodies that populate hell in early Christian literature—largely those of women, enslaved persons, and individuals with disabilities—are punished after death in spaces that mirror real carceral spaces, effectually criminalizing those bodies on earth. Contextualizing the apocalypses alongside ancient medical texts, inscriptions, philosophy, and patristic writings, this book demonstrates the ways that Christian depictions of hell intensified and preserved ancient notions of gender and bodily normativity that continue to inform Christian identity.

Ostrich and the 'Roo Eve Langlais,2016-12-14

Hell's March Taylor Anderson,2022-09-27 Major Lewis Cayce will need to use every weapon in his arsenal to keep his stranded men alive on a deadly alternate Earth in this gripping new adventure set in the world of the New York Times bestselling Destroyermen series. It is 1847, and almost a full year after being shipwrecked on another, far stranger and more dangerous Earth on their way to fight Santa Anna in the Mexican-American War, Lewis Cayce and his small group of artillerymen, infantrymen, and dragoons have made friends in the Yucatán, helped build an army, and repulsed the first efforts of the blood-drenched Holy Dominion to wipe their new friends out. As an even more radical cult of Blood Priests arises and begins to pursue its own path to power, the Dominion can't let its defeat stand. It must crush the heretics and expel them from the land it has claimed. Fortunately, Lewis Cayce is a professional. He understands defense can only result in a stalemate at best, and a stalemate with the more populous Dominion will only lead to defeat in the end. The lucky few will be enslaved. The rest will be sacrificed in the most horrific way imaginable. The only hope his new allies have is to win—and to do that, his little army must attack the most powerful and diabolical enemy on the planet in its own territory. Achieving victory will take all Lewis's imagination, the courage and trust of his soldiers—and all the round shot and canister his tiny band of artillerymen can slam out.

Valen-Cats Pepper McGraw,2024-02-14 It's a Pawsitively Purrfect Match Made in Hell Jane spends her days working for the public library and the local bookstore in Zero, Kansas. She reads all about adventure and romance, but never experiences them for herself. That's okay, though. Jane may spend every Valentine's Day alone, but she always has a new book boyfriend to turn to. This year, however, Valentine's Day is looking up because Jane has fallen in love with two adorable kittens. Who needs romance when you have a pair of purrfectly purrfect kittens to care for? That's when things take a turn for the weird. A man shows up claiming to be Lucifer, as in Satan, and accuses Jane of stealing his hell-kittens. Then, to make matters worse, Lucifer decides that Jane will make a perfect mate and wants to take her to the Underworld to be his bride. There's just one problem with that plan. There are no libraries in hell. Or bookstores. Or books. Well, there are books, but no steamy romances, so that's a hell no from Jane. Only the matchmaking cats of the goddesses can save this match now.

Furry United Coalition #2 Eve Langlais,2019-01-04 Prepare to giggle your way through these shapeshifting, romantic comedies from the best selling F.U.C series. Lion and the Falcon : Given the choice between dealing with a psycho killer, a meddling mother and an all too sexy falcon, this poor doctor does what any sane lion would

do—he takes a nice, long nap. Doe and the Wolf : Bounty hunting is the perfect job for a maverick wolf; flexible hours, decent pay, the thrill of the chase. But Everett never counted on a doe stopping him in his furry tracks. Ostrich and the 'Roo : Something strange is happening to Mari. She's not the same since her rescue from a mad scientist's lab. Still, her blackouts aren't reason enough to put her in a cage, yet, what else is Jax to do when confronted with a giant ostrich terrorizing suburbia? Expect tongue in cheek, romantic comedy featuring a mish mash of shapeshifters and really bad puns. Genres: paranormal romance, romantic comedy, shapeshifter romance, werewolf romance
