Florida Saltwater Fish ID Ray Kensler,Jennifer Marchetti Kensler,2006-02
That Used to Be Us Thomas L. Friedman,Michael Mandelbaum,2012-08-21 This book makes recommendations for meeting four major challenges currently facing the United States, including globalization, the information technology revolution, chronic deficits, and unbalanced energy consumption. America has a huge problem. It faces four major challenges, on which its future depends, and it is failing to meet them. In this book the authors analyze those challenges, globalization, the revolution in information technology, the nation's chronic deficits, and its pattern of energy consumption, and spell out what needs to be done now to rediscover America's power and prowess. They explain how the end of the cold war blinded the nation to the need to address these issues seriously. They show how America's history, when properly understood, provides the key to coping successfully and explain how the paralysis of the U.S. political system and the erosion of key American values have made it impossible to carry out the policies the country needs. This work is both a searching exploration ofthe American condition today and a rousing manifesto for American renewal.

More Florida Stories Kevin McCarthy,1996 This companion volume to the popular Florida Stories offers readers another sampling from the rich heritage of Florida short fiction. The collection ranges across a gallery of original characters and 150 years of the state's history and culture. Selections in this volume highlight distinctively Floridian settings and experiences, from W. B. Thompson's report of the Indian assault on the Cape Florida Lighthouse during the Second Seminole War to Padgett Powell's tale of the backroads personalities and attractions of present-day Florida.

4 Views on Pastoring LGBTQ Teenagers Shelley Donaldson,Gemma Dunning,Nick Elio,2018-01-09 What do I do when a teenager comes out to me? How do I respond in a way that's helpful rather than creating additional problems?4 Views on Pastoring LGBTQ Teenagers is a frank and compassionate conversation with four in-the-trenches youth workers who have wrestled with these questions and strengthened their ministries as a result. In fact, it's out of real-life experience with gay, bi, cisgender, trans, queer, or questioning teens in their own youth groups that these youth workers are able to offer up their approaches-approaches which are then not theoretical at all, but practical and born of relational, everyday ministry.Will you find all the answers in this book? No. Look elsewhere for theological debate; look elsewhere for pat, one-size-fits-all methodologies. Youth ministry is often messy and complex, but it's a divine calling to connect every youth with Jesus: straight, gay, bi, cisgender, trans, queer, or questioning.

Into the Breeches! GEORGE BRANT,2020-02 Oberon Play House's director and leading men are off at war with the Axis. Determined to press on, the director's wife sets out to produce an all-female version of Shakespeare's Henriad, assembling an increasingly unexpected team united in desire, if not actual theatre experience. Together they deliver a delightful celebration of collaboration and persistence when the show must go on!
