**Having Her Back** Ann Gallagher,2017-05 Trevor Larson is a Navy brat. He's used to moving every few years, and thanks to social media, he can stay in touch with the friends he leaves behind. But shortly after he leaves Okinawa, his best friend, Brad Gray, cuts off contact and disappears. Four years and two bases later, Brad resurfaces—and announces his family is coming to Trevor's base in Spain. But a lot's changed in four years, and Trevor is stunned to find out Brad is now Shannon. Their reunion isn't quite what either of them had hoped for, but they quickly find their footing, both relieved to have each other back. Except nothing is ever all sunshine and roses. The military is a small world, and there's no keeping Shannon's transition a secret. Parents warn their kids away from her. She can't attend school on-base for fear of harassment or worse. And although her parents try to hide it, being ostracized by their only social circle while they're thousands of miles from home is taking a toll on them too. More and more, Shannon leans on Trevor. But she's also drawn to him, and he's drawn right back to her, feeling things he's never felt for anyone before. Trevor's scared, though. Not of dating a trans girl. Not of damaging his chaplain father's career or reputation. After finally getting his friend back, does he dare take things further and risk losing Shannon a second time?

Empire City Matt Gallagher,2021-01-26 From the author of Youngblood comes a “brilliant and daring” (Phil Klay, award-winning author of Redeployment) novel following a group of super-powered soldiers and civilians as they navigate an imperial America on the precipice of a major upheaval—for fans of The Fortress of Solitude and The Plot Against America. Thirty years after its great triumph in Vietnam, the United States has again become mired in an endless foreign war overseas. Stories of super soldiers known as the Volunteers tuck in little American boys and girls every night. Yet domestic politics are aflame—an ex-military watchdog group clashes with police while radical terrorists threaten to expose government experiments within the veteran rehabilitation colonies. Halfway between war and peace, the Volunteers find themselves waiting for orders in the vast American city-state, Empire City. There they encounter a small group of civilians who know the truth about their powers, including Sebastian Rios, a young bureaucrat wrestling with survivor guilt, and Mia Tucker, a wounded army pilot-turned-Wall Street banker. Meanwhile, Jean-Jacques Saint-Preux, a Haitian American Volunteer from the International Legion, decides he'll do whatever it takes to return to the front lines. Through it all, a controversial retired general emerges as a frontrunner in the presidential campaign, promising to save the country from itself. Her election would mean unprecedented military control over the country, with promises of security and stability—but at what cost? “A passionate, scary, wise, and perhaps even prophetic novel” (Tim O'Brien, author of The Things They Carried), Empire City is a rousing vision of an alternate—yet all too familiar—America on the brink written by a “preeminent voice in American writing” (Sara Novic, author of Girl at War).

It includes over 250 delicious, time-tested recipes from places like the U Drop Inn, the Covered Wagon Trading Post, the Pig Hip, and the Bungalow Inn. It is also a nostalgic recreation of the Route 66 of the past, with stories from the waitresses and cooks who poured the coffee and baked the pie.
