

Game Drive Hd A Safari Guide To The Animals And Wildlife Of South Africa

Kate Gilman William,Michelle Campbell

Game Drive Heinrich Van Den Berg,2011-08-01 A visual identification guide for animals likely to be encountered on game drives in the eastern bushveld game reserves and parks in Southern Africa. It focuses on the larger mammal species, only a few small species, and some of the common birds that may be seen.

Game Drive Heinrich Van den Berg,Ingrid Van den Berg,Philip Van den Berg,2019-06 The game drive is a South African institution of an activity, and this book an excellent companion to one. The authors have chosen to focus on mammals as the often-time star attractions of a game drive - after all, the Big Five are all mammals! As usual, the Van den Bergs deliver stellar work with beautiful photographs and text which is filled with information, without being verbose.

Let's Go on Safari! Kate Gilman William,Michelle Campbell,2019-10-01 What happens when 8-year-old Kate, on safari in South Africa with her family, meets Michelle, a professional wildlife guide? The two new friends – one from America, the other from South Africa – turn their adventures into a lively book in which they share facts and secrets about the African bushveld. At the same time, they show how young children everywhere can become advocates for wild animals. Let's Go on Safari! combines daily entries in Kate's African safari journal with insights from Michelle about the bushveld and wildlife. Kate discovers the wonders of wildlife contrasted with the threats that animals face. She is inspired to make a difference. The book provides examples of small-scale, achievable animal advocacy projects that kids can initiate in their own communities and schools. Let's Go on Safari! has been endorsed by significant conservation bodies, including the Jane Goodall Institute, the Sheldrick Wildlife Trust and Global Wildlife Conservation, an organisation working around the world to save endangered animals. Sales points: An entertaining account of what happens on a bushveld safari, told by a young nature lover; packed with interesting facts and full-colour photographs, and presented in an accessible journal style; shows young readers that they can play a positive role in saving wildlife; endorsed by global conservation bodies: the Jane Goodall Institute, the Sheldrick Wildlife Trust and Global Wildlife Conservation.

Tanzania Safari Guide Philip Briggs, Chris McIntyre, 2023-05-05 This new, thoroughly updated ninth edition of Bradt's Tanzania Safari Guide remains the only practical guidebook to the country that reflects tourism's shift away from backpackers and budget camping safaris to upper-end and mid-range safaris and beach holidays. Unlike other guidebooks, the main focus is practical information about Tanzania's peerless collection of national parks, game reserves and other safari destinations, including the Serengeti, Ngorongoro Crater, Tarangire, Ruaha, Katavi, Gombe Stream, Mahale Mountains, and four new national parks designated in 2019, including Nyerere, which encompasses much of the former Selous Game Reserve and is thought Africa's largest National Park. Every major reserve is given a dedicated chapter detailing its ecology, wildlife, accommodation options, game drives and other activities. Written by acknowledged Africa experts and prolific guidebook writers Philip Briggs and Chris McIntyre, Bradt's Tanzania Safari Guide also focuses on other popular and off-the-beaten-track tourist attractions, including Mount Kilimanjaro, the 'Spice Island' of Zanzibar and the mysterious Kilwa Ruins and Kondo Rock Art (UNESCO World Heritage Sites often relegated to the small print of other guides). Accommodation listings for the safari

destinations are the most detailed and authoritative available, the authors weeding through the ever-growing number of lodges and camps to create a critically selective list of the best properties in every price bracket (upmarket, mid-range and budget). Meanwhile, a 48-page wildlife colour field guide details all species a visitor can expect to find on a safari. Since the mid-1980s, when only basic camping safaris were feasible, Tanzania has grown to be one of Africa's top safari destinations. This new edition actively responds to this evolution by focusing on the country mainly as a safari and short-stay fly-in holiday destination. It also reflects the growing trend away from large lodges towards small, exclusive eco-friendly camps in remote parts of national parks and bordering community concessions. Beyond spectacular year-round game-viewing, Tanzania is one of Africa's most varied countries, its long palm-fringed coastline offering post-safari relaxation and complemented by the Great Rift Valley, portions of Africa's three largest lakes, and impressive mountains. Use this guide to discover everything Tanzania has to offer.

East African Wildlife Philip Briggs, 2008

Whatever You Do, Don't Run Peter Allison, 2014-06-03 A hilarious, highly original collection of essays based on the Botswana truism: "only food runs!" With a new introduction and new material from the author In the tradition of Bill Bryson, a new writer brings us the lively adventures and biting wit of an African safari guide. Peter Allison gives us the guide's-eye view of living in the bush, confronting the world's fiercest terrain of wild animals and, most challenging of all, managing herds of gaping tourists. Passionate for the animals of the Kalahari, Allison works as a top safari guide in the wildlife-rich Okavango Delta. As he serves the whims of his wealthy clients, he often has to stop the impulse to run as far away from them as he can, as these tourists are sometimes more dangerous than a pride of lions. No one could make up these outrageous-but-true tales: the young woman who rejected the recommended safari-friendly khaki to wear a more "fashionable" hot pink ensemble; the lost tourist who happened to be drunk, half-naked, and a member of the British royal family; establishing a real friendship with the continent's most vicious animal; the Japanese tourist who requested a repeat performance of Allison's being charged by a lion so he could videotape it; and spending a crazy night in the wild after blowing a tire on a tour bus, revealing that Allison has as much good-natured scorn for himself. The author's humor is exceeded only by his love and respect for the animals, and his goal is to limit any negative exposure to humans by planning trips that are minimally invasive—unfortunately it doesn't always work out that way! New

story: People often ask safari guides about the experience that frightened them the most. In this story Peter Allison tells of the time he became aware of unseen danger, and knew that somewhere within meters of him was a hunting lioness. Peter Allison is originally from Sydney, Australia. His safaris have been featured in National Geographic, Conde Nast Traveler, and on television programs such as Jack Hanna's Animal Adventures. He travels frequently to speaking appearances, and splits most of his time between Botswana, Sydney, and San Francisco.

The Guide's Guide to Guiding Garth Thompson, 2007-01-22 Aimed at informing and educating on wildlife guiding in Africa's many diverse parks and safari areas, this resource provides aspiring navigators with complete information on the necessary qualifications and requirements to gain access to this growing field. A wide range of subjects are expertly explored, including guiding principles and camp etiquette, medical supplies and safety tips, and details on the use of common field tools such as rifles, handguns, cameras, and binoculars. Real-life stories blend with artful cartoons--that add humor while emphasizing pertinent points--to round out this must-have reference for those looking for a career in guiding.

Don't Look Behind You! Peter Allison, 2009-09-01 Incredible true tales from a world-renowned safari guide and celebrated author Romantic notions aside, being a safari guide isn't always particularly enjoyable or glamorous. Quite often it is beset with challenges, like having to spend a night in a thorn tree with marauding hyenas below. But safari guide Peter Allison lives for such moments. Here, the author of the widely praised *Whatever You Do, Don't Run* details his time spent in safari camps not only in Botswana but also in South Africa, Mozambique, and Namibia--places he loves, despite how much it feels like they might just be trying to kill him. In *Don't Look Behind You*, Allison recounts adventures few would live to tell. Like the time he and a group of bored guides launched a makeshift raft into a foaming, flooded river teeming with hippos and crocodiles. Or the afternoon he heard monkeys telling him that a leopard was walking around the camp, and then realized the leopard was in his tent, with him in it. In addition to relating his encounters with animals, Allison shares the stories of those tourists who have long been pushing him toward early retirement. Normally respectful of all his fellow creatures no matter how many feet they have, Allison fantasizes about leaving one in particular behind on the Skeleton Coast, a place that receives less than half an inch of rain a year, and is patrolled by lions and hyenas. Join Peter Allison for another riveting, rollicking, behind-the-scenes dose of everyone's dream experience--going on safari--and come through amazed but, thankfully, without a scratch.
