The Book of Basketball Bill Simmons, 2010-12-07 NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game’s finest, funniest, and fiercest chronicler.

Changing the Game John O’Sullivan, 2013-08-01 “A powerful guide for both parents and coaches who want kids to have fun, enjoyable, and meaningful youth sporting experiences . . . I highly recommend it!” —John Ballantine, president and co-founder, Kids in the Game The modern-day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of thirteen, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O’Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids. “Changing the Game is, well, a game changer. It explores in both depth and breadth the youth sports experience, its blood, sweat, and tears. Any parent who wants their children to gain the physical, psychological, emotional, and social benefits of what sport has to offer (and isn’t that every parent!) better read this book. It will make you a better sports parent, and it will ensure that your children get all the good stuff and avoid most of the bad stuff from participating in sports.” —James Taylor, Ph.D., author of Positive Pushing: How to Raise a Successful and Happy Child
