- **101 Sea Stories** Donald F. Myers,2005-11 The brain-storm of writing a few of my sea stories and invite others to share theirs as well was planted in my mind during the early 1960's while stationed at Camp Lejeune, North Carolina. I love to hear and tell sea stories. Camp Lejeune abounded with guys that not only told their tales over a few beers but also created a few on the spot at the same time. I even managed to create several sea stories in my own right with some of my not so mature antics. Anyway, I thought back then wouldn't it be a great idea to collect some of those tales under one cover to share with the world. Well, it took thirty years but I finally got around to doing it. You will not only read my favorite sea stories about myself that Marines are so famous at telling, you are also going to read a goodly share from Marines and sailors around the country that thought well enough of this idea to contribute their own. In addition, you will read a few from members of the other branches of service.
- **Singlehanded Sailing** Andrew Evans,2014-09-05 It takes thousands of hours of sailing to get the kind of knowledge contained in this book. -- from the Foreword by Bruce Schwab The ONLY bible for how to sail your boat fast, safe, and alone Solo sailing is within any sailor's grasp with a little forethought--and this essential guide. Got a 35-foot sailboat? No problem. Is the wind blowing 20 knots? No problem. Are you racing offshore overnight? Even better. Learn everything you need to know to meet any solo challenge, including: Managing the power consumption aboard a boat to feed the electric autopilot Setting and gybing a spinnaker Finding time to sleep Dealing with heavy weather
- **East Kent Road Car Company Ltd: Services of the Golden Jubilee Era** Richard Wallace,2019-05-31 East Kent - Services of the Golden Jubilee Era takes the reader on a journey along the routes of all the stage-carriage services operated by East Kent in 1968, just after the Company celebrated its Golden Jubilee in 1966/7, and immediately prior to the National Bus Company (NBC) taking full control. This book reveals the contrasting nature of East Kent's services from rural byways to the seasonal, but very busy routes serving the still-popular resorts around the Kent coast. It includes a comprehensive fleet list and details a specimen allocation of cars to each service on a typical day in 1968; local route maps of all major town services as well as a sectionalised reproduction of the original East Kent network map of 1968 and, finally, a summary of the Centenary celebrations of 2016. It is superbly illustrated by over two hundred and fifty photographs, most not published before, of nearly every bus route as well as most London express services and all the operational garages. The author has worked as a driver and a conductor for EKRCC and part owns an ex-East Kent AEC Regent V.
