But at the end of many events, most sellers have not accomplished their goal. Before you even hold a yard sale, be sure to steer clear of violating any ordinances. Go to your town or city hall, and check if you need a license. This will be an operating expense just like advertising and promotional costs. But once you take care of it, the selling can begin! In this step-by-step guidebook, you will learn the sales techniques that will make people buy; the appropriate pricing to help your items sell; the importance of having stoppers that will generate a crowd; the strategies to beat your yard sale competitors and maximize profits. Written by Enock Lynn Norrbom, who has been generating revenue from yard sales for decades, this guide offers a better understanding of how selling at yard sales can be a serious home-based business that generates income. Move closer to your customers and achieve your objectives as you discover How to Yard Sale.

Garage Sale Riddle Suzi Weinert, 2016 Jennifer Shannon buys an old framed picture at an estate sale, discovering a mysterious map and riddle hidden inside. Flying to Naples, Florida, to rescue her aging mother from a devious criminal preying on seniors, she sits on the plane beside William Early, who boasts he's a wealthy, powerful Civil War artifact collector who always gets what he wants, whatever it takes. Moving her mother from her long-time Florida home to Virginia, present serious challenges as Jennifer protects her from criminals, while researching riddle and map clues to an apparent Civil War treasure. But William Early lusts after the rare valuables she seeks. Marshalling his vast resources, he's determined to wrest the treasure away from Jennifer, by any means, including murder. Can Jennifer outwit him to save her mother, her family, herself and the historic treasure? As a military wife for 21 years, Suzi Weinert moved often, shopping for practical items at military

thrift shops and eventually for unique treasures at garage and estate sales. When her husband retired, she and her family lived for 25 years in McLean, Virginia, the setting for her novels. Just look inside and check out the table of contents and you will agree, this IS the COMPLETE guide! There are a lot of books on the market about how to have a garage sale and yes some about making money buying at them but many of these books can be limited in their information. There is just SO MUCH opportunity out there; Antiques, vintage stuff from the 70's and 80's, CD's, Book's and the list goes on. However, to succeed at this, having the right systems, information and tools is critically important. This book provides valuable insights into successfully mastering the world of these sales. First, how to find and negotiate the best price for objects of value and, second, how to easily resell those same objects on eBay and Amazon for a nice profit. Beginning with a section titled How to Use This Book, the author instructs his readers on how to maximize their efforts, how to discern what is worth buying (and, as importantly, what isn't). He also discusses many other very valuable perks to attending garage, yard and estate sales like finding high end clothes or even just general household items for your own or use which translates into a huge savings of money. This is also a great opportunity to start your own collection of antiques and collectibles which is both fun and an unbelievably good investment. Once the buyer has secured his or her bargains, the author walks the reader through an easy step-by-step system to resell those items for a great profit without spending a whole lot of time. Dan Blakely also helps his readers find their own personal niche. Using individual knowledge, the reader already possesses, to dominate those sales. For instance, let's say you know quite a bit about clothing, designer and vintage for example, well there are literally oodles of clothing to be had for next to nothing. Another niche that anyone can easily learn is how to buy books for next to nothing and re-sell them on Amazon. This alone can be a great profit center to supplement your income. This guide brims with nuts-and-bolts advice. For example, there is a chapter on how to organize your self without taking up too much room in your home and the middle of the book is devoted to instructing the reader on finding value in common items, such as DVDs, CDs. Dive into this can't-miss program for a steady second income or a fun new money-making hobby! Whatever you choose, buying at garage sales is a great opportunity!
