**Mama Learned Us to Work** Lu Ann Jones,2003-10-16 Farm women of the twentieth-century South have been portrayed as oppressed, worn out, and isolated. Lu Ann Jones tells quite a different story in *Mama Learned Us to Work*. Building upon evocative oral histories, she encourages us to understand these women as consumers, producers, and agents of economic and cultural change. As consumers, farm women bargained with peddlers at their backdoors. A key business for many farm women was the butter and egg trade--small-scale dairying and raising chickens. Their earnings provided a crucial margin of economic safety for many families during the 1920s and 1930s and offered women some independence from their men folks. These innovative women showed that poultry production paid off and laid the foundation for the agribusiness poultry industry that emerged after World War II. Jones also examines the relationships between farm women and home demonstration agents and the effect of government-sponsored rural reform. She discusses the professional culture that developed among white agents as they reconciled new and old ideas about women's roles and shows that black agents, despite prejudice, linked their clients to valuable government resources and gave new meanings to traditions of self-help, mutual aid, and racial uplift.

**Snakes in My Garden** Dooney Jackson, 2015-03-28 Dooney Jackson's life was a roller coaster of events. In addition to experiencing so much as a youth, she persevered and made it out of the rough streets of South Central California. Living life without knowing the root of her despair all ended with a single letter penned by her father in prison. The truth came out, and Shamoria was determined to become the opposite of what was to become of her life through tragedies. This is a remarkable biography that will put you in the character's shoes, feeling the struggle and pain and also the happiness through blessings.

The House on Mango Street Sandra Cisneros, 2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros's masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis's Main Street or Toni Morrison's Sula, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one's story and of being proud of where you're from.

*Mama's Boy* Roel van den Oever, 2012-09-24 In postwar America, the discourse of Momism advanced the idea that an over-affectionate or too-distant mother hampers the social and psychosexual development of her children, in particular her sons. Deemed worst of all was the outcome of homosexuality, since the period saw an intense policing of sexual deviance. van den Oever zooms in on four instances of the cultural representation of Momism: The Grotto, by Grace Zaring Stone, Suddenly Last Summer, by Tennessee Williams, Alfred Hitchcock's Psycho, and Portnoy's Complaint, by Philip Roth, to offer new commentary on canonical texts, a particular moment in American

culture, and future reading strategies.

Amidst all the buildings, people, and traffic in his neighborhood, Jayden sees nature everywhere: the squirrels scrounging, the cardinals calling, and the dandelions growing. But Mama doesn't believe there's nature in the city. So Jayden sets out to help Mama see what he sees. With the help of his friend Mr. Curtis, Jayden plants the seeds of a community garden and brings together his neighbors—and Mama—to show them the magic of nature in the middle of the city. **Hands Free Mama** Rachel Macy Stafford, 2014-01-07 "Rachel Macy Stafford's post The Day I Stopped Saying Hurry Up was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. Hands Free Mama has the power to keep that conversation going and remind us that we must not let our lives pass us by." --Arianna Huffington, Chair,

President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books <http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living “Hands Free” If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it’s no wonder we’re distracted. But this isn’t the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society’s answer to finding balance in a media-saturated, perfection-obsessed world. It doesn’t mean giving up all technology forever. It doesn’t mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.

Mama You Got This Emma Bunton, 2021-06-10 THE SUNDAY TIMES BESTSELLER You have a baby! Isn't it amazing - and also pretty terrifying?! I love being a Spice Girl, but what I am proudest of is being a mum. Even though I had all the real-life girl power of the actual Spice Girls on speed-dial, my incredible partner and my mum, I had so many worries and questions I couldn't always ask out loud. What I really, really wanted was one, easy-to-read, honest book that would give me support without judgement - that might even make me chuckle occasionally. So, I've written it for you! I've included all my stories about what that precious, exhausting first year was like for me, and I've also asked some brilliant experts for their help too, including a paediatric sleep consultant, a trusted NCT counsellor, a mindfulness coach, and no-less than five amazing midwives and doulas. I want you to feel like you've got this. Because guess what mama? You have!

**Baby Boomer Diaries** Bonnie Bachman, 2004-12 Growing up in the 1950's and 1960's, Skissley is the oldest child in a Nebraska farm family of modest means. Her possessions are few, but she does possess two rare and priceless gifts: talent to write and remarkable insight. Combined with her keen observations of the people, events, and magnificent nature surrounding her, the results are a unique perspective of life in mid 20th century Middle America, which Skissley captures in the pages of her beloved diaries. But being only twelve as well as inherently honest, she regularly spills the beans on the family secrets. Then too, there is that notorious river town of Rulo

nearby, with the majority of its population of hangers-on comprised of eccentric and unsavory misfits. Though these characters with their questionable lifestyles live but a stone's throw from Skissley, they are worlds apart from her. Yet few will escape her scrutiny or the veracity of her pen. While it seems that Skissley is merely divulging colorful tidbits of life within her sphere, it soon becomes obvious that she is really revealing the inner workings of her own soul, because she is in fact, a true Child of the Universe.
