The hero's party continues to get caught up in all sorts of antics—a cooking contest, a mother-and-son body swap, a shoplifter's arrest, and even a film shoot! **Paul Kelly** Stuart Coupe,2020-07-28 Australia's best music writer examines the life of the Australian music legend - honest, revealing and a must-have for any Paul Kelly fan. Until now, no one has written the definitive biography of Australia's best-loved singer, song writer and poet. Taking us from Paul Kelly's family life as the sixth of eight children in Adelaide, Stuart Coupe, with Paul's blessing and access to friends, family and band mates, shows us the evolution from a young man who only really picked up a guitar in his late teens, to an Australian music icon. As Paul's music career took off he had to juggle the demands of rock'n'roll with real life and it wasn't always pretty. As Paul's manager for a time, Stuart Coupe has seen or heard it all - the good and the bad (like Paul being told by an audience member that his was the worst band ever!). The book will look at Paul Kelly's personal relationships and the impact they have had on Paul's career and his storytelling. It will also highlight his generosity to other artists, like Archie Roach. In 2017 Paul Kelly received an Order of Australia acknowledging his distinguished service to the performing arts and the promotion of the national identity through his contributions as singer, songwriter and musician. At the foundation of it all is his storytelling. PAUL KELLY: The man, the music and the life in between will give us an unfiltered examination of it all.

**Three Weeks Less a Day** Gary D. McGugan,2016-09-19 John George Mortimer is at the top of his game. The company he built from the ground up is now one of the largest in the world, and exciting developments promise to broaden its reach into even bigger markets. He prides himself on making good decisions and surrounding himself with strong, capable people, but after learning he has developed breast cancer, he realizes he must quickly find a worthy successor. He challenges his top executives to develop radical game-changer business strategies that should make it easy for his board of directors to choose one of them. Despite careful preparation, his plan begins to unravel almost immediately. Organized crime, sexual misadventures, and personal tragedy combine to complicate his efforts to select a new CEO. Even as he lies in recovery from cancer treatments, he is forced to battle against shadowy interests who seek to take away the fruit of his life's work. *Three Weeks Less a Day* is a fast-paced international business thriller that takes us inside the lives of high-powered executives and the lengths they will go to achieve results. It is a story of how quickly things can change at the highest levels of corporate leadership, and how easily lives can crumble in pursuit of power and control.
